

§ 90-9.5. Inactive licenses.

The Board retains jurisdiction over an inactive license, regardless of how it became inactive, including a request for inactivation, surrender of a license, or by operation of an order entered by the Board. The Board's jurisdiction over the licensee extends for all matters, known and unknown to the Board, at the time of the inactivation or surrender of the license. (2019-191, s. 15.)
