1 A BILL TO BE ENTITLED
2 AN ACT TO PROVIDE FOR UNIFORM DRIVERS LICENSE AND VEHICLE
3 REGISTRATION INFORMATION.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 20-7 reads as rewritten:

6 "**§ 20-7. Issuance and renewal of drivers licenses.**

7 (a) License Required. – To drive a motor vehicle on a highway, a person must be
8 licensed by the Division under this Article or Article 2C of this Chapter to drive ~~that~~
9 ~~vehicle.~~ the vehicle and must carry the license while driving the vehicle. The Division
10 issues regular drivers licenses under this Article and issues commercial drivers licenses
11 under Article 2C.

12 A license authorizes the holder of the license to drive any vehicle included in the
13 class of the license and any vehicle included in a lesser class of license, except a vehicle
14 for which an endorsement is required. To drive a vehicle for which an endorsement is
15 required, a person must obtain both a license and an endorsement for the vehicle. A
16 regular drivers license is considered a lesser class of license than its commercial
17 counterpart.

18 The classes of regular drivers licenses and the motor vehicles that can be driven with
19 each class of license are:

- 1 (1) Class A. – A Class A license authorizes the holder to drive any of the
2 following:
3 a. A Class A motor vehicle that is exempt under G.S. 20-37.16
4 from the commercial drivers license requirements.
5 b. A Class A motor vehicle that has a combined GVWR of less
6 than 26,001 pounds and includes as part of the combination a
7 towed unit that has a GVWR of at least 10,001 pounds.
- 8 (2) Class B. – A Class B license authorizes the holder to drive any Class B
9 motor vehicle that is exempt under G.S. 20-37.16 from the commercial
10 drivers license requirements.
- 11 (3) Class C. – A Class C license authorizes the holder to drive any of the
12 following:
13 a. A Class C motor vehicle that is not a commercial motor vehicle.
14 b. When operated by a volunteer member of a fire department, a
15 rescue squad, or an emergency medical service (EMS) in the
16 performance of duty, a Class A or Class B fire-fighting, rescue,
17 or EMS motor vehicle or a combination of these vehicles.

18 The Commissioner may assign a unique motor vehicle to a class that is different
19 from the class in which it would otherwise belong.

20 A new resident of North Carolina who has a drivers license issued by another
21 jurisdiction must obtain a license from the Division within 30 days after becoming a
22 resident.

23 (a1) Motorcycles and Mopeds. – To drive a motorcycle, a person must have a
24 drivers license and a motorcycle endorsement. To obtain a motorcycle endorsement, a
25 person must demonstrate competence to drive a motorcycle by passing a road test and a
26 written or oral test concerning a motorcycle and must pay the fee for a motorcycle
27 endorsement. Neither a drivers license nor a motorcycle endorsement is required to
28 drive a moped.

29 (b) Repealed by Session Laws 1993, c. 368, s. 1, c. 533, s. 12, effective January
30 1, 1995.

31 ~~(e) (b1) Application and Tests. Application.~~ – To obtain a drivers license from the
32 Division, a person must complete an application form provided by the Division, present
33 at least two forms of identification approved by the Commissioner, be a resident of this
34 State, and demonstrate his or her physical and mental ability to drive safely a motor
35 vehicle included in the class of license for which the person has applied. The Division
36 may copy the identification presented or hold it for a brief period of time to verify its
37 ~~authenticity.~~ ~~To authenticity.~~ To obtain an endorsement, a person must demonstrate his
38 or her physical and mental ability to drive safely the type of motor vehicle for which the
39 endorsement is required. ~~The Division shall note an endorsement on the face of a drivers~~
40 ~~license.~~

41 The application form must request all of the following information:

- 42 (1) The applicant's full name.
43 (2) The applicant's mailing address and residence address.

- 1 (3) A physical description of the applicant, including the applicant's sex,
- 2 height, eye color, and hair color.
- 3 (4) The applicant's date of birth.
- 4 (5) The applicant's social security number.
- 5 (6) The applicant's signature.

6 The application form must also contain the disclosures concerning the request for an
7 applicant's social security number required by section 7 of the federal Privacy Act of
8 1974, Pub. L. No. 93-579. In accordance with 42 U.S.C. 405(c)(2)(C)(v), the Division
9 may disclose a social security number obtained under this subsection only for the
10 purpose of administering the drivers license laws and may not disclose the social
11 security number for any other purpose. The social security number of an applicant for a
12 license or of a licensed driver is therefore not a public record. A violation of the
13 disclosure restrictions is punishable as provided in 42 U.S.C. 405(c)(2)(C)(vii).

