34	section to read	•
35	" <u>§ 20-138.7.</u> T	Transporting an open container of alcoholic beverage after consuming
36	alco	hol.
37	(a) Offe	nse. – No person shall drive a motor vehicle:
38	<u>(1)</u>	On a highway or public vehicular area;
39	<u>(2)</u>	While there is an alcoholic beverage other than in the unopened
40		manufacturer's original container in the passenger area; and
41	<u>(3)</u>	While the driver is consuming alcohol or while alcohol remains in the
42		<u>driver's body.</u>

- (b) Subject to Implied-Consent Law. An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.
- (c) Odor Insufficient. The odor of an alcoholic beverage on the breath of the driver is insufficient evidence to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section, unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.
- (d) Alcohol Screening Test. Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violating subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission for Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to the manner of its use.
- (e) Punishment; Effect When Impaired Driving Offense Also Charged. Violation of this section is a Class 3 misdemeanor. Violation of this section is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the punishment imposed by the court shall not exceed the maximum applicable to the offense involving impaired driving, and any minimum applicable punishment shall be imposed.
- (f) Definitions. If the seal on a container of alcoholic beverages has been broken, it is opened within the meaning of this section. For purposes of this section, 'passenger area of a motor vehicle' means the area designed to seat the driver and passengers and any area within the reach of a seated driver or passenger, including the glove compartment. In the case of a station wagon, hatchback, or similar vehicle, the area behind the last upright back seat shall not be considered part of the passenger area. The term 'alcoholic beverage' is as defined in G.S. 18B-101(4).
- (g) Pleading. In any prosecution for a violation of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges that the defendant drove a motor vehicle on a highway or public vehicular area with an open container of alcoholic beverage after drinking.
- (h) Limited Driving Privilege. A person convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided for in G.S. 20-179.3. The judge may issue the limited driving privilege only if the driver meets the eligibility requirements of G.S. 20-179.3, except that requirement (b)(1)c. shall only apply if the driver was charged with driving while impaired arising out of the same transaction. The same terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply."
 - Sec. 11. G.S. 18B-401 reads as rewritten:
- "§ 18B-401. Manner of transportation.

- (a) Opened Containers. It shall be unlawful for a person to transport fortified wine or spirituous liquor in the passenger area of a motor vehicle in other than the manufacturer's unopened original container. It shall be unlawful for a person who is driving a motor vehicle on a highway or public vehicular area to consume in the passenger area of that vehicle any malt beverage or unfortified wine. Violation of this subsection shall constitute a Class 3 misdemeanor.
- (b) Taxis. It shall be unlawful for a person operating a for-hire passenger vehicle as defined in G.S. 20-4.01(27)b, to transport fortified wine or spirituous liquor unless the vehicle is transporting a paying passenger who owns the alcoholic beverage being transported. Not more than eight liters of fortified wine or spirituous liquor, or combination of the two, may be transported by each passenger. A violation of this subsection shall not be grounds for suspension of the driver's license for illegal transportation of intoxicating liquors under G.S. 20-16(a)(8).
- (c) Definitions. The definitions in Chapter 20 of the General Statutes apply in interpreting this section. If the seal on a container of alcoholic beverages has been broken, it is opened within the meaning of this section. For purposes of this section, "passenger area of a motor vehicle" means the area designed to seat the driver and passengers and any area within the reach of a seated driver or passenger, including the glove compartment. In the case of a station wagon, hatchback or similar vehicle, the area behind the last upright back seat shall not be considered part of the passenger area."
- PART VI.—INCREASING THE REVOCATION PERIOD FOR PRETRIAL CIVIL REVOCATION FOR DRIVERS CHARGED WITH IMPAIRED DRIVING OFFENSES FROM TEN TO THIRTY DAYS.
- Sec. 12. G.S. 20-16.2(a), as rewritten by Section 7 of this act, reads as rewritten:
- "(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights. Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if charged with an implied-consent offense. The charging officer must designate the type of chemical analysis to be administered, and it may be administered when the officer has reasonable grounds to believe that the person charged has committed the implied-consent offense.

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged must be taken before a chemical analyst authorized to administer a test of a person's breath, who must inform the person orally and also give the person a notice in writing that:

