4 PROPERTY TAXES ON CERTAIN MOTOR VEHICLES.

5 The General Assembly of North Carolina enacts:

6 Section 1. Subchapter II of Chapter 105 of the North Carolina General  
7 Statutes is amended by adding after Article 22 a new Article to read:

8 **"ARTICLE 22A.**

9 **"MOTOR VEHICLES.**

10 **"§ 105-330. Definitions.**

11 The following definitions apply in this Article:

12 (1) Motor vehicle. Defined in G.S. 20-4.01(23).

13 (2) Public service company. Defined in G.S. 105-333(14).

14 **"§ 105-330.1. Classification of motor vehicles.**

15 All motor vehicles, except (i) manufactured homes and (ii) motor vehicles owned  
16 by a public service company or leased by a public service company and included in the  
17 company's system property under G.S. 105-335(b)(1), are hereby designated a special  
18 class of property under authority of Article V, Sec. 2(2) of the North Carolina  
19 Constitution. Motor vehicles so classified shall be known as 'classified motor vehicles'.  
20 Classified motor vehicles shall be listed and assessed as provided in this Article and  
21 taxes on classified motor vehicles shall be collected as provided in this Article.

22 **"§ 105-330.2. Appraisal, ownership, and situs.**

23 (a) The value of a classified motor vehicle that is registered shall be determined  
24 annually as of January 1 preceding the date a new registration is applied for or the

1 current registration is renewed. If the value of a new motor vehicle cannot be  
2 determined as of January 1 preceding the date the new registration is applied for, the  
3 value of that vehicle shall be determined for that year as of the first day of the month in  
4 which the new registration is applied for. The value of a classified motor vehicle that is  
5 unregistered shall be determined as of January 1 of the year in which the motor vehicle  
6 is required to be listed pursuant to G.S. 105-330.3(a)(2). The ownership, situs, and  
7 taxability of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) shall be  
8 determined annually as of the day on which the current vehicle registration is renewed  
9 or the day on which a new registration is applied for. The ownership, situs, and  
10 taxability of a classified motor vehicle listed or discovered pursuant to G.S. 105-  
11 330.3(a)(2) shall be determined as of January 1 of the year in which the motor vehicle is  
12 required to be listed.

13 (b) A classified motor vehicle shall be appraised by the assessor at its true value  
14 in money as prescribed by G.S. 105-283. The owner of a classified motor vehicle may  
15 appeal the appraisal, situs, or taxability of the vehicle in the manner provided by G.S.  
16 105-312(d) for appeals in the case of discovered property. Notwithstanding G.S. 105-  
17 312(d), an owner who appeals the listing, valuation, or assessment of a classified motor  
18 vehicle shall pay the tax on the vehicle when due, subject to a full or partial refund if the  
19 appeal is decided in the owner's favor.

20 (c) The Department of Revenue, acting through the Property Tax Division, and  
21 the Department of Transportation, acting through the Division of Motor Vehicles, shall  
22 enter into a memorandum of understanding concerning the vehicle identification  
23 information, name and address of the owner, and other information that will be required  
24 on the motor vehicle registration forms to implement the tax listing and collection  
25 provisions of this Article, and this information shall appear on the forms beginning  
26 January 1, 1992.

27 **"§ 105-330.3. Assessor's duty to list classified motor vehicles; application for**  
28 **exempt status.**

29 (a) (1) Registered Vehicles. The assessor shall list, appraise, and  
30 assess all taxable classified motor vehicles for county, municipal,  
31 and special district taxes each year in the name of the record owner  
32 as of the day on which the current vehicle registration is renewed or  
33 the day on which a new registration is applied for. The owner of a  
34 classified motor vehicle listed pursuant to this subdivision need not  
35 list the vehicle as provided in G.S. 105-306; G.S. 105-312 does not  
36 apply to classified motor vehicles listed pursuant to this subdivision.

