A BILL TO BE ENTITLED

1 AN ACT TO AUTHORIZE THE ISSUANCE OF ONE HUNDRED TWENTY
2 MILLION DOLLARS IN GENERAL OBLIGATION BONDS OF THE STATE,
3 SUBJECT TO A VOTE OF THE QUALIFIED VOTERS OF THE STATE, TO
4 PROVIDE FUNDS THROUGH GRANTS, REVOLVING LOANS, AND LOANS
5 TO LOCAL GOVERNMENT UNITS FOR WATER SUPPLY SYSTEMS,
6 WASTEWATER COLLECTION SYSTEMS, AND WASTEWATER
7 TREATMENT WORKS.

8
9 The General Assembly of North Carolina enacts:

10 Section 1. **Short title.**

11 This act shall be known and may be cited as the "North Carolina Clean Water
12 Bond Act of 1993".

13 Sec. 2. Findings and determinations.

14 It is the intent and purpose of the General Assembly by this act to provide for
15 the issuance of one hundred twenty million dollars (\$120,000,000) in general obligation
16 bonds of the State, and to provide that the proceeds realized from the sale of the bonds
17 shall be allocated as follows:

18 Twenty million dollars (\$20,000,000) to provide State matching funds
19 required to receive federal wastewater assistance funds and to provide additional
20 funding for the Clean Water Revolving Loan and Grant Fund established in Chapter
21 159G of the General Statutes to assist in the financing of the cost of improvements,
22 enlargements, extensions, and reconstruction of water supply systems, wastewater
23 collection systems, and wastewater treatment works, and the construction of new such
24 systems and works.

1 One hundred million dollars (\$100,000,000) to provide loans to local
2 government units to assist in the financing of the cost of improvements, enlargements,
3 extensions, and reconstruction of water supply systems, wastewater collection systems,
4 and wastewater treatment works, and the construction of new such systems and works.
5 Loans shall be made only to those local government units that are eligible for and that
6 qualify for loans from the Clean Water Revolving Loan and Grant Fund established in
7 Chapter 159G of the General Statutes.

8 The funds to be derived from the sale of the bonds authorized by this act are
9 sufficient to meet no more than a fraction of the needs which now exist and will arise in
10 the immediate future. For this reason although public necessity and the criteria
11 established by Chapter 159G of the General Statutes shall be the primary consideration
12 in granting and loaning funds, great emphasis shall also be placed on the creation of
13 efficient systems of regional wastewater disposal and regional water supply; and the
14 willingness and ability of local government units to meet their responsibilities through
15 sound fiscal policies, creative planning, and efficient operation and management.

6 (a) Revolving loans and grants.

7 The sum of twenty million dollars (\$20,000,000) of the proceeds of bonds
8 and notes shall be used and allocated for the same purposes for which funds in the Clean
9 Water Revolving Loan and Grant Fund may be used including, without limitation, to
10 provide funds to be used to make revolving loans and grants to local government units.
11 The revolving loans and grants shall be made for the purpose of paying the cost of water

16 unless the General Assembly has provided other funds for that purpose, in which event
17 such priority shall cease to exist to the extent of the availability of such other funds.
18 The proceeds may be (i) transferred directly to the Clean Water Revolving Loan and

26 notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer
27 in a special fund to be designated the "State Clean Water Bond Fund", which may
28 include such appropriate special accounts therein as may be determined by the State
29 Treasurer, and shall be disbursed as provided in this act.

30 Revolving loans or grants requiring the use of proceeds of the sale of bonds
31 or bond anticipation notes shall not be made in an aggregate amount exceeding twenty
32 million dollars (\$20,000,000) in the first fiscal year, beginning July 1, 1994.

33 (b) Loans.

34 The sum of one hundred million dollars (\$100,000,000) of the proceeds of
35 bonds and notes shall be used and allocated for loans to local government units for the
36 same purposes for which funds in the Clean Water Revolving Loan and Grant Fund may
37 be used. Repayments of the loans shall be used to pay, directly or indirectly, debt
38 service on the bonds and notes issued. Repayments shall be initially placed into such
39 fund or account as may be determined by the State Treasurer for the purpose of
40 determining compliance with applicable requirements of the federal tax law and shall be
41 expended and disbursed therefrom under the direction and supervision of the Director of
42 the Budget. The loans shall be made for the purpose of paying the cost of water supply
43 systems, wastewater collection systems, and wastewater treatment works. The proceeds
44 may be used to make loans directly to local government units qualifying for a loan from

2 effectuate the purposes of this act. The proceeds of bonds and notes shall be allocated

4 in G.S. 159G-4, except that no allocation shall be made as a State match of any federal
5 funds deposited into the Water Pollution Control Revolving Fund.

