12 members shall be chosen from among individuals who have demonstrated a
13 commitment to nursing, health care, or education.

14 (d) Commission members shall be appointed for four-year terms. The terms of
15 initial appointees shall expire July 1, 1993.

26 **"§ 90-171.61. Nursing scholars program established; administration.**

27 (a) There is established the Nursing Scholars Program. The North Carolina
28 Nursing Scholars Commission shall determine selection criteria, methods of selection,
29 and shall select recipients of scholarship loans made under the Nursing Scholars
30 Program.

31 (b) The Nursing Scholars Program shall be used to provide the following:

32 (1) A four-year scholarship loan in the amount of five thousand dollars

5 (c) The Commission shall adopt stringent standards, which may include
6 minimum grade point average, scholastic aptitude test scores, and other standards
7 deemed appropriate by the Commission, to ensure that only the best potential students
8 receive loans under the Nursing Scholars Program. Standards adopted by the

11 with opportunities to compete for the loans. Loans under the Nursing Scholars Program
12 shall be awarded only to applicants who meet the standards set by the Commission and

15 (d) The Commission shall develop and administer the Nursing Scholars Program
16 in cooperation with nursing schools at institutions approved by the Commission and the
17 North Carolina Board of Nursing. The Nursing Scholars Program shall provide for
18 participants to be exposed to a range of extracurricular activities while in school, which
19 activities shall be aimed at instilling in students a strong motivation to remain in the
20 practice of nursing and to provide leadership for the nursing profession.

21 (e) The Commission may form regional review committees to assist it in
22 identifying the best high school seniors and other applicants for the program. The
23 Commission and the review committees shall make an effort to identify and encourage

25 apply for the Nursing Scholars Program.

35 Education Assistance Authority that bear interest at the rate of ten percent (10%) per
36 year beginning 90 days after completion of the nursing education program, or 90 days
37 after termination of the scholarship loan, whichever is earlier. The scholarship loan
38 may be terminated upon the recipient's withdrawal from school or by the recipient's
39 failure to meet the standards set by the Commission.

40 (b) The State Education Assistance Authority shall forgive the loan if, within
41 seven years after graduation from a nursing education program, the recipient practices
42 nursing in North Carolina for one year for every year a scholarship loan was provided.
43 If the recipient repays the scholarship loan by cash payments, all indebtedness shall be
44 repaid within ten years.

1 (c) All funds appropriated to or otherwise received by the Nursing Scholars
2 Program for scholarships, all funds received as repayment of scholarship loans, and all