37 (2) Unregistered Vehicles. The owner of a classified motor vehicle who  
38 does not register the vehicle or does not renew the registration of the  
39 vehicle on or before the expiration date of the current registration shall  
40 list the vehicle for taxes by filing an abstract with the assessor of the  
41 county in which the vehicle is located on or before January 31  
42 following the date the unregistered vehicle is acquired or, in the case  
43 of a registration that is not renewed, January 31 following the date the  
44 registration expires, and on or before January 31 of each succeeding

1           year that the vehicle is unregistered. If a classified motor vehicle listed  
2           pursuant to this section is registered during the calendar year in which  
3           it was listed, it shall be taxed for the fiscal year that opens in the  
4           calendar year of listing as an unregistered vehicle. A vehicle required  
5           to be listed pursuant to this subdivision that is not listed by January 31  
6           shall be subject to discovery pursuant to G.S. 105-312.

7           (b) The owner of a classified motor vehicle who claims an exemption or  
8           exclusion from tax under this Subchapter has the burden of establishing that the vehicle  
9           is entitled to the exemption or exclusion. The owner may establish **prima facie**  
10           entitlement to exemption or exclusion of the classified motor vehicle by filing an  
11           application for exempt status with the assessor. When such an approved application is  
12           on file, the assessor shall omit from the tax records all exempt classified motor vehicles  
13           registered in the name of the owner.

14           (c) The owner of a classified motor vehicle that has been omitted from the tax  
15           records as provided in subsection (b) shall report to the assessor any classified motor  
16           vehicle registered in the owner's name or owned by him that does not qualify for  
17           exemption or exclusion for the current year. This report shall be made within 30 days  
18           after the renewal of registration or initial registration of the vehicle or, for an  
19           unregistered vehicle, on or before January 31 of the year in which the vehicle is required  
20           to be listed by subdivision (a)(2). A classified motor vehicle that does not qualify for  
21           exemption or exclusion but has been omitted from the tax records as provided in  
22           subsection (b) is subject to discovery under the provisions of G.S. 105-312, except that  
23           in lieu of the penalties prescribed by G.S. 105-312(h) there shall be assessed a penalty  
24           of one hundred dollars (\$100.00) for each registration period that elapsed before the  
25           disqualification was discovered.

26           (d) The provisions of G.S. 105-282.1 do not apply to classified motor vehicles.

27           **§ 105-330.4. Due date, interest, and enforcement remedies.**

28           (a) Taxes on a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1)  
29           shall be due each year on the first day of the fourth month following the date the  
30           registration expires or on the first day of the fourth month following the last day of the  
31           month in which the new registration is applied for. Taxes on a classified motor vehicle  
32           listed pursuant to G.S. 105-330.3(a)(2) shall be due on September 1 following the date  
33           by which the vehicle was required to be listed.

34           (b) Subject to the provisions of G.S. 105-395.1, interest on unpaid taxes on  
35           classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) accrues at the rate of  
36           three-fourths of one percent (3/4%) per month following the date the taxes were due  
37           until the taxes are paid. Subject to the provisions of G.S. 105-395.1, interest on  
38           delinquent taxes on classified motor vehicles listed pursuant to G.S. 105-330.3(a)(2)  
39           accrues as provided in G.S. 105-360(a) and discounts shall be allowed as provided in  
40           G.S. 105-360(c).

41           (c) Unpaid taxes on classified motor vehicles may be collected by levying on the  
42           motor vehicle taxed or on any other personal property of the taxpayer pursuant to G.S.  
43           105-366 and G.S. 105-367, or by garnishment of the taxpayer's property pursuant to  
44           G.S. 105-368. Notwithstanding the provisions of G.S. 105-366(b), the enforcement

1 measures of levy, attachment, and garnishment may be used to collect unpaid taxes on  
2 classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) at any time after  
3 interest accrues. Notwithstanding the provisions of G.S. 105-355, taxes on classified  
4 motor vehicles do not become a lien on real property owned by the taxpayer.