6 Loans requiring the use of proceeds of the sale of bonds or bond anticipation
7 notes shall not be made in an aggregate amount exceeding twenty-five million dollars
8 (\$25,000,000) in the first fiscal year, beginning July 1, 1994, or in an aggregate amount
9 exceeding fifty million dollars (\$50,000,000) in the first two fiscal years, or in an
10 aggregate amount exceeding seventy-five million dollars (\$75,000,000) in the first three
11 fiscal years, or in an aggregate amount exceeding one hundred million dollars
12 (\$100,000,000) in the first four fiscal years.

13 The proceeds of bonds and notes, including premium thereon, if any, except
14 the proceeds of bonds the issuance of which has been anticipated by bond anticipation
15 notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer
16 in a special fund to be designated the "State Clean Water Bond Fund", which may
17 include such appropriate special accounts therein as may be determined by the State
18 Treasurer, and shall be disbursed as provided in this act.

19 Sec. 6. Allocation of proceeds of bonds and notes.

20 The proceeds of the bonds and notes in the State Clean Water Bond Fund
21 shall be allocated and expended as provided in this act.

22 Any additional moneys which may be received by means of a grant or
23 grants from the United States of America or any agency or department thereof or from
24 any other source for deposit to the State Clean Water Bond Fund may be placed in the
25 State Clean Water Bond Fund or in a separate account or fund and shall be disbursed, to
26 the extent permitted by the terms of such grant or grants, without regard to any
27 limitations imposed by this act.

28 The proceeds of bonds and notes may be used with any other moneys made
29 available by the General Assembly for making loans authorized by this act, including
30 the proceeds of any other State bond issues, whether heretofore made available or which
31 may be made available at the session of the General Assembly at which this act is
32 ratified or any subsequent sessions. The proceeds of bonds and notes shall be expended
33 and disbursed under the direction and supervision of the Director of the Budget. The
34 funds provided by this act shall be disbursed for the purposes provided in this act upon
35 warrants drawn on the State Treasurer by the State Controller, which warrants shall not
36 be drawn until requisition has been approved by the Director of the Budget and which
37 requisition shall be approved only after full compliance with the Executive Budget Act,
38 Article 1 of Chapter 143 of the General Statutes, as it may be amended from time to
39 time.

30 paying the cost of clean water projects."

31 If a majority of those voting on the bond question in the election shall vote in

19 have the same validity for all purposes as if the officer had remained in office until
20 delivery and bonds or notes may bear the facsimile signatures of persons who at the
21 actual time of the execution of the bonds or notes shall be the proper officers to sign any

24 with respect to registration of the bonds or notes and any system for their registration,
25 shall be as the State Treasurer may determine in conformity with this act; provided,

34 newspapers and financial journals, mailing notices, inviting bids by correspondence,
35 negotiating contracts of purchase, or otherwise, the State Treasurer is authorized to sell
36 bonds or notes at one time or from time to time at such rate or rates of interest, which

40 State Treasurer from the proceeds of bonds or notes or other available moneys.

41 (d) Notes; repayment.

42 (1) By and with the consent of the Council of State, the State Treasurer is
43 hereby authorized to borrow money and to execute and issue notes of

1 the State for the same, but only in the following circumstances and

- 3 a. For anticipating the sale of bonds to the issuance of which the
4 Council of State shall have given consent, if the State Treasurer
5 shall deem it advisable to postpone the issuance of the bonds;
6 b. For the payment of interest on or any installment of principal of
7 any bonds then outstanding, if there shall not be sufficient funds
8 in the State treasury with which to pay the interest or
9 installment of principal as they respectively become due;
10 c. For the renewal of any loan evidenced by notes herein
11 authorized;
12 d. For the purposes authorized in this act; and
13 e. For refunding bonds or notes as herein authorized.

- 14 (2) Funds derived from the sale of bonds or notes may be used in the
15 payment of any bond anticipation notes issued under this act. Funds
16 provided by the General Assembly for the payment of interest on or
17 principal of bonds shall be used in paying the interest on or principal
18 of any notes and any renewals thereof, the proceeds of which shall
19 have been used in paying interest on or principal of the bonds.

20 (e) Refunding bonds and notes.

