2 to time, of bonds or notes to carry out its corporate purposes. The principal of, the
3 interest on, and any premium payable upon the redemption of the bonds or notes shall be
4 payable from the proceeds of bonds or renewal notes, or, in the event bond or renewal
5 note proceeds are not available, from any available revenues or other funds provided for
6 this purpose. The bonds or notes of each issue shall be dated and may be made
7 redeemable prior to maturity at the option of the Authority or otherwise, at one or more
8 prices, on one or more dates, and upon the terms and conditions set by the Authority.
9 The bonds or notes may also be made payable from time to time on demand or tender for
10 purchase by the owner upon terms and conditions set by the Authority. Notes and bonds
11 shall mature at times determined by the Authority, not exceeding 40 years from the date
12 of issue. The Authority shall determine the form and the manner of execution of the
13 bonds or notes, and shall fix the denomination of the bonds or notes and the place of
14 payment of principal and interest. In case an officer whose signature or a facsimile of
15 whose signature appears on any bonds or notes ceases to be an officer before the delivery
16 of the bond or note, the signature or facsimile shall nevertheless be valid and sufficient
17 for all purposes the same as if the officer had remained in office until delivery. The
18 Authority may also provide for the authentication of the bonds or notes by a trustee or
19 fiscal agent.

20 Bonds or notes may be issued under this Part without obtaining, except as otherwise
21 expressly provided in this Part, the consent of any department, division, commission,
22 board, body, bureau, or other agency of the State or of a political subdivision of the State,
23 and without any other proceedings or conditions except as specifically required by this
24 Part or the provisions of the resolution authorizing the issuance of, or any trust agreement
25 securing, the bonds or notes.

26 Prior to the preparation of definitive bonds, the Authority may issue interim receipts
27 or temporary bonds exchangeable for definitive bonds when the bonds have been
28 executed and are available for delivery. The Authority may also provide for the
29 replacement of any bonds or notes which have been mutilated, destroyed, or lost.

30 (b) Use of Proceeds. – The proceeds of a bond or note shall be used solely for the
31 purposes for which the bond or note was issued and shall be disbursed in accordance with
32 the resolution authorizing the issuance of a bond or note and with any trust agreement
33 securing the bond or note. If the proceeds of a bond or note of any issue, by reason of
34 increased construction costs or error in estimates or otherwise, is less than the cost,
35 additional bonds or notes may in like manner be issued to provide the amount of the
36 deficiency.

37 (c) Security. – Bonds or notes issued by an Authority may be secured in one or
38 more of the following ways:

39 (1) By the revenues of the regional facility.

40 (2) By security interests in real or personal property or interest therein,
41 including a leasehold interest, acquired with the proceeds of the bonds
42 or notes or improved with the proceeds of the bonds or notes as
43 described in subsection (e) of this section.

1 (3) With the approval of the county levying the tax, by receipts, if any, from
2 a room occupancy and prepared food and beverage tax levied by a
3 county and distributed to the Authority; provided, however, that any
4 agreement or undertaking by a county to distribute receipts, if any, from
5 the tax to the Authority may not obligate the county to exercise any
6 power of taxation, or restrict the ability of the county to repeal the tax.

7 The security for the bonds or notes shall be specified in the resolution or trust instrument
8 authorizing the bonds or notes.

9 (d) Revenues. – The Authority may pledge to the payment of its revenue bonds or
10 notes the revenues from the regional facility, including revenues from improvements,
11 betterments, or extensions to the facility. The Authority may establish, maintain, revise,
12 charge, and collect such rates, fees, rentals, or other charges for the use, services, and
13 facilities of or furnished by a regional facility and provide methods of collection of and
14 penalties for nonpayment of these rates, fees, rentals, or other charges. Except as
15 otherwise permitted, the rates, fees, rentals, and charges fixed and charged shall be in an
16 amount that will produce sufficient revenues, with any other available funds, to meet the
17 maintenance and operation expenses of the regional facility as well as any improvements
18 and renewals and replacements to the facility, including reserves to pay the principal,
19 interest, and redemption premium due, if any, on any bonds or notes secured by the
20 facility, and to fulfill the terms of any agreements made by the Authority with the holders
21 of bonds or notes secured by revenues of the facility.