- (1) He has a right to refuse to be tested.
- (2) Refusal to take any required test or tests will result in an immediate revocation of his driving privilege for at least <u>10–30</u> days and an additional 12-month revocation by the Division of Motor Vehicles.
- (3) The test results, or the fact of his refusal, will be admissible in evidence at trial on the offense charged.
- (4) His driving privilege will be revoked immediately for at least 10-30 days if:

l	a. The test reveals an alcohol concentration of 0.08 or more;
2	or
3	b. He was driving a commercial motor vehicle and the test
4	reveals an alcohol concentration of 0.04 or more.
5	(5) He may have a qualified person of his own choosing administer a
6	chemical test or tests in addition to any test administered at the
7	direction of the charging officer.
8	(6) He has the right to call an attorney and select a witness to view for
9	him the testing procedures, but the testing may not be delayed for
10	these purposes longer than 30 minutes from the time he is notified of
11	his rights.
12	If the charging officer or an arresting officer is authorized to administer a chemical
13	analysis of a person's breath, the charging officer or the arresting officer may give the
14	person charged the oral and written notice of rights required by this subsection. This
15	authority applies regardless of the type of chemical analysis designated."
16	Sec. 13. G.S. 20-16.2(i) reads as rewritten:
17	"(i) Right to Chemical Analysis before Arrest or Charge. – A person stopped or
18	questioned by a law-enforcement officer who is investigating whether the person may
19	have committed an implied-consent offense may request the administration of a chemical
20	analysis before any arrest or other charge is made for the offense. Upon this request, the
21	officer must afford the person the opportunity to have a chemical analysis of his breath, if
22	available, in accordance with the procedures required by G.S. 20-139.1(b). The request
23	constitutes the person's consent to be transported by the law-enforcement officer to the
24	place where the chemical analysis is to be administered. Before the chemical analysis is
25	made, the person must confirm his request in writing and he must be notified:
26	(1) That the test results will be admissible in evidence and may be used
27	against him in any implied-consent offense that may arise;
28	(2) That his license will be revoked for at least 10 -30 days if:
29	a. The test reveals an alcohol concentration of 0.08 or more;
30	or
31	b. He was driving a commercial motor vehicle and the test
32	results reveal an alcohol concentration of 0.04 or more.
33	(3) That if he fails to comply fully with the test procedures, the officer
34	may charge him with any offense for which the officer has probable
35	cause, and if he is charged with an implied-consent offense, his
36	refusal to submit to the testing required as a result of that charge
37	would result in revocation of his driver's license. The results of the
38	chemical analysis are admissible in evidence in any proceeding in
39	which they are relevant."
40	Sec. 14. G.S. 20-16.5(e) reads as rewritten:

any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must enter an order revoking the person's driver's license for the period required in this subsection. The judicial official must order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official must give the person a copy of the revocation order. In addition to setting it out in the order the judicial official must personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for 10-30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until 10 30 days from the date the revocation order is issued and the person has paid the applicable costs. In all other cases, the pick-up order must be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Sec. 15. G.S. 20-16.5(f) reads as rewritten:

Procedure if Report Filed with Clerk of Court When Person Not Present. -"(f) When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk must determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must mail to the person a revocation order by first-class mail. The order must direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order must inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order must be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

- Ten Thirty days from the time the person surrenders his license to **(1)** 1 2 the court, if the surrender occurs within five working days of the 3 effective date of the order; or 4 Ten Thirty days after the person appears before the clerk and **(2)** 5 demonstrates that he is not currently licensed to drive, if the 6 appearance occurs within five working days of the effective date of 7 the revocation order; or Thirty-Ninety days from the time: 8 (3) 9 The person's driver's license is picked up by a law-10 enforcement officer following service of a pick-up order; 11 12 b. The person demonstrates to a law-enforcement officer 13 who has a pick-up order for his license that he is not 14 currently licensed; or
 - c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or
 - d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it must inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection must return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order must deposit it with the clerk within three days of the surrender."

Sec. 16. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. – Except as provided below, the clerk must mail a report to the Division within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed. The report must identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a ten-day-30-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the 10-day-30-day period had elapsed."

Sec. 17. G.S. 20-28(a1) reads as rewritten:

Sec. 21. G.S. 20-179(m) reads as rewritten:

"(m) Assessment and Treatment Required in Certain Cases. – If a defendant being sentenced under this section is placed on probation, he shall be required as a condition of that probation to obtain a substance abuse assessment.

The judge shall require the defendant to obtain the assessment from an area mental health agency, its designated agent, or a private facility licensed by the State for the treatment of alcoholism and substance abuse. Unless a different time limit is specified in the court's judgment, the defendant shall schedule the assessment within 30 days from the date of the judgment. Any agency performing assessments shall give written notification of its intention to do so to the area mental health authority in the catchment area in which it is located and to the Department of Human Resources. The Secretary of the Department of Human Resources may adopt rules to implement the provisions of this subsection, and these rules may include provisions to allow defendant to obtain assessments and treatment from agencies not located in North Carolina. The assessing agency shall give the client a standardized test capable of providing uniform research data, including, but not limited to, demographic information, defendant history, assessment results and recommended interventions, approved by the Department of Human Resources to determine chemical dependency. A clinical interview concerning the general status of the defendant with respect to chemical dependency shall be conducted by the assessing agency before making any recommendation for further treatment. A recommendation made by the assessing agency shall be signed by a 'Certified Alcoholism, Drug Abuse or Substance Abuse Counselor', as defined by the Department of Human Resources.