14 (c) Tests. – To demonstrate physical and mental ability, a person must pass an
15 examination. The examination may include road tests, vision tests, oral tests, and, in the
16 case of literate applicants, written tests, as the Division may require. The tests must
17 ensure that an applicant recognizes the handicapped international symbol of access, as
18 defined in G.S. 20-37.5. The Division may not require a person who applies to renew a
19 license that has not expired to take a written test or a road test unless one or more of the
20 following applies:

- 21 (1) The person has been convicted of a traffic violation since the person's
- 22 license was last issued.
- 23 (2) The applicant suffers from a mental or physical condition that impairs
- 24 the person's ability to drive a motor vehicle.

25 The Division may not require a person who is at least 60 years old to parallel park a
26 motor vehicle as part of a road test.

27 (c1) Insurance. – The Division may not issue a drivers license to a person until the
28 person has furnished proof of financial responsibility. Proof of financial responsibility
29 shall be in one of the following forms:

- 30 (1) A written certificate or electronically-transmitted facsimile thereof
- 31 from any insurance carrier duly authorized to do business in this State
- 32 certifying that there is in effect a nonfleet private passenger motor
- 33 vehicle liability policy for the benefit of the person required to furnish
- 34 proof of financial responsibility. The certificate or facsimile shall state
- 35 the effective date and expiration date of the nonfleet private passenger
- 36 motor vehicle liability policy and shall state the date that the certificate
- 37 or facsimile is issued. The certificate or facsimile shall remain
- 38 effective proof of financial responsibility for a period of 30
- 39 consecutive days following the date the certificate or facsimile is
- 40 issued but shall not in and of itself constitute a binder or policy of
- 41 insurance.
- 42 (2) A binder for or policy of nonfleet private passenger motor vehicle
- 43 liability insurance under which the applicant is insured, provided that

1 the binder or policy states the effective date and expiration date of the
2 nonfleet private passenger motor vehicle liability policy.

3 The preceding provisions of this subsection do not apply to applicants who do not
4 own currently registered motor vehicles and who do not operate nonfleet private
5 passenger motor vehicles that are owned by other persons and that are not insured under
6 commercial motor vehicle liability insurance policies. In such cases, the applicant shall
7 sign a written certificate to that effect. Such certificate shall be furnished by the
8 Division and may be incorporated into the license application form. Any material
9 misrepresentation made by such person on such certificate shall be grounds for
10 suspension of that person's license for a period of 90 days.

11 For the purpose of this subsection, the term 'nonfleet private passenger motor
12 vehicle' has the definition ascribed to it in Article 40 of General Statute Chapter 58.

13 The Commissioner may require that certificates required by this subsection be on a
14 form approved by the Commissioner.

15 The requirement of furnishing proof of financial responsibility does not apply to a
16 person who applies for a renewal of his drivers license and who is not required to take
17 the written examination.

18 Nothing in this subsection precludes any person from showing proof of financial
19 responsibility in any other manner authorized by Articles 9A and 13 of this Chapter.

20 (d) Repealed by Session Laws 1993, c. 368, s. 1, effective January 1, 1995.

21 (e) Restrictions. – The Division may impose any restriction it finds advisable on
22 a drivers license. ~~A restriction shall be noted on the face of the license.~~ It is unlawful for
23 the holder of a restricted license to operate a motor vehicle without complying with the
24 restriction and is the equivalent of operating a motor vehicle without a license. If any
25 applicant shall suffer from any physical defect or disease which affects his or her
26 operation of a motor vehicle, the Division may require to be filed with it a certificate of
27 such applicant's condition signed by some medical authority of the applicant's
28 community designated by the Division. This certificate shall in all cases be treated as
29 confidential. Nothing in this subsection shall be construed to prevent the Division from
30 refusing to issue a license, either restricted or unrestricted, to any person deemed to be
31 incapable of safely operating a motor vehicle. This subsection does not prohibit deaf
32 persons from operating motor vehicles who in every other way meet the requirements of
33 this section.

34 (f) Expiration and Temporary License. – The first drivers license the Division
35 issues to a person expires on the person's fourth or subsequent birthday that occurs after
36 the license is issued and on which the individual's age is evenly divisible by five, unless
37 this subsection sets a different expiration date. The first drivers license the Division
38 issues to a person who is at least 17 years old but is less than 18 years old expires on the
39 person's twentieth birthday. The first drivers license the Division issues to a person who
40 is at least 62 years old expires on the person's birthday in the fifth year after the license
41 is issued, whether or not the person's age on that birthday is evenly divisible by five.

42 A drivers license that was issued by the Division and is renewed by the Division
43 expires five years after the expiration date of the license that is renewed. A person may
44 apply to the Division to renew a license during the 60-day period before the license

1 expires. The Division may not accept an application for renewal made before the 60-
2 day period begins.