22 (e) Security Interests. – Bonds or notes may be secured by security interests in any
23 real or personal property or interest therein, including a leasehold interest, either acquired
24 with the proceeds of bonds or notes, or upon which improvements are provided from the
25 proceeds of bonds or notes. The security interest may cover all real and personal
26 property acquired or improved or any portion of the property, except that if the property
27 subject to the security interest is a leasehold interest, the security interest is not to the fee
28 simple title. The Authority is authorized to enter into deeds of trust, mortgages, security
29 agreements, and similar instruments as shall be necessary to carry out the powers in this
30 subsection. Bonds or notes may also be secured by security interests in any real or
31 personal property conveyed to the Authority.

32 In the event the Authority fails to perform its obligations with respect to the bonds or
33 notes and foreclosure or similar sale of property subject to a security interest occurs, a
34 deficiency judgment may not be rendered against the Authority except to the extent that
35 the deficiency is payable from either revenues from the regional facility or from any
36 revenues dedicated by act of the General Assembly to the Authority.

37 (f) Issuance. – The issuance of bonds or notes of the Authority is subject to the
38 approval of the Local Government Commission. Upon the filing with the Local
39 Government Commission of a resolution of the Authority requesting that its bonds or
40 notes be sold, the Commission shall determine the manner in which the bonds or notes
41 will be sold and the price or prices at which the bonds or notes will be sold. In
42 determining whether to approve a proposed bond or note issue of the Authority, the Local
43 Government Commission shall consider the criteria for approval of revenue bonds under

1 G.S. 159-86. The Local Government Commission shall approve the proposed issue if it
2 determines the bond or note issue will meet such criteria and will effect the purposes of
3 this Part. With the approval of the Authority, the Local Government Commission shall
4 sell the bonds or notes either at public or private sale in the manner and at the prices
5 determined to be in the best interests of the Authority and to effect the purposes of this
6 Part.

7 (g) Certification of Approval. – Each bond or note that is represented by an
8 instrument shall contain a statement signed by the Secretary of the Local Government
9 Commission, or an assistant designated by the Secretary, certifying that the issuance of
10 the bond or note has been approved under this Part. The signature may be a manual
11 signature or a facsimile signature, as determined by the Local Government Commission.
12 Each bond or note that is not represented by an instrument shall be evidenced by a
13 writing relating to the obligation that identifies the obligation or the issue of which it is a
14 part, contains the signed statement certifying approval of the Local Government
15 Commission that is required on an instrument, and is filed with the Local Government
16 Commission. A certification of approval by the Local Government Commission is
17 conclusive evidence that a bond or note complies with this Part.

18 (h) State Pledge. – The State pledges to the holder of a bond or note issued under
19 this Part that, as long as the bond or note is outstanding and unpaid, the State will not
20 limit or alter the power the Authority had when the bond or note was issued in a way that
21 impairs the ability of the Authority to produce revenues sufficient with other available
22 funds to do all of the following:

- 23 (1) Maintain and operate the facility for which the bond or note was issued.
- 24 (2) Pay the principal of, interest on, and redemption premium, if any, of the
25 bond or note.
- 26 (3) Fulfill the terms of an agreement with the holder.

27 The State further pledges to the holder of a bond or note issued under this Part that the
28 State will not impair the rights and remedies of the holder concerning the bond or note.

29 (i) Investment Securities. – All bonds and notes and interest coupons, if any,
30 issued under this Part are made investment securities within the meaning of and for all
31 the purposes of Article 8 of the Uniform Commercial Code, as enacted in Chapter 25 of
32 the General Statutes.

