2 AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE CITY OF
3 CHARLOTTE.

4 The General Assembly of North Carolina enacts:

5 Section 1. The Charter of the City of Charlotte is revised and consolidated to
6 read as follows:

7 **"THE CHARTER OF THE CITY OF CHARLOTTE.**

8 **"CHAPTER 1.**

9 **"ORGANIZATION AND POWERS.**

10 "Section 1.01. **Incorporation and Corporate Powers.** The City shall continue to be a
11 body politic and corporate by the name of "City of Charlotte."

12 "Section 1.02. **Existing Corporate Boundaries.** The corporate boundaries of the City
13 shall be those existing at the time of ratification of this Charter and as the same may be
14 altered from time to time in accordance with applicable laws.

15 **"CHAPTER 2.**

16 **"ELECTIONS.**

17 "Section 2.01. **Regular Municipal Elections; Conduct.** Regular municipal elections
18 shall be held in the City every two years in odd-numbered years, and shall be conducted
19 in accordance with the Uniform Municipal Elections Laws of North Carolina. The

1 Mayor and members of the Council shall be elected according to the partisan election
2 method authorized for municipalities.

3 "Section 2.02. **Election of the Mayor.** The Mayor shall be elected to serve a term of
4 two years. The Mayor shall be elected by the qualified voters of the City voting at large.

5 "Section 2.03. **Election of Council Members.** The Council shall consist of 11
6 members. The City shall be divided into seven single-member electoral districts; Council
7 members shall be apportioned to the districts so that each member represents the same
8 number of persons as nearly as possible, except for members apportioned to the City at
9 large. The qualified voters of each district shall nominate and elect candidates who
10 reside in the district for seats apportioned to that district, and all the qualified voters of
11 the City shall nominate and elect candidates apportioned to the City at large. There shall
12 be four at-large members of the City Council. All members of the Council shall serve a
13 term of two years.

14 **"CHAPTER 3.**
15 **"GOVERNING BODY.**

16 "Section 3.01. **Compensation of Mayor and Council members.** The salary of the
17 Mayor and each Council member shall be in such amounts as established by the Council
18 from time to time.

19 "Section 3.02. **Meetings.** Notwithstanding the provisions of general law, only the
20 Mayor, or in the absence of the Mayor, the Mayor Pro Tempore, or a majority of the
21 members of the Council may call special or emergency meetings.

22 "Secs. 3.03–3.22. Reserved.

23 "Section 3.23. **Quorum; Procedure; Voting.** (a) Six members of the Council shall
24 constitute a quorum. A member who has withdrawn from a meeting, whether excused or
25 not excused, shall be counted as present for purposes of determining a quorum.

26 (b) Its meetings shall be public and the Mayor, who shall be the official head of
27 the City, shall preside, if present, but shall have no vote except in case of a tie, or as
28 provided herein. Six affirmative votes of the Council members, or five of such
29 affirmative votes, together with the affirmative vote of the Mayor, in case of a tie vote,
30 shall be required for the passage of any motion, resolution, or ordinance. Motions,
31 resolutions, and ordinances granting special franchises and special privileges must be
32 voted on and passed at not less than two regular meetings of the Council. Except as
33 provided in this section, motions, resolutions, and ordinances will be deemed adopted if
34 passed upon one reading. Except for Council appointments to committees, boards, and
35 commissions; its employment of the City Manager, the City Attorney and the City Clerk;
36 its internal affairs and matters which must be approved by the voters, the Mayor may veto
37 any action adopted by the Council. The veto must be exercised at the meeting at which
38 the action was taken. An action vetoed by the Mayor shall automatically be on the agenda
39 at the next regular or special meeting of the Council, but shall not become effective
40 unless it was readopted by the Council with at least seven members voting in the
41 affirmative. In the absence of the Mayor, the Mayor Pro Tempore shall preside and, when
42 so presiding, shall have the right to vote upon all questions, but shall have no additional
43 vote in case of a tie, and shall not have veto power; and in the absence of both, a chair

