8 Whereas, that act was temporary in nature and expired at the end of 1990; and

13 (a) A registered voter who has moved from one precinct to another within the  
14 same county more than 30 days before a primary or election, but who has not submitted  
15 a change of address report as provided in G.S. 163-72.2, nevertheless may vote under  
16 the following procedure:

17 (1) On the day of the primary or election the voter must go to the polling  
18 place for the precinct at which the voter is registered. If the precinct at  
19 which the voter is registered is not open for that election, the voter  
20 shall go instead to the county board of elections office or to another  
21 location designated by the board, at which place a board employee or  
22 election official designated by the board shall issue the certificate of  
23 removal and perform the other duties specified below for the precinct  
24 officials.

(3) Upon issuance of the certificate to the voter, the precinct official shall mark the voter's registration record with a 'T' in the appropriate voting square to indicate that the voter has transferred.

(4) The voter shall take the certificate of removal to the precinct transfer assistant at the county board of elections' office. Upon determining that the voter moved more than 30 days before the election, that the voter now resides in another precinct within the county, and that the voter is otherwise qualified to vote in the election, the precinct transfer assistant shall have the voter complete the proper precinct transfer forms. The precinct transfer assistant shall then provide the voter with the proper ballots, or access to the proper voting equipment, for the precinct where the voter now resides. If the voter fails to take the certificate of removal to the precinct transfer assistant at the county board of elections' office by the time the polls close on election day, the voter may at a later date submit a change of address report under G.S. 163-72.2 to become effective as provided by law.

(5) After marking the ballots, or using the voting equipment in a booth or separate room provided for ~~that purpose voting,~~ the voter shall place the ballots, if any, in an envelope provided by the precinct transfer assistant. ~~That envelope shall have printed or stamped on it the following:~~

Transfer voter ballot # .....

Assigned precinct .....

1           ~~The precinct transfer assistant shall write the proper information in~~  
2           ~~the blanks before giving the envelope to the voter in the proper ballot~~  
3           ~~box.~~

4           (6) The precinct transfer assistant shall enter in a book provided by the  
5           board of elections the name of each voter permitted to vote under this  
6           section, ~~the number assigned to the voter's ballot and envelope,~~ the precinct  
7           in which the voter was previously registered, and the precinct to which  
8           the voter has transferred.

9           (7) ~~Envelopes containing ballots voted under this section shall be retained~~  
10          ~~to be opened and the ballots counted after the polls close on election~~  
11          ~~day. Ballots voted at the board office shall be counted after the polls~~  
12          ~~have closed by board members or assistants appointed by the board.~~  
13          Ballots voted at other locations shall be counted by the precinct  
14          transfer assistants assigned to those locations, aided by precinct  
15          officials or ballot counters for those locations, provided that if the  
16          other location is the polling place at which the person would have  
17          voted if a change of address report had been filed under G.S. 163-72.2  
18          prior to the close of registration for the election, the ballots shall be  
19          counted in the same manner as those of other voters. At each location  
20          ~~all envelopes shall be opened and all ballots deposited in the~~  
21          ~~appropriate boxes before any ballots are counted, and other than the~~  
22          ~~polling place at which the person would have voted if a change of~~  
23          ~~address report had been filed under G.S. 163-72.2 prior to the close of~~  
24          ~~registration for the election, the results of the counting shall be entered~~  
25          on duplicate transfer report forms signed by the officials responsible  
26          for the counting.

27                 ~~If the county board of elections designates a precinct voting place~~  
28                 ~~as a location for voting under this section, and only voters who now~~  
29                 ~~reside in that precinct are permitted to vote transfer ballots there, the~~  
30                 ~~board may direct the precinct officials to place the transfer ballots in~~  
31                 ~~the appropriate precinct ballot boxes immediately after the polls close~~  
32                 ~~and to count and report the results of the transfer ballots together with~~  
33                 ~~all other ballots voted in the precinct.~~

34           (8) A person voting under this section shall be entitled to the same  
35           assistance as provided in G.S. 163-152.

36           (9) The precinct officials and precinct transfer assistant may require a  
37           person to show identification if needed to establish that the person is  
38           entitled to vote under this section.

39           (b) The county board of elections shall either designate a board employee or  
40           appoint another person to serve as a precinct transfer assistant. County boards of

42           transfer assistants, and boards in counties with 100,000 or more registered voters may  
43           appoint three assistants. In addition, board members and employees may perform the  
44           duties of a precinct transfer assistant.

1 (c) The board may appoint precinct transfer assistants in addition to those  
2 authorized by subsection (b) and assign them to locations other than the board of  
3 elections' office, ~~provided the board adopts a resolution approving such additional~~  
4 ~~appointments and gives written notice to the State Board of Elections of the additional locations~~  
5 ~~at least 60 days before the election.~~ The board may provide that each polling place open  
6 for an election shall be an additional location, and that each voter shall, after receiving a  
7 certificate under subdivision (2) of subsection (a), go to vote at the polling place where  
8 they would have been assigned if they had filed a change of address report under G.S.  
9 163-72.2 prior to the time that registration closed for the election. If such provision is  
10 made, the registrar, judge, or precinct assistant issuing a certificate under subdivision  
11 (2) of subsection (a) shall notify the voter of the location of such polling place. If  
12 additional locations are established, the county board may make the appropriate changes  
13 in the forms and procedures to be used under subsection (a). To exercise any option  
14 permitted to it in this subsection, the county board of elections shall adopt a resolution  
15 and give written notice to the State Board of Elections at least 60 days before the  
16 election. The notice shall include the additional locations at which transfer voting will  
17 be allowed.

18 (d) Each precinct transfer assistant shall be paid at least thirty-five dollars  
19 (\$35.00) for the duties performed on election day, and may be paid additional  
20 compensation as recommended by the board of elections and authorized by the board of