5 **"§ 105-330.5. Listing and collecting procedures.**

6 (a) For classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1), upon  
7 receiving the registration lists from the Division of Motor Vehicles each month, the  
8 assessor shall prepare a tax notice for each vehicle; the tax notice shall contain all  
9 county, municipal, and special district taxes due on the motor vehicle. In computing the  
10 taxes, the assessor shall appraise the motor vehicle in accordance with G.S. 105-330.2  
11 and shall use the tax rates of the various taxing units in effect on the first day of the  
12 month in which the current vehicle registration expired or the new registration was  
13 applied for. This procedure shall constitute the listing and assessment of each classified  
14 motor vehicle for taxation.

15 (b) For classified motor vehicles listed pursuant to G.S. 105-330.3(a)(2), the  
16 assessor shall appraise each vehicle in accordance with G.S. 105-330.2. The assessor  
17 shall prepare a tax notice for each vehicle before September 1 following the January 31  
18 listing date; the tax notice shall include all county, municipal, and special district taxes  
19 due on the motor vehicle. In computing the taxes, the assessor shall use the tax rates of  
20 the various taxing units in effect for the fiscal year that begins on July 1 following the  
21 January 31 listing date.

22 (c) When the tax notice is prepared, the county tax collector shall mail a copy of  
23 the notice, with appropriate instructions for payment, to the motor vehicle owner. The  
24 county may retain up to five percent (5%) of municipal and special district taxes  
25 collected pursuant to this section as compensation for the cost of collecting the taxes,  
26 unless other contractual arrangements for reimbursement of collection costs are in  
27 effect. The county finance officer shall establish procedures to ensure that tax payments  
28 received pursuant to this section are properly accounted for and taxes due other taxing  
29 units are remitted to the units to which they are due no later than 30 days after the date  
30 of collection.

31 (d) The county shall include taxes on classified motor vehicles in the tax levy for  
32 the fiscal year in which the taxes become due and shall charge the taxes to the tax  
33 collector for that year.

34 **"§ 105-330.6. Motor vehicle tax year; transfer of plates; surrender of plates.**

35 (a) The tax year for a classified motor vehicle listed pursuant to G.S. 105-  
36 330.3(a)(1) shall begin on the first day of the first month following the date on which  
37 the registration expires or the new registration is applied for and end on the last day of  
38 the 12th month following the date on which the registration expires or the new  
39 registration is applied for. The tax year for a classified motor vehicle listed pursuant to  
40 G.S. 105-330.3(a)(2) shall be the fiscal year that opens in the calendar year in which the  
41 vehicle is required to be listed.

42 (b) If the owner of a classified motor vehicle listed pursuant to G.S. 105-  
43 330.3(a)(1) transfers the registration plates from the listed vehicle to another classified  
44 motor vehicle pursuant to G.S. 20-64 during the listed vehicle's tax year, the vehicle to

1 which the plates are transferred is not required to be listed or taxed until the current  
2 registration expires or is renewed.

3 (c) If the owner of a classified motor vehicle listed pursuant to G.S. 105-  
4 330.3(a)(1) surrenders the registration plates from the listed vehicle to the Division of  
5 Motor Vehicles and at the date of surrender one or more full calendar months remains in  
6 the listed vehicle's tax year, the owner may apply for a release or refund of taxes on the  
7 vehicle for the full calendar months remaining after surrender. To apply for a release or  
8 refund, the owner must present to the county tax collector the certificate received from  
9 the Division of Motor Vehicles accepting surrender of the registration plates. The  
10 county tax collector shall then multiply the amount of the taxes for the tax year on the  
11 vehicle by a fraction, the denominator of which is 12 and the numerator of which is the  
12 number of full calendar months remaining in the vehicle's tax year after the date of  
13 surrender of the registration plates. The product of the multiplication is the amount of  
14 taxes to be released or refunded. If the taxes have not been paid at the date of  
15 application, the county tax collector shall make a release of the prorated taxes and credit  
16 the owner's tax receipt with the amount of the release. If the taxes have been paid at the  
17 date of application, the county tax collector shall direct an order for a refund of the  
18 prorated taxes to the county finance officer, and the finance officer shall issue a refund  
19 to the vehicle owner.