1 Pro Tempore shall be chosen to preside at such meeting, and, when so presiding, he shall
2 have the right to vote upon all questions, but shall have no additional vote in case of a tie.
3 Provided further, however, the Mayor shall have a vote in the consideration of
4 amendments to zoning ordinances when said amendments are the subject of a valid
5 protest as defined by G.S. 160A-385. In voting on amendments to zoning ordinances, the
6 Mayor shall be deemed a member of the legislative body as that term is used in G.S.
7 160A-385. Provided further, however, the Mayor shall have a vote in the consideration of
8 the employment or dismissal of the City Manager, the City Attorney and the City Clerk.

9 "Section 3.24. **Powers and Duties of Mayor.** (a) The Mayor shall be ex officio
10 member of all boards or commissions elected or appointed by the Council or the Mayor,
11 and he shall serve upon the same in an advisory capacity only and shall not have a vote.

12 (b) In the absence or incapacity of the Mayor, all his duties, powers, and
13 obligations shall be vested in the Mayor Pro Tempore.

14 "CHAPTER 4.

15 "ADMINISTRATION.

16 "ARTICLE I. IN GENERAL.

17 "Section 4.01. **Form of Government.** The City shall operate under the Council-
18 Manager form of government.

19 "ARTICLE II. CITY MANAGER.

20 "Section 4.02. **Appointments by Council.** The Council shall appoint the City
21 Manager, City Clerk, and City Attorney, each of whom shall hold office during the
22 pleasure of the Council.

23 "Section 4.03. **Council-Manager Relationship.** The Council shall hold the City
24 Manager responsible for the proper management of the affairs of the City, and the City
25 Manager shall keep the Council informed of the conditions and needs of the City, and
26 shall make such reports and recommendations as may be requested by the Council or as
27 the City Manager may deem necessary. Neither the Mayor, the Council nor any member
28 thereof shall direct the conduct or activities of any City employee, directly or indirectly,
29 except through the City Manager.

30 "Section 4.04. **Acting City Manager.** The Council may from time to time designate a
31 department head or other City employee as acting City Manager who shall have the
32 authority, during any absence, illness, or other disability of the City Manager, or during
33 any temporary vacancy in the office of the City Manager, to exercise the powers and
34 duties of the City Manager, except as the Council may otherwise prescribe.

35 "Section 4.05. **Personnel Administration Standards.** The Council shall establish by
36 appropriate ordinances a system of personnel administration, not inconsistent with the
37 provisions for civil service hereinafter set forth, governing the appointment, promotion,
38 transfer, layoff, removal, discipline, and welfare of City employees. Such ordinances
39 shall be based upon the following general standards:

- 40 (1) Employment shall be based on merit without regard to race, creed,
41 color, sex, political affiliation, age, or physical defect or impairment of
42 the applicant unless the defect or impairment prevents the applicant
43 from performing, with reasonable accommodation, an essential function

1 of the employment sought. "Physical defect" or "impairment" shall be
2 defined to mean any physical disability, infirmity, malformation, or
3 disfigurement which is caused by bodily injury, birth defect, or illness
4 including epilepsy.

5 (2) Conditions of employment shall be maintained to promote efficiency
6 and economy in the operation of the City government.

7 (3) Position classification and compensation plans shall be established and
8 revised from time to time to meet changing conditions.

9 (4) Appointments and promotions shall be made solely on the basis of merit
10 and fitness, demonstrated by examination or other evidence of
11 competence.

12 (5) Tenure of employment shall be subject to satisfactory performance of
13 work, personal conduct compatible with the trust inherent in public
14 service, necessity for the performance of work, and availability of funds.

15 (6) Such ordinances shall also prescribe the details of personnel
16 organizations and procedures.

