A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE THE LEGISLATIVE RESEARCH COMMISSION TO  
STUDY THE DEVELOPMENT OF A LEAD HAZARD MANAGEMENT  
PROGRAM IN THIS STATE.

The General Assembly of North Carolina enacts:

Section 1. The Legislative Research Commission may study the need to  
develop a State Lead Hazard Management Program including the following issues:

- (1) Establishment of a State Program to assume responsibility and comply  
with federal regulations under Title IV of the Toxic Substances  
Control Act;
- (2) Certification of persons performing lead abatement activities and lead-  
based paint activities, including establishing and collecting lead  
certification fees as required under Title IV; and
- (3) Creation of lead abatement permits and permit fees to support the  
program.

Sec. 2. The LRC Committee on the State Lead Hazard Management Program  
shall report to the 1993 General Assembly, Regular Session 1994.

Sec. 3. There is appropriated from the General Fund to the Legislative  
Research Commission the sum of five thousand dollars (\$5,000) for the 1993-94 fiscal  
year to carry out the study of the State Lead Hazard Management Program.

Sec. 4. This act is effective upon ratification.