33 (j) Details of Bonds or Notes. – In fixing the details of bonds or notes, the
34 Authority may provide that the bonds or notes may:

- 35 (1) Be payable from time to time on demand or tender for purchase by the
36 owner of the bond or note if a credit facility supports the bond or note,
37 unless the Local Government Commission specifically determines that a
38 credit facility is not required because the absence of a credit facility will
39 not materially and adversely affect the financial position of the
40 Authority and the marketing of the bonds or notes at a reasonable
41 interest cost to the Authority.
- 42 (2) Be additionally supported by a credit facility.

- 1 (3) Be made subject to redemption or a mandatory tender for purchase prior
2 to maturity.
- 3 (4) Be capital appreciation bonds.
- 4 (5) Bear interest at a rate or rates that may vary, including variations
5 permitted pursuant to a par formula.
- 6 (6) Be made the subject of a remarketing agreement whereby an attempt is
7 made to remarket the bonds or notes to new purchasers prior to their
8 presentment for payment to the provider of the credit facility or to the
9 Authority.

10 (k) Basis of Investment. – In connection with or incidental to the acquisition or
11 carrying of any investment relating to bonds, program of investment relating to bonds, or
12 carrying of bonds, the Authority may, with the approval of the Local Government
13 Commission, enter into a contract to place the investment or obligation of the Authority,
14 as represented by the bonds, investment, or program of investment and the contract or
15 contracts, in whole or in part, on an interest rate, currency, cash flow, or other basis,
16 including the following:

- 17 (1) Interest rate swap agreements, currency swap agreements, insurance
18 agreements, forward payment conversion agreements, and futures.
- 19 (2) Contracts providing for payments based on levels of, or changes in,
20 interest rates, currency exchange rates, or stock or other indices.
- 21 (3) Contracts to exchange cash flows or a series of payments.
- 22 (4) Contracts to hedge payment, currency, rate, spread, or similar exposure,
23 including interest rate floors or caps, options, puts, and calls.

24 The Authority may enter a contract of this type in connection with, or incidental to,
25 entering into or maintaining any agreement that secures bonds. A contract shall contain
26 the payment, security, term, default, remedy, and other terms and conditions the Board
27 considers appropriate. The Authority may enter a contract of this type with any person
28 after giving due consideration, where applicable, of the person's creditworthiness as
29 determined by a rating by a nationally recognized rating agency or any other criteria the
30 Board considers appropriate. In connection with, or incidental to, the issuance or
31 carrying of bonds, or the entering of any contract described in this subsection, the
32 Authority may enter into credit enhancement or liquidity agreements, with payment,
33 interest rate, termination date, currency, security, default, remedy, and other terms and
34 conditions as the Authority determines. Proceeds of bonds and any moneys set aside and
35 pledged to secure payment of bonds or any of the contracts entered into under this
36 subsection may be pledged to and used to service any of the contracts entered into under
37 this section.

38 **"§ 160A-480.9. Trust agreement or resolution.**

39 In the discretion of the Authority, any bonds or notes issued under this Part may be
40 secured by a trust instrument between the Authority and a bank or trust company or
41 individual within the State, or a bank or a trust company outside the State, as trustee. The
42 trust instrument or the resolution of the Authority authorizing the issuance of bonds or
43 notes may pledge and assign all or any part of the revenues, funds, and other property

1 provided for the security of the bonds, including proceeds from the sale of any project, or
2 part thereof, insurance proceeds, and condemnation awards, and may convey or mortgage
3 property to secure a bond issue as provided in this Part.