20 **"§ 105-330.7. List of delinquents sent to Division of Motor Vehicles.**

21 On the 10th day of each month the county tax collector shall prepare a list with the  
22 name and address of the owner and the vehicle identification number of every classified  
23 motor vehicle on which taxes remain unpaid on that date and on which taxes became  
24 due on the first day of the fourth month preceding that date. The tax collector shall mail  
25 that list to the Division of Motor Vehicles. The list shall be in such form and contain  
26 such information as the Division of Motor Vehicles may require.

27 **"§ 105-330.8. Deadlines not extended.**

28 Except as otherwise provided in this Article, the provisions of G.S. 105-395.1 and  
29 G.S. 103-5 do not apply to deadlines established in this Article."

30 Sec. 2. Article 22 of Chapter 105 of the General Statutes is amended by  
31 adding a new section to read:

32 **"§ 105-329. Article inapplicable to classified motor vehicles.**

33 The provisions of this article do not apply to the listing, appraisal, and assessment of  
34 classified motor vehicles, as defined in G.S. 105-330.1."

35 Sec. 3. G.S. 105-373 is amended by adding a new subsection (h) to read:

36 "(h) Relief from Collecting Taxes on Classified Motor Vehicles. The board of  
37 county commissioners may, in its discretion, relieve the tax collector of the charge of  
38 taxes on classified motor vehicles that are one year or more past due when it appears to  
39 the board that the taxes are uncollectible. This relief, when granted, shall include  
40 municipal and special district taxes charged to the collector."

41 Sec. 4. G.S. 20-50.2 is repealed.

42 Sec. 5. Article 3 of Chapter 20 of the General Statutes is amended by adding  
43 two new sections to read:

44 **"§ 20-50.3. Division to furnish county assessors registration lists.**

1       On the 10th day of each month the Division shall send to each county assessor a list  
2 of vehicles for which registration was renewed or a new registration was obtained in  
3 that county during the second month preceding that date, with the name and address of  
4 each vehicle owner.

5 **§ 20-50.4. Division to refuse to register vehicles on which taxes are delinquent.**

6       Upon receiving the list of motor vehicle owners and motor vehicles sent by county  
7 tax collectors pursuant to G.S. 105-330.7, the Division shall refuse to register for the  
8 owner named in the list any vehicle identified in the list until the vehicle owner presents  
9 the Division with a paid tax receipt identifying the vehicle for which registration was  
10 refused. The Division shall not refuse to register a vehicle for a person, not named in  
11 the list, to whom the vehicle has been transferred in good faith. Where a motor vehicle  
12 owner named in the list has transferred the registration plates from the motor vehicle  
13 identified in the list to another motor vehicle pursuant to G.S. 20-64 during the first  
14 vehicle's tax year, the Division shall refuse registration of the second vehicle until the  
15 vehicle owner presents the Division with a paid tax receipt identifying the vehicle from  
16 which the plates were transferred."