21 By and with the consent of the Council of State, the State Treasurer is
22 authorized to issue and sell refunding bonds and notes pursuant to the provisions of the
23 State Refunding Bond Act for the purpose of refunding bonds or notes issued pursuant
24 to this act. The refunding bonds and notes may be combined with any other issues of
25 State bonds and notes similarly secured.

26 (f) Tax exemption.

27 Bonds and notes shall be exempt from all State, county, and municipal
28 taxation or assessment, direct or indirect, general or special, whether imposed for the
29 purpose of general revenue or otherwise, excluding inheritance and gift taxes. The gain
30 from the transfer of bonds and notes shall be exempt from State income taxation to the
31 same extent as gain from the transfer of federal obligations. The interest on bonds and
32 notes shall not be subject to taxation as to income, nor shall the bonds and notes be
33 subject to taxation when constituting a part of the surplus of any bank, trust company, or
34 other corporation.

35 (g) Investment eligibility.

36 Bonds and notes are hereby made securities in which all public officers,
37 agencies, and public bodies of the State and its political subdivisions, all insurance
38 companies, trust companies, investment companies, banks, savings banks, savings and
39 loan associations, credit unions, pension or retirement funds, other financial institutions
40 engaged in business in the State, executors, administrators, trustees, and other
41 fiduciaries may properly and legally invest funds, including capital in their control or
42 belonging to them. Bonds and notes are hereby made securities which may properly

1 or obligations of the State or any political subdivision is now or may hereafter be
2 authorized by law.

3 (h) Faith and credit.

4 The faith and credit and taxing power of the State are hereby pledged for the
5 payment of the principal of and the interest on bonds and notes.

6 Sec. 9. Variable interest rates.

7 In fixing the details of bonds and notes, the State Treasurer may provide that
8 any of the bonds or notes may:

9 (1) Be made payable from time to time on demand or tender for purchase
10 by the owner thereof provided a credit facility supports the bonds or
11 notes, unless the State Treasurer specifically determines that a credit
12 facility is not required upon a finding and determination by the State
13 Treasurer that the absence of a credit facility will not materially and
14 adversely affect the financial position of the State and the marketing of
15 the bonds or notes at a reasonable interest cost to the State;

16 (2) Be additionally supported by a credit facility;

17 (3) Be made subject to redemption or a mandatory tender for purchase
18 prior to maturity;

19 (4) Bear interest at a rate or rates that may vary for such period or periods
20 of time, all as may be provided in the proceedings providing for the
21 issuance of the bonds or notes, including, without limitation, such
22 variations as may be permitted pursuant to a par formula; and

23 (5) Be made the subject of a remarketing agreement whereby an attempt is
24 made to remarket bonds or notes to new purchasers prior to their
25 presentment for payment to the provider of the credit facility or to the
26 State.

27 If the aggregate principal amount repayable by the State under a credit facility
28 is in excess of the aggregate principal amount of bonds or notes secured by the credit
29 facility, whether as a result of the inclusion in the credit facility of a provision for the
30 payment of interest for a limited period of time or the payment of a redemption
31 premium or for any other reason, then the amount of authorized but unissued bonds or
32 notes during the term of such credit facility shall not be less than the amount of such
33 excess, unless the payment of such excess is otherwise provided for by agreement of the
34 State executed by the State Treasurer.

35 Sec. 10. Interpretation of act.

36 (a) Additional method.

37 The foregoing sections of this act shall be deemed to provide an additional
38 and alternative method for the doing of the things authorized thereby and shall be
39 regarded as supplemental and additional to powers conferred by other laws, and shall
40 not be regarded as in derogation of any powers now existing.

41 (b) Statutory references.

42 References in this act to specific sections or Chapters of the General Statutes
43 or to specific acts are intended to be references to such sections, Chapters, or acts as
44 they may be amended from time to time by the General Assembly.

1 (c) Liberal construction.

2 This act, being necessary for the health and welfare of the people of the State,
3 shall be liberally construed to effect the purposes thereof.

4 (d) Inconsistent provisions.

5 Insofar as the provisions of this act are inconsistent with the provisions of any
6 general laws, or parts thereof, the provisions of this act shall be controlling.

7 (e) Severability.

8 If any provision of this act or the application thereof to any person or
9 circumstance is held invalid, such invalidity shall not affect other provisions or
10 applications of the act which can be given effect without the invalid provision or
11 application, and to this end the provisions of this act are declared to be severable.

12 Sec. 11. Effective date.

13 This act is effective upon ratification.
