7 The General Assembly of North Carolina enacts:

8 Section 1. In addition to the construction delivery systems authorized by G.S.  
9 143-128, which allows the single prime contract system with single liability for  
10 construction and the separate prime contract system with split liability for construction,  
11 the Pamlico County Board of Commissioners may also use the construction  
12 management contract system with single liability for construction and the design and  
13 build contract system with single liability for design and construction. The Pamlico  
14 County Board of Commissioners may use whichever of these construction delivery  
15 systems that, in its sole discretion, is determined by the Pamlico County Board of  
16 Commissioners to save taxpayers money, improve the delivery of public facilities, or  
17 enhance the capital budgeting process.

18 Sec. 2. Notwithstanding any other provision of law, Martin County is  
19 authorized to construct a building and related facilities, including a parking lot, for use  
20 by the Northeast Regional Education Center.

21 Sec. 3. This act is effective upon ratification. Section 1 of this act expires  
22 June 30, 1995.