17 The City Council may, in its discretion, delegate all or any part of the authority
18 granted to it by G.S. 160A-162 to the City Manager.

19 "Section 4.06. **Optional Rights.** The City Manager may:

20 (1) Approve the:

21 a. Acquisition by the City of real property having a value of ten
22 thousand dollars (\$10,000) or less.

23 b. Acquisition or sale by the City of real property having a value of
24 more than ten thousand dollars (\$10,000), when the City
25 Manager certifies to the Council that the property is being
26 acquired or sold for the purpose of increasing the supply of
27 affordable housing available to low- or moderate-income
28 persons. The Manager shall, within 10 days of any transaction
29 authorized by this subdivision, report the details to the Council.

30 (2) Approve certain contracts as provided in Section 8.86 of this Charter.

31 (3) Approve agreements permitting encroachments into setbacks and rights-
32 of-way.

33 (4) Accept dedicated streets for City maintenance.

34 "Secs. 4.07–4.60. Reserved.

35 "ARTICLE III. CIVIL SERVICE.

36 "Section 4.61. **Civil service Board; Membership, Powers and Duties.** (a)

37 Establishment. There is hereby continued a civil service Board for the City of
38 Charlotte, to consist of five members and two alternates; three members and one alternate
39 to be appointed by the Council and two members and one alternate to be appointed by the
40 Mayor. Each member shall serve for a term of three years. In case of a vacancy on the
41 Board, the Council or the Mayor, as the case may be, shall fill such vacancy for the
42 unexpired term of said member. For the purposes of establishing a quorum of the Board,
43 any combination of Board members and alternates totaling three shall constitute a

1 quorum. All Board members and alternates shall attend regular meetings for the purposes
2 of meeting attendance policy and familiarity with Board business and procedures.
3 Alternates shall attend hearings when needed due to scheduling conflicts of regular Board
4 members and shall vote only when serving in the absence of a regular Board member.
5 Attendance at meetings and continued service on the Board shall be governed by the
6 attendance policies established by the Council. Vacancies resulting from a member's
7 failure to attend the required number of meetings or hearings shall be filled as provided
8 herein.

9 (b) Qualifications; Removal. The members of the Civil Service Board shall be
10 registered voters of the City of Charlotte or County of Mecklenburg and shall take an
11 oath to faithfully perform their duties. The members of said Board shall be subject to
12 removal from office by a two-thirds vote of the Council, with or without cause.

13 (c) Examinations. The Board shall establish and fix requirements for applicants for
14 employment in the fire and police departments. All applicants shall be subjected to
15 examination by or at the direction of said Board. The examination shall be competitive
16 and free to all persons meeting the requirements of the Board, subject to reasonable
17 limitations as to residence, age, health, and moral character; provided that:

18 (1) Applicants for employment in the fire department shall be at least 18
19 years of age, and

20 (2) Applicants for employment in the police department shall be at least 20
21 years of age.

22 The Council may, by ordinance, at any time and from time to time, fix and establish
23 such lesser maximum age limits for applicants as may be consistent with the needs of the
24 respective departments. The examination for applicants shall be practical in character and
25 shall be limited to matters which fairly test the relative ability of the applicant to
26 discharge the duties of the position applied for and shall include tests of physical
27 qualifications and health, but no applicant shall be examined concerning his political or
28 religious opinions or affiliations.

29 (d) Notice. Notice of time and place of every examination shall be given by the
30 Board for one week preceding such examination in a newspaper published in the City,
31 and such notice shall be posted in a conspicuous place in the office of the Board, or its
32 designee, for at least two weeks preceding such examination.

33 (e) Register. The Board shall prepare and keep a register of persons passing the
34 examination, graded according to the respective showings upon the examination, which
35 register shall determine the appointments to be made in each of the departments under the
36 eligibility rules and regulations established by the Board.

