A BILL TO BE ENTITLED

1  
2 AN ACT TO AMEND THE COUNTY SERVICE DISTRICTS LAW TO INCLUDE  
3 THE MAINTENANCE OF SUBSTANDARD PLATTED ROADS WITHIN THE  
4 PURPOSES FOR WHICH A DISTRICT MAY BE ESTABLISHED WITHIN  
5 COUNTIES SUBJECT TO THE RIDGE LAW.

6 The General Assembly of North Carolina enacts:

7 Section 1. G.S. 153A-301 is amended by adding new subsections to read:

8 "(d) The General Assembly finds that mountain counties have special problems in  
9 improving older roads, which do not meet State standards because of the special terrain  
10 which dramatically increases cost of road construction and maintenance.

11 (e) The board of commissioners of any county which contains a protected  
12 mountain ridge, as defined by G.S. 113A-206(6), may define any number of service  
13 districts in order to finance, provide, or maintain for the districts those roads shown on a  
14 plat of a subdivision or development where such plat has been recorded in the office of  
15 the register of deeds of the county, which platted roads are not maintained by the North  
16 Carolina Department of Transportation, were platted of record and offered for  
17 dedication prior to October 1, 1975, and have not been designated private roads  
18 pursuant to G.S. 136-102.6."

19 Sec. 2. This act is effective upon ratification.