4 The revenues and other funds derived from the project, except any part thereof that
5 may be necessary to provide reserves therefor, if any, shall be set aside at regular
6 intervals as may be provided in the resolution or trust instrument in a sinking fund which
7 may be thereby pledged to, and charged with, the payment of the principal of and the
8 interest on the bonds or notes as they become due and of the redemption price or the
9 purchase price of bonds retired by call or purchase as therein provided. This pledge shall
10 be valid and binding from the time the pledge is made. The revenues so pledged and
11 thereafter received by the Authority shall immediately be subject to the lien of the pledge
12 without any physical delivery thereof or further act, and the lien of the pledge shall be
13 valid and binding as against all parties having claims of any kind in tort, contract, or
14 otherwise against the Authority, irrespective of whether the parties have notice of the
15 pledge. The use and disposition of money to the credit of such sinking fund shall be
16 subject to the provisions of the resolution or trust instrument. The resolution or trust
17 instrument may contain provisions for protecting and enforcing the rights and remedies of
18 the bondholders as may be reasonable and proper and not in violation of law, including,
19 without limitation, any one or more of the following:

- 20 (1) Acceleration of all amounts payable under the resolution or trust
21 instrument.
- 22 (2) Appointment of a receiver to manage the project and any other property
23 mortgaged or assigned as security for the bonds.
- 24 (3) Foreclosure and sale of the project and any other property mortgaged or
25 assigned as security for the bonds.
- 26 (4) Rights to bring and maintain other actions at law or in equity as may
27 appear necessary or desirable to collect the amounts payable under, or to
28 enforce the covenants made in, the security document.

29 It shall be lawful for any bank or trust company incorporated under the laws of this
30 State which may act as depository of the proceeds of bonds, revenues, or other funds
31 provided under this Part to furnish such indemnifying bonds or to pledge such securities
32 as may be required by the Authority. All expenses incurred in carrying out the provisions
33 of the resolution or trust instrument may be treated as a part of the cost of the project in
34 connection with which bonds or notes are issued or as an expense of administration of the
35 project.

36 The Authority may subordinate bonds or notes to any prior, contemporaneous, or
37 future securities or obligations or lien, mortgage, or other security interest securing bonds
38 or notes.

39 Any owner of bonds or notes issued under the provisions of this Part or any coupons
40 appertaining thereto, and the trustee under any trust agreement securing or resolution
41 authorizing the issuance of such bonds or notes, except to the extent the rights given may
42 be restricted by the trust agreement or resolution, may either at law or in equity, by suit,
43 action, mandamus, or other proceeding, protect and enforce any and all rights under the

1 laws of the State or granted hereunder or under the trust agreement or resolution, or under
2 any other contract executed by the Authority pursuant to this Chapter; and may enforce
3 and compel the performance of all duties required by this Part or by the trust agreement
4 or resolution by the Authority or by any officer of the Authority.

5 **"§ 160A-480.10. Trust funds.**

6 Notwithstanding any other provision of law to the contrary, all money received
7 pursuant to the authority of this Part, whether as proceeds from the sale of bonds or notes
8 or as revenues, shall be deemed to be trust funds to be held and applied solely as provided
9 in this Part. The resolution authorizing the issuance of, or the trust agreement securing,
10 any bonds or notes may provide that any of these moneys may be temporarily invested
11 and reinvested pending their disbursement and shall provide that any officer with whom,
12 or any bank or trust company with which, the moneys shall be deposited shall act as
13 trustee of the moneys and shall hold and apply the moneys for the purpose hereof, subject
14 to any regulations this Part and the resolution or trust agreement may provide. Any of
15 these moneys may be invested as provided in G.S. 159-30, as it may be amended from
16 time to time.

17 **"§ 160A-480.11. Faith and credit of State and units of local government not pledged.**

18 Bonds or notes issued under this Part shall not constitute a debt secured by a pledge of
19 the faith and credit of the State or a political subdivision of the State and shall be payable
20 solely from the revenues, property, and other funds pledged for their payment. The
21 bonds or notes issued by an Authority shall contain a statement that the Authority is
22 obligated to pay the bond or note or the interest on the bond or note only from the
23 revenues, property, or other funds pledged for their payment and that neither the faith and
24 credit nor the taxing power of the State or any political subdivision of the State is pledged
25 as security for the payment of the principal of or the interest or premium on the bonds or
26 notes.

27 **"§ 160A-480.12. Revenue refunding bonds.**
