TAKE THIS CERTIFICATE TO THE COUNTY BOARD OF ELECTIONS'.

(3) Upon issuance of the certificate to the voter, the precinct official shall mark the voter's registration record with a 'T' in the appropriate voting square to indicate that the voter has transferred.

(4) The voter shall take the certificate of removal to the precinct transfer assistant at the county board of elections' office. Upon determining that the voter moved more than 30 days before the election, that the voter now resides in another precinct within the county, and that the voter is otherwise qualified to vote in the election, the precinct transfer assistant shall have the voter complete the proper precinct transfer forms. The precinct transfer assistant shall then provide the voter with the proper ballots, or access to the proper voting equipment, for the precinct where the voter now resides. If the voter fails to take the certificate of removal to the precinct transfer assistant at the county board of elections' office by the time the polls close on election day, the voter may at a later date submit a change of address report under G.S. 163-72.2 to become effective as provided by law.

(5) After marking the ballots, or using the voting equipment in a booth or separate room provided for ~~that purpose~~ voting, the voter shall place the ballots, if any, in an envelope provided by the precinct transfer assistant. ~~That envelope shall have printed or stamped on it the following:~~

~~Transfer voter ballot # .....~~

~~Assigned precinct .....~~

~~The precinct transfer assistant shall write the proper information in the blanks before giving the envelope to the voter in the proper ballot box.~~

(6) The precinct transfer assistant shall enter in a book provided by the board of elections the name of each voter permitted to vote under this section, ~~the number assigned to the voter's ballot and envelope, the~~

1 precinct in which the voter was previously registered, and the precinct  
2 to which the voter has transferred.

- 3 (7) ~~Envelopes containing ballots voted under this section shall be retained~~  
4 ~~to be opened and the ballots counted after the polls close on election~~  
5 ~~day.~~ Ballots voted at the board office shall be counted after the polls  
6 have closed by board members or assistants appointed by the board.  
7 Ballots voted at other locations shall be counted by the precinct  
8 transfer assistants assigned to those locations, aided by precinct  
9 officials or ballot counters for those locations, provided that if the  
10 other location is the polling place at which the person would have  
11 voted if a change of address report had been filed under G.S. 163-72.2  
12 prior to the close of registration for the election, the ballots shall be  
13 counted in the same manner as those of other voters. At each location  
14 ~~all envelopes shall be opened and all ballots deposited in the~~  
15 ~~appropriate boxes before any ballots are counted, and other than the~~  
16 ~~polling place at which the person would have voted if a change of~~  
17 ~~address report had been filed under G.S. 163-72.2 prior to the close of~~  
18 ~~registration for the election, the results of the counting shall be entered~~  
19 ~~on duplicate transfer report forms signed by the officials responsible~~  
20 ~~for the counting.~~

21 ~~If the county board of elections designates a precinct voting place~~  
22 ~~as a location for voting under this section, and only voters who now~~  
23 ~~reside in that precinct are permitted to vote transfer ballots there, the~~  
24 ~~board may direct the precinct officials to place the transfer ballots in~~  
25 ~~the appropriate precinct ballot boxes immediately after the polls close~~  
26 ~~and to count and report the results of the transfer ballots together with~~  
27 ~~all other ballots voted in the precinct.~~

- 28 (8) A person voting under this section shall be entitled to the same  
29 assistance as provided in G.S. 163-152.

- 30 (9) The precinct officials and precinct transfer assistant may require a  
31 person to show identification if needed to establish that the person is  
32 entitled to vote under this section.

33 (b) The county board of elections shall either designate a board employee or  
34 appoint another person to serve as a precinct transfer assistant. County boards of  
35 elections in counties with 70,000 or more registered voters may appoint two precinct  
36 transfer assistants, and boards in counties with 100,000 or more registered voters may  
37 appoint three assistants. In addition, board members and employees may perform the  
38 duties of a precinct transfer assistant.

39 (c) The board may appoint precinct transfer assistants in addition to those  
40 authorized by subsection (b) and assign them to locations other than the board of  
41 elections' office, provided the board adopts a resolution approving such additional  
42 appointments and gives written notice to the State Board of Elections of the additional  
43 locations at least 60 days before the election. The board may provide that each polling  
44 place open for an election shall be an additional location, and that each voter shall, after

1 receiving a certificate under subdivision (2) of this subsection, go to vote at the polling  
2 place where they would have been assigned if they had filed a change of address report  
3 under G.S. 163-72.2 prior to the time that registration closed for the election. If such  
4 provision is made, the registrar, judge, or precinct assistant issuing a certificate under  
5 subdivision (2) of this subsection shall notify the voter of the location of such polling  
6 place. If additional locations are established, the county board may make the  
7 appropriate changes in the forms and procedures to be used under subsection (a).

8 (d) Each precinct transfer assistant shall be paid at least thirty-five dollars  
9 (\$35.00) for the duties performed on election day, and may be paid additional  
10 compensation as recommended by the board of elections and authorized by the board of  
11 county commissioners."

12 Sec. 2. This act shall become effective with respect to primaries and  
13 elections held on or after September 1, 1989.