37 (f) Definitions. The terms "officer or employee" or "officer," as used in this Article,
38 shall mean sworn officers with regard to the police department and shall mean uniformed
39 personnel with regard to the fire department.

40 (g) Restrictions. No officer or employee of the fire and police departments shall
41 take any part in any election or political function while in uniform or on duty other than
42 that of exercising his right to vote. Any officer or employee found by the Board to have

1 violated this provision may be dismissed from service by the Board, or the Board may
2 adjudge other punishment.

3 (h) Relieving a Member From Duty. The chief of either the fire or police
4 department, or the officer in charge in the absence of the chief, may relieve an officer or
5 employee of the respective departments of all duties, and the chief, or the officer in
6 charge in the absence of the chief, shall provide such officer or employee with a written
7 complaint setting forth the department rules or regulations the officer or employee is
8 charged with violating, along with a statement of the basic facts supporting the charge,
9 and the chief, or the officer in charge in the absence of the chief, shall simultaneously cite
10 such officer to the Board for an automatic hearing as set forth herein with a
11 recommendation that such officer be dismissed from the department. Any officer so
12 relieved of duty shall not receive any pay or be assigned any duties until the Board has
13 acted upon the charges at the conclusion of its hearing. In the alternative, the chief, or the
14 officer in charge in the absence of the chief, may cite such officer to the Board for an
15 automatic hearing in accordance with the foregoing procedure, but without relieving the
16 officer from duty.

17 (i) Dismissal or Suspension of Officer. The chief of either the fire or police
18 department, or the officer in charge in the absence of the chief, may suspend without pay
19 for a period not exceeding 30 days, any officer or employee of the respective
20 departments. In suspending such officer, the chief, or the officer in charge in the absence
21 of the chief, will provide such officer with a written complaint setting forth the
22 department rules or regulations the officer is charged with violating, along with a
23 statement of the basic facts supporting the charge. Any such officer so suspended may
24 appeal to the Board by giving written notice of appeal to the Board with a copy to the
25 chief of such officer's department. Such notice of appeal must be received by the Board
26 within a period of 15 days from the date of the officer's suspension, whereupon a hearing
27 before the Board on such appeal shall be conducted as provided in subparagraph (c). Any
28 officer suspended without pay shall receive no pay for the period of suspension unless the
29 officer is found by the Board not to have committed the offense, or unless the Board
30 adjudges a different period of suspension without pay, in which case the officer shall
31 receive no pay for such different period of suspension.

32 (j) Appeal Hearings. Upon receipt of a citation for termination from either chief or
33 upon receipt of notice of appeal for a suspension from any civil service covered police
34 officer or firefighter, the Board shall hold a hearing not less than 15 days nor more than
35 30 days from the date the notice of appeal, or the citation, is received by the Board, and
36 shall promptly notify the officer of the hearing date. Termination hearings shall be held
37 with a panel of five made up of any combination of available members or alternates, and
38 suspension hearings shall be held with a panel of three made up of any combination of
39 available members or alternates. In the event an officer desires a hearing at a date other
40 than that set by the Board within the period set forth above, such officer may file a
41 written request for a change of hearing date setting forth the reasons for such request, and
42 the Chair of the Board is empowered to approve or disapprove such request; provided
43 that such request must be received by the Board at least seven days prior to the date set