If the assessing agency recommends that the defendant participate in a treatment program, the judge may require the defendant to do so, and he shall require the defendant to execute a Release of Information authorizing the treatment agency to report his progress to the court or the Department of Correction. The judge may order the defendant to participate in an appropriate treatment program at the time he is ordered to obtain an assessment, or he may order him to reappear in court when the assessment is completed to determine if a condition of probation requiring participation in treatment should be imposed. An order of the court shall not require the defendant to participate in any treatment program for more than 90 days unless a longer treatment program is

recommended by the assessing agency and his alcohol concentration was .15-0.13 or greater as indicated by a chemical analysis taken when he was charged or this was a second or subsequent offense within five years. At the time of sentencing the judge shall require the defendant to pay one hundred twenty-five dollars (\$125.00). The payment of the fee of one hundred twenty-five dollars (\$125.00) shall be (i) fifty dollars (\$50.00) to the assessing agency and (ii) seventy-five dollars (\$75.00) to either a treatment facility or to an alcohol and drug education traffic school depending upon the recommendation made by the assessing agency. Fees received by the Area Mental Health, Developmental Disabilities, and Substance Abuse Authorities under this section shall be administered pursuant to G.S. 20-179.2(e), provided, however that the provisions of G.S. 20-179.2(c) shall not apply to monies received under this section. The operators of the local alcohol and drug education traffic school may change the length of time required to complete the school in accordance with administrative costs, provided, however that the length and the curriculum of the school shall be approved by the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services and in no event shall the school be less than five hours in length. If the defendant is treated by an area mental health facility, G.S. 122C-146 applies after receipt of the seventy-five dollar (\$75.00) fee. If an area mental health facility or its contractor is providing treatment or education services to a defendant pursuant to this subsection, the area facility or its contractor may require that the defendant pay the fees prescribed by law for the services before it certifies that the defendant has completed the recommended treatment or educational program. Any determinations with regard to the defendant's ability to pay the assessment fee shall be made by the judge.

In those cases in which no substance abuse handicap is identified, that finding shall be filed with the court and the defendant shall be required to attend an alcohol and drug education traffic school. When treatment is required, the treatment agency's progress reports shall be filed with the court or the Department of Correction at intervals of no greater than six months until the termination of probation or the treatment agency determines and reports that no further treatment is appropriate. If the defendant is required to participate in a treatment program and he completes the recommended treatment, he does not have to attend the alcohol and drug education traffic school. Upon the completion of the court-ordered assessment and court-ordered treatment or school, the assessing or treatment agency or school shall give the Division of Motor Vehicles the original of the certificate of completion, shall provide the defendant with a copy of that certificate, and shall retain a copy of the certificate on file for a period of five years. The Division of Motor Vehicles shall not reissue the drivers license of a defendant ordered to obtain assessment, participate in a treatment program or school unless it has received the original certificate of completion from the assessing or treatment agency or school or a certificate of completion sent by the agency subsequent to a court order as hereinafter provided; provided, however that a defendant may be issued a limited driving privilege pursuant to G.S. 20-179.3. Unless the judge has waived the fee, no certificate shall be issued unless the agency or school has received the fifty dollar (\$50.00) fee and the seventy-five dollar (\$75.00) fee as appropriate. A defendant may within 90 days after an

agency decision to decline to certify, by filing a motion in the criminal case, request that a judge presiding in the court in which he was convicted review the decision of an assessment or treatment agency to decline to certify that the defendant has completed the assessment or treatment. The agency whose decision is being reviewed shall be notified at least 10 days prior to any hearing to review its decision. If the judge determines that the defendant has obtained an assessment, has completed the treatment, or has made an effort to do so that is reasonable under the circumstances, as the case may be, the judge shall order that the agency send a certificate of completion to the Division of Motor Vehicles.

The Department of Human Resources may approve programs offered in another state if they are substantially similar to programs approved in this State, and if that state recognizes North Carolina programs for similar purposes. The defendant shall be responsible for the fees at the approved program."

Sec. 22. G.S. 75A-10(b1) reads as rewritten:

- "(b1) No person shall operate any motorboat or motor vessel while underway on the waters of this State:
 - (1) While under the influence of an impairing substance, or
 - (2) After having consumed sufficient alcohol that he has, at any relevant time after the boating, an alcohol concentration of 0.10-0.08 or more.

The fact that a person charged with violating this subsection is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this subsection or subsection (b) above.

The relevant definitions contained in G.S. 20-4.01 shall apply to this subsection and subsection (b) above."

PART IX.—-EFFECTIVE DATE.

Sec. 23. Sections 7 and 23 of this act are effective upon ratification. The remaining sections of this act become effective September 15, 1995, and apply to offenses committed on or after that date and to limited driving privileges issued on or after that date. Except for Section 7 of this act which applies to all pending matters, this act shall not be construed to abate or affect any charges or violations occurring before the effective dates of the sections of this act.
