GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1989

Η

1

HOUSE BILL 289* Second Edition Engrossed 3/22/89

Short Title: DOA to Review DOCC Building.

(Public)

2

Sponsors: Representatives Bowen, Edwards, Huffman, and Tallent.

Referred to: Government.

February 20, 1989

A BILL TO BE ENTITLED

1	A BILL TO BE ENTITLED
2	AN ACT TO EXTEND TO MOST COMMUNITY COLLEGE BUILDINGS THE
3	REVIEW, SUPERVISION, AND INSPECTION OF ARCHITECTURE AND
4	ENGINEERING BY THE DEPARTMENT OF ADMINISTRATION.
5	The General Assembly of North Carolina enacts:
6	Section 1. G.S. 143-336 reads as rewritten:
7	"§ 143-336. Definitions.
8	As used in this Article:
9	'Agency' includes every agency, institution, board, commission, bureau, council,
10	department, division, officer, and employee of the State, but does not include counties,
11	municipal corporations, political subdivisions, county and city boards of education, and
12	other local public bodies.
13	'Community college buildings' means all buildings, utilities, and other property
14	developments located at a community college, which is defined in G.S. 115D-2(2).
15	'Department' means the Department of Administration, unless the context otherwise
16	requires.
17	'Public buildings' means all buildings owned or maintained by the State in the City
18	of Raleigh, but does not mean any building which a State agency other than the
19	Department of Administration is required by law to care for and maintain.
20	'Public buildings and grounds' means all buildings and grounds owned or
21	maintained by the State in the City of Raleigh, but does not mean any building or
22	grounds which a State agency other than the Department of Administration is required
23	by law to care for and maintain.

GENERAL ASSEMBLY OF NORTH CAROLINA

 Raleigh, but does not mean any grounds which a State agency other than the Department of Administration is required by law to care for and maintain. 'Sceretary' means the Secretary of Administration, unless the context otherwise requires. 'State buildings' mean all State buildings, utilities, and other property developments except the State Legislative Building, railroads, highway structures, and bridge structures. But under no circumstances shall this Article or any part thereof apply to the judicial or to the legislative branches of the State." Sec. 2. G.S. 143-341(3) reads as rewritten: "(3) Architecture and Engineering: a. To examine and approve all plans and specifications for the construction or renovation of all State buildings, off: 1. All State buildings; and 2. All community college buildings requiring the estimated expenditure for construction or repair work for which public bidding is required under G.S. 143-129 prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded. b. To prepare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings. c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings. d. To supervise and psecifications must be examined and approved under a.2. of this subdivision. d. To supervise and inspect all work done and materials used in the construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved by the Department." 	1	'Public	grounds' means all grounds owned or maintained by the State in the City of		
 'Secretary' means the Secretary of Administration, unless the context otherwise requires. 'State buildings' mean all State buildings, utilities, and other property developments except the State Legislative Building, railroads, highway structures, and bridge structures. But under no circumstances shall this Article or any part thereof apply to the judicial or to the legislative branches of the State." Sec. 2. G.S. 143-341(3) reads as rewritten: '(3) Architecture and Engineering: a. To examine and approve all plans and specifications for the construction or renovation of all State buildings, of: <u>1. All State buildings; and</u> Prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded. D or prepare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings. C. To supervise the letting of all contracts for the design, construction or renovation of all State buildings. C. To supervise the letting of all contracts for the design, construction or renovation of all State buildings. d. To supervise and inspect all work done and materials used in the construction or renovation of all State buildings and all community college buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved and paproved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved by the State or by any State agency until it has been approved					
 requires. 'State buildings' mean all State buildings, utilities, and other property developments except the State Legislative Building, railroads, highway structures, and bridge structures. But under no circumstances shall this Article or any part thereof apply to the judicial or to the legislative branches of the State." Sec. 2. G.S. 143-341(3) reads as rewritten: "(3) Architecture and Engineering: a. To examine and approve all plans and specifications for the construction or renovation of all State buildings, off: <u>1</u>. <u>All State buildings; and</u> <u>2</u>. All community college buildings requiring the estimated expenditure for construction or repair work for which public bidding is required under G.S. 143-129 prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded. b. To prepare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings. c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a. of this subdivision. d. To supervise and inspect all work done and materials used in the construction or renovation of all State buildings, and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved 		Department of Administration is required by law to care for and maintain.			
 ¹ 'State buildings' mean all State buildings, utilities, and other property developments except the State Legislative Building, railroads, highway structures, and bridge structures. But under no circumstances shall this Article or any part thereof apply to the judicial or to the legislative branches of the State." Sec. 2. G.S. 143-341(3) reads as rewritten: "(3) Architecture and Engineering: a. To examine and approve all plans and specifications for the construction or renovation of all State buildings, of: <u>All State buildings; and</u> <u>All Community college buildings requiring the estimated</u> expenditure for construction or repair work for which public bidding is required under G.S. 143-129 prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded. D repare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings. c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings. c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings. d.
