---DAY CARE ALLOCATION FORMULA

8 Sec. 53. (a) To simplify current day care allocation methodology and more 9 equitably distribute State day care funds, the Department of Human Resources shall 10 apply the following allocation formula to all noncategorical federal and State day care 11 funds used to pay the costs of necessary day care for minor children of needy families:

(1) One-third of budgeted funds shall be distributed according to the county's population in relation to the total population of the State;

(2) One-third of the budgeted funds shall be distributed according to the number of children under 6 years of age in a county who are living in families whose income is below the State poverty level in relation to the total number of children under 6 in the State in families whose income is below the poverty level; and

(3) One-third of budgeted funds shall be distributed according to the number of working mothers with children under 6 years of age in a county in relation to the total number of working mothers with children under 6 in the State.

Counties whose allocation, if based on previously used formulas, exceeds the 23 (b)allocation produced by the formula prescribed by this section may not have their 24 25 allocations reduced to the level that results from application of the new formula. Counties whose allocation, if based on previously used formulas, is less than the 26 27 allocation produced by the formula prescribed by this section shall continue to receive 28 the proportional share of those funds that they received pursuant to appropriations for 29 this purpose by the 1985 General Assembly. The formula prescribed by this section 30 shall not be implemented unless additional State or federal funds are made available. 31 The additional funds must be sufficient to apply the new formula without reducing any 32 county's allocation below the previous year's initial allocation for child day care.

(c) The Department of Human Resources shall distribute the funds appropriated
 and otherwise available to it for day care for minor children of needy families so as to
 serve the greatest number of children possible.

36 (d) No local matching funds may be required by the Department of Human
37 Resources as a condition of any locality's receiving any State day care funds
38 appropriated by this act unless federal law requires such a match.

40 —-WILLIE M.

41

42 Sec. 54. (a) It is the intent of the General Assembly that funds appropriated in
43 this act to the Department of Human Resources for serving members of the Willie M.
44 Class be expended only for programs serving members of the Willie M. Class identified

in Willie M., et al. vs. Martin, et al., formerly Willie M., et al. vs. Hunt, et al., including 1 2 evaluations of potential class members. It is recognized that therapeutic or economic 3 reasons may, at times, require certain of these services to serve a mixed clientele of 4 Willie M. Class members and other clients. To the maximum extent possible, however, these funds shall be expended solely for the benefit of Willie M. Class members. The 5 6 Department shall reallocate these funds among services to Willie M. Class members 7 during the year as it deems advisable in order to use the funds efficiently in providing 8 appropriate services to Willie M. Class children.

9 Funds appropriated to the Department of Public Education in this act for (b)10 members of the Willie M. Class, are to establish a supplemental reserve fund to serve only members of the class identified in Willie M., et al. vs. Martin, et al., formerly 11 12 Willie M., et al. vs. Hunt, et al. These funds shall be allocated by the State Board of 13 Education to the local education agencies to serve those class members who were not 14 included in the regular average daily membership and the census of children with 15 special needs, and to provide the additional program costs which exceed the per pupil allocation from the State Public School Fund and other State and federal funds for 16 17 children with special needs.

No State funds shall be expended on the placement and services of class 18 (c) 19 members in Willie M., et al. vs. Martin, et al., formerly Willie M., et al. vs. Hunt, et al. 20 or for any other thing or purpose arising out of this litigation, now or at any time in the 21 biennium, except for those funds appropriated in this act to the Departments of Public 22 Education and Human Resources for programs serving members of the Willie M. Class 23 identified in Willie M., et al. vs. Martin, et al., formerly Willie M., et al. vs. Hunt, et al., 24 and except for such funds as may be elsewhere appropriated by the General Assembly 25 specifically for such purposes. The above limitation shall not preclude the use of unexpended Willie M. funds from prior fiscal years to cover current or future needs of 26 27 the Willie M. program subject to approval by the Director of the Budget. Such 28 expenditures shall not be subject to the requirements of G.S. 143-18.

(d) Notwithstanding any other provision of law, if the Department of Human
Resources determines that a local program is not providing appropriate services to
members of the class identified in Willie M., et al. vs. Martin, et al., formerly Willie M.,
et al. vs. Hunt, et al., the Department may ensure the provision of these services through
contracts with public or private agencies or by direct operation by the Department of
such programs.

35 The Department of Human Resources and the Department of Public (e) 36 Education shall submit, by May 1 of each year, a joint report to the Governor and the General Assembly on the progress achieved in serving members of the Willie M. Class. 37 38 The report shall include the following unduplicated data for each county: (i) the 39 number of children nominated for the Willie M. Class; (ii) the number of children 40 actually identified as members of the Class in each county; (iii) the number of children served as members of the Class in each county; (iv) the number of children who remain 41 42 unserved; (v) the types and locations of treatment and education services provided to Class members; (vi) the cost of services, by type, to members of the Class; (viii) 43 44 information on the impact of treatment and education services on members of the Class.

Funds received by the Department of Human Resources for the tax 5 levied on mixed beverages under G.S. 18B-804(b)(8) shall be expended by the Department of Human Resources as prescribed by G.S. 18B-805(h). These funds shall 6 7 be matched by local funds in accordance with the State/local ratio established by the 8 current area mental health matching formula. These funds shall be allocated to the area 9 mental health programs for substance abuse services on a per capita basis as determined 10 by the Office of State Budget and Management's most recent estimates of county populations. 11