3 Any person serving in the armed forces of the United States on active duty and
4 holding a valid drivers license properly issued under this section and stationed outside
5 the State of North Carolina may renew the license by making application to the Division
6 by mail. Any other person, except a nonresident, who holds a valid drivers license
7 issued under this section and who is temporarily residing outside North Carolina, may
8 also renew by making application to the Division by mail. For purposes of this section
9 'temporarily' shall mean not less than 30 days continuous absence from North Carolina.
10 In either case, the Division may waive the examination and color photograph otherwise
11 required for the renewal of a drivers license, and may impose in lieu thereof any
12 conditions it considers appropriate to each particular application. A license renewed by
13 mail is a temporary license that expires 30 days after the person to whom it is issued
14 returns to this State.

15 (g) Repealed by Session Laws 1979, c. 667, s. 6.

16 (h) Repealed by Session Laws 1979, c. 113, s. 1.

17 (i) Fees. – The fee for a regular drivers license is the amount set in the following
18 table multiplied by the number of years in the period for which the license is issued:

<u>Class of Regular License</u>	<u>Fee For Each Year</u>
Class A \$ 3.75	
Class B 3.75	
Class C 2.50	

25 The fee for a motorcycle endorsement is one dollar and twenty-five cents (\$1.25) for
26 each year of the period for which the endorsement is issued. The appropriate fee must
27 be paid before a person receives a regular drivers license or an endorsement.

28 (i1) Restoration Fee. – Any person whose drivers license has been revoked
29 pursuant to the provisions of this Chapter, other than G.S. 20-17(2), shall pay a
30 restoration fee of twenty-five dollars (\$25.00). A person whose drivers license has been
31 revoked under G.S. 20-17(2) shall pay a restoration fee of fifty dollars (\$50.00) until the
32 end of the fiscal year in which the cumulative total amount of fees deposited under this
33 subsection in the General Fund exceeds five million dollars (\$5,000,000), and shall pay
34 a restoration fee of twenty-five dollars (\$25.00) thereafter. The fee shall be paid to the
35 Division prior to the issuance to such person of a new drivers license or the restoration
36 of the drivers license. The restoration fee shall be paid to the Division in addition to any
37 and all fees which may be provided by law. This restoration fee shall not be required
38 from any licensee whose license was revoked or voluntarily surrendered for medical or
39 health reasons whether or not a medical evaluation was conducted pursuant to this
40 Chapter. The twenty-five dollar (\$25.00) fee, and the first twenty-five dollars (\$25.00)
41 of the fifty-dollar (\$50.00) fee, shall be deposited in the Highway Fund. The remaining
42 twenty-five dollars (\$25.00) of the fifty-dollar (\$50.00) fee shall be deposited in the
43 General Fund of the State. The Office of State Budget and Management shall certify to
44 the Department of Transportation and the General Assembly when the cumulative total

1 amount of fees deposited in the General Fund under this subsection exceeds five million
2 dollars (\$5,000,000), and shall annually report to the General Assembly the amount of
3 fees deposited in the General Fund under this subsection.

4 It is the intent of the General Assembly to annually appropriate the funds deposited
5 in the General Fund under this subsection to the Board of Governors of The University
6 of North Carolina to be used for the Center for Alcohol Studies Endowment at The
7 University of North Carolina at Chapel Hill, but not to exceed this cumulative total of
8 five million dollars (\$5,000,000).

9 (j) Highway Fund. – The fees collected under this section and G.S. 20-14 shall
10 be placed in the Highway Fund.

11 (k) Repealed by Session Laws 1991, c. 726, s. 5, effective October 1, 1991.

12 (l) Learner's Permit. – Any person who except for lack of instruction in
13 operating a motor vehicle would be qualified to obtain a drivers license under this
14 Article may obtain a learner's permit. A learner's permit authorizes the permit holder to
15 drive a specified type or class of motor vehicle while in possession of the permit. A
16 learner's permit is valid for a period of 18 months after it is issued. The fee for a
17 learner's permit is ten dollars (\$10.00). A learner's permit may be renewed, or a second
18 learner's permit may be issued, for an additional period of 18 months. The permit
19 holder must, while operating a motor vehicle over the highways, be accompanied by a
20 person who is licensed to operate the motor vehicle being driven and is seated beside

27 education program that is approved by the State Superintendent of
28 Public Instruction and is offered at a public high school, a nonpublic
29 secondary school, or a licensed drivers training school.

30 (2) An applicant for certification under G.S. 20-218 as a school bus driver.

31 A restricted instruction permit authorizes the holder of the permit to drive a specified
32 type or class of motor vehicle when in possession of the permit, subject to any
33 restrictions imposed by the Division. The restrictions the Division may impose on a
34 permit include restrictions to designated areas and highways and restrictions prohibiting