1 for the hearing. For good cause, the Chair of the Board may set a hearing date other than
2 within the period set forth above, or may continue the hearing from time to time. In the
3 conduct of its hearing, each member of the Board shall have the power to subpoena
4 witnesses, administer oaths, and compel the production of evidence. If a person fails or
5 refuses to obey a subpoena issued pursuant to this subsection, the Board may apply to the
6 General Court of Justice, Superior Court Division, for an order requiring that its
7 subpoena be obeyed, and the court shall have jurisdiction to issue these orders after
8 notice to all parties. If any person, while under oath at a hearing of the Board, willfully
9 swears falsely, such person shall be guilty of a Class 1 misdemeanor. Both the officer and
10 the police or fire department shall have the right to present relevant evidence to the Board
11 at its hearing. The officer must be furnished with a copy of the charges which have been
12 brought against an officer and which will be heard by the Board. The officer shall be
13 required to answer questions from members of the Board or the Board's counsel;
14 however, the officer may refuse to answer any question where the answer might
15 incriminate the officer with respect to any criminal violation of State or federal laws. The
16 officer may be present at all evidentiary portions of the hearing, may retain counsel to
17 represent the officer at the hearing, and may cross-examine those witnesses who testify
18 against the officer. The officer will be given the right to an open or closed hearing as he
19 may elect. After the evidentiary portion of the hearing is concluded, the Board will
20 consider the evidence in closed session, and the Board will make findings of facts which
21 will be provided to the officer together with a statement of the action taken by the Board
22 on the basis of its findings of fact.

23 (k) General Powers of the Board. If, at the completion of its hearing, the Board
24 shall find that:

25 (1) An officer has not committed the offense or offenses with which such
26 officer has been charged, the Board may restore such officer to full duty
27 with reimbursement of any pay lost during the period the officer was
28 suspended or relieved from duty.

29 (2) An officer has committed the offense or offenses with which such
30 officer has been charged, the Board may issue an order:

31 a. Dismissing such officer;

32 b. Suspending such officer, without pay, for a period not exceeding
33 90 days; or

34 c. Imposing such other lesser punishment as it deems just and
35 proper.

36 The Board may suspend its dismissal or suspension without pay and
37 place such officer on probation for a period not to exceed one year upon
38 such reasonable conditions as the Board may deem appropriate. The
39 Board may order the department to furnish to the Board, during the
40 period of probation, such information regarding the officer as the Board
41 deems necessary.

42 (l) Appeal from Action of Board. Any officer may appeal from any order of the
43 Board to the Superior Court of Mecklenburg County by giving notice of appeal, in

1 writing, to the Superior Court within 10 days after the entry of the order. Assignments of
2 error must be filed with the court and served upon the Board within 30 days after the
3 entry of the order. The appeal to the Superior Court will be upon the record of the
4 proceedings before the Board at its hearing.

5 (m) Incapability of performance. In those situations where the chief of the fire or
6 police department determines that an officer of the respective department is permanently
7 disabled, the chief may cite that officer to the Board with a statement of the facts relating
8 to the inability of such officer to perform his duties, and the Board shall, upon receipt of
9 any such citation, hold a hearing as provided for herein, and the Board may dismiss such
10 officer if it finds that such officer can no longer perform his duty. Permanently disabled,
11 as used in this paragraph, shall mean the continuing or enduring incapacity because of
12 physical injury, sickness, or mental illness as determined by competent medical authority,
13 to earn the wages which the officer was receiving at the time of the injury, sickness, or
14 determination of mental illness in the same or any other related employment.

15 (n) Power of the Board to Require Investigation. The Board may require the chief
16 of the fire or police department to investigate any incident or circumstance involving
17 officers of such departments which shall come to the Board's attention; provided that a
18 majority of the Board shall first determine that such an investigation is in the public's
19 interest. The respective chief shall report the results of an investigation to the Board in
20 writing within a time to be set by the Board.

21 (o) The Board shall make an annual report of its actions for the preceding year,
22 and said annual report shall be kept in the files of the Board, and a copy delivered to the
23 Council.

24 (p) The City Clerk shall act as secretary to the Board and shall keep the minutes of
25 its meetings and shall be custodian of all papers and records pertaining to the business of
26 said Board and shall perform such other duties as the Board may require.

27 (q) The Council shall provide suitable rooms for the Board and shall provide
28 sufficient reasonable use of public buildings for meetings and hearings of said Board as
29 may be necessary.

30 (r) The members of said Board shall serve without compensation.

