3 signed by twenty-five percent (25%) of the registered voters who are freeholders in the  
4 area proposed to be annexed, is received by the city, opposing the annexation, then the  
5 annexation ordinance shall become effective only if approved by the voters of the area to  
6 be annexed in a referendum conducted under subsection (e1) of this section, except that

24 annexed, or that on the effective date of annexation the municipality  
25 will have authority to issue bonds in an amount sufficient to finance  
26 such construction. If authority to issue such bonds must be secured  
27 from the electorate of the municipality prior to the effective date of  
28 annexation, then the effective date of annexation shall be no earlier than  
29 the day following the statement of the successful result of the bond  
30 election.
- 31 (4) Fix the effective date for annexation. The effective date of annexation

5 system of the municipality into the area to be annexed, or that on the  
6 effective date of annexation the municipality will have authority to issue  
7 bonds in an amount sufficient to finance such construction. If authority  
8 to issue such bonds must be secured from the electorate of the  
9 municipality prior to the effective date of annexation, then the effective  
10 date of annexation shall be no earlier than the day following the  
11 statement of the successful result of the bond election.