17       Sec. 6. G.S. 20-66(d) reads as rewritten:

18       "(d) The Division may also provide for the issuance of license plates for motor  
19 vehicles with the dates of expiration thereof to vary from month to month so as to  
20 approximately equalize the number that expire during a registration period of one or two  
21 years. ~~the registration year. A person may purchase a license plate for a period of two years,~~  
22 ~~but the Division shall not solicit, encourage, or require the purchase of a license plate for a~~  
23 ~~period of more than one year."~~

24       Sec. 7. G.S. 105-312 reads as rewritten:

25 **§ 105-312. Discovered property; appraisal; penalty.**

26       (a) Definitions. – For purposes of this Subchapter:

- 27       (1) The phrase 'discovered property' shall include property that was not  
28 listed by the taxpayer or any other person during a regular listing  
29 period and also property that was listed but with regard to the value,  
30 quantity, or other measurement of which the taxpayer made a  
31 substantial understatement in listing.
- 32       (2) The phrase 'failure to list property' shall include both the omission to  
33 list property during a regular listing period and the taxpayer's  
34 substantial understatement of value, quantity, or other measurement  
35 with regard to property listed.
- 36       (3) The phrase 'to discover property' shall refer to the determination that  
37 property has not been listed during a regular listing period and to the  
38 identification of the omitted item. For discoveries made after July 1,  
39 1971 and in future years, the phrase shall also refer to the  
40 determination that listed property was returned by the taxpayer with a  
41 substantial understatement of value, quantity, or other measurement.
- 42       (4) The phrase 'substantial understatement' as used in these definitions  
43 shall be interpreted to mean the omission of a material portion of the  
44 value, quantity, or other measurement of taxable property; the

1 determination of materiality in each case shall be made by the  
2 assessor, subject to the taxpayer's right to review of the determination  
3 by the county board of equalization and review or board of  
4 commissioners and appeal to the Property Tax Commission.

5 (b) Duty to Discover and Assess Unlisted Property. – It shall be the duty of the  
6 assessor to see that all property not properly listed during the regular listing period be  
7 listed, assessed and taxed as provided in this Subchapter. The assessor shall file reports  
8 of such discoveries with the board of commissioners in such manner as the board may  
9 require.

10 (c) Carrying Forward Real Property. – At the close of the regular listing period  
11 each year, the assessor shall compare the tax lists submitted during the listing period  
12 just ended with the lists for the preceding year, and he shall carry forward to the lists of  
13 the current year all real property that was listed in the preceding year but that was not  
14 listed for the current year. When carried forward, the real property shall be listed in the  
15 name of the taxpayer who listed it in the preceding year unless, under the provisions of  
16 G.S. 105-302, it must be listed in the name of another taxpayer. Real property carried  
17 forward in this manner shall be deemed to be discovered property, and the procedures  
18 prescribed in subsection (d), below, shall be followed unless the property discovered is  
19 listed in the name of the taxpayer who listed it for the preceding year and the property is  
20 not subject to appraisal under either G.S. 105-286 or G.S. 105-287 in which case no  
21 notice of the listing and valuation need be sent to the taxpayer.

22 (d) Procedure for Listing, Appraising, and Assessing Discovered Property. –  
23 Subject to the provisions of subsection (c), above, and the presumptions established by  
24 subsection (f), below, discovered property shall be listed by the assessor in the name of  
25 the person required by G.S. 105-302 or G.S. 105-306. The discovery shall be deemed to  
26 be made on the date that the abstract is made or corrected pursuant to subsection (e) of  
27 this section. The assessor shall also make a tentative appraisal of the discovered  
28 property in accordance with the best information available to him.

29 When a discovery is made, the assessor shall mail a notice to the person in whose  
30 name the discovered property has been listed. The notice shall contain the following  
31 information:

- 32 (1) The name and address of the person in whose name the property is  
33 listed;
- 34 (2) A brief description of the property;
- 35 (3) A tentative appraisal of the property;
- 36 (4) A statement to the effect that the listing and appraisal will become  
37 final unless written exception thereto is filed with the assessor within  
38 30 days from date of the notice.

39 Upon receipt of a timely exception to the notice of discovery, the assessor shall  
40 arrange a conference with the taxpayer to afford him the opportunity to present any  
41 evidence or argument he may have regarding the discovery. Within 15 days after the  
42 conference, the assessor shall give written notice to the taxpayer of his final decision.  
43 Written notice shall not be required, however, if the taxpayer signs an agreement  
44 accepting the listing and appraisal. In cases in which agreement is not reached, the

1 taxpayer shall have 15 days from the date of the notice to request review of the decision  
2 of the assessor by the board of equalization and review or, if that board is not in session,  
3 by the board of commissioners. Unless the request for review by the county board is  
4 given at the conference, it shall be made in writing to the assessor. Upon receipt of a  
5 timely request for review, the provisions of G.S. 105-322 or G.S. 105-325, as  
6 appropriate, shall be followed.

7 (e) Record of Discovered Property. – When property is discovered, the taxpayer's  
8 original abstract (if one was submitted) may be corrected or a new abstract may be  
9 prepared to reflect the discovery. If a new abstract is prepared, it may be filed with the  
10 abstracts that were submitted during the regular listing period, or it may be filed  
11 separately with abstracts designated 'Late Listings.' Regardless of how filed, the listing  
12 shall have the same force and effect as if it had been submitted during the regular listing  
13 period.

14 (f) Presumptions. – When property is discovered and listed to a taxpayer in any  
15 year, it shall be presumed that it should have been listed by the same taxpayer for the  
16 preceding five years unless the taxpayer shall produce satisfactory evidence that the  
17 property was not in existence, that it was actually listed for taxation, or that it was not  
18 his duty to list the property during those years or some of them under the provisions of  
19 G.S. 105-302 and G.S. 105-306. If it is shown that the property should have been listed  
20 by some other taxpayer during some or all of the preceding years, the property shall be  
21 listed in the name of the appropriate taxpayer for the proper years, but the discovery  
22 shall still be deemed to have been made as of the date that the assessor first listed it.

23 (g) Taxation of Discovered Property. – When property is discovered, it shall be  
24 taxed for the year in which discovered and for any of the preceding five years during  
25 which it escaped taxation in accordance with the assessed value it should have been  
26 assigned in each of the years for which it is to be taxed and the rate of tax imposed in  
27 each such year. The penalties prescribed by ~~subsections (h) and (h1)~~ subsection (h) of  
28 this section shall be computed and imposed regardless of the name in which the  
29 discovered property is listed. If the discovery is based upon an understatement of value,  
30 quantity, or other measurement rather than an omission from the tax list, the tax shall be  
31 computed on the additional valuation fixed upon the property, and the penalties  
32 prescribed by ~~subsections (h) and (h1)~~ subsection (h) of this section shall be computed on  
33 the basis of the additional tax.

34 (h) Computation of Penalties. – Having computed each year's taxes separately as  
35 provided in subsection (g), above, there shall be added a penalty of ten percent (10%) of  
36 the amount of the tax for the earliest year in which the property was not listed, plus an  
37 additional ten percent (10%) of the same amount for each subsequent listing period that  
38 elapsed before the property was discovered. This penalty shall be computed separately  
39 for each year in which a failure to list occurred; and the year, the amount of the tax for  
40 that year, and the total of penalties for failure to list in that year ~~including any penalty~~  
41 ~~imposed under subsection (h1) of this section~~ shall be shown separately on the tax records;  
42 but the taxes and penalties for all years in which there was a failure to list shall be then  
43 totalled on a single tax receipt.

1       ~~(h1) If the discovered property is a motor vehicle and the county assessor~~  
2 ~~determines from records of the Division of Motor Vehicles that the owner of the vehicle~~  
3 ~~falsely certified that he listed the vehicle for property taxes in violation of G.S. 20-~~  
4 ~~50.2(a)(1), the county assessor shall add a penalty of \$100.00 for failure to list that~~  
5 ~~vehicle in that county, which penalty shall be in addition to the penalties imposed by~~  
6 ~~subsection (h). This penalty shall be imposed only for the year in which the discovery~~  
7 ~~is made, regardless of the number of listing periods that elapsed before the motor~~