31 (s) Nothing in this Article shall be so construed as to deprive the Council of its
32 control of the finances of said City.

33 (t) The provisions of this Article pertaining to civil service coverage of officers
34 and employees of the fire and police departments shall not apply to the chief of the fire
35 department or the chief of the police department and shall not apply to an officer of the
36 police or fire department until he or she has been an officer of the respective department
37 for at least 12 months. During such 12-months' probationary period, he or she shall be
38 subject to discharge by the chief of such department under rules promulgated with respect
39 thereto, such rules to be approved by the Council.

40 (u) The chief of the police department and the chief of the fire department shall
41 have authority to make all promotions of officers of their respective departments, subject
42 to majority approval of the Civil Service Board. Promotions are probationary for six
43 months from the date they become effective. Any demotions, except voluntary

1 demotions, shall be made only after written charges are preferred and a hearing held
2 before the Civil Service Board. Except as otherwise provided, demotions must be
3 approved by a majority vote of the Board.

4 (v) Notwithstanding any other provisions of this Article, during any wartime
5 emergency and for six months thereafter, officers of the fire department and police
6 department may be employed on a temporary basis, and such temporarily employed
7 officers may be discharged by the City Manager without the preferment of charges.

8 (w) The Council may authorize the City Manager to appoint auxiliary officers of
9 the fire and police departments without previous examinations by the Civil Service
10 Board, who, subject to such rules and conditions as the chiefs of their respective
11 departments, shall prescribe shall have all the powers and duties of regular members of
12 the police and fire departments. Such auxiliary officers of the said departments shall be
13 subject to discharge by the City Manager, with or without cause, and without a hearing
14 before the Civil Service Board.

15 "CHAPTER 5.

16 "AUTHORITIES, BOARDS, AND COMMISSIONS.

17 "ARTICLE I. IN GENERAL.

18 "Section 5.01. **Powers of Mayor and Council.** (a) In addition to any authorities,
19 Boards or commissions now, or hereafter created and established by or pursuant to
20 general, local, or special law, or this Charter, the Council may create and establish, by
21 ordinance or resolution, such other authorities, boards, and commissions as it may deem
22 necessary or appropriate to the administration, regulation, and operation of services,
23 activities, and functions which the City is authorized by law to perform, regulate, and
24 carry on. It is desirable that in appointing persons to boards, commissions, and
25 authorities, the appointing authority should attempt to secure reasonable representation
26 on each such body of all sexes, races, geographic sections of the City, and political
27 parties. Provided, however, that such representation shall not be required, and the validity
28 of any appointment may not be challenged on grounds that such representation has not
29 been achieved.

30 (b) Any authority, board, commission, or other agency to which the Mayor or
31 Council appoints members or appropriates money is hereby required to furnish to the
32 Mayor and Council, upon request, such information as the Mayor and Council may deem
33 relevant to the affairs of any such authority, board, commission, or other agency. The
34 duty to provide such information is mandatory and may be enforced by an action for
35 mandamus in the Superior Court of Mecklenburg County.

36 (c) The Mayor and Council may develop a plan and adopt such ordinances or
37 resolutions as may be necessary to provide that the Mayor shall appoint one-third of the
38 membership, and the Council shall appoint two-thirds of the membership of the following
39 boards, commissions, and authorities:

- 40 (1) The auditorium-coliseum-civic center authority;
- 41 (2) The civil service Board;
- 42 (3) The housing authority; and
- 43 (4) The Board of adjustment.

1 "Secs. 5.02–5.20. Reserved.

2 "ARTICLE II. AUDITORIUM-COLISEUM-CONVENTION CENTER
3 AUTHORITY.

4 "Section 5.21. **Continuation.** (a) The control, management, and operation of the
5 property and improvements now or hereafter made or acquired by the City for
6 auditorium, coliseum, civic center, and baseball stadium purposes shall continue to be
7 vested in the authority to be known as the auditorium-coliseum-convention center
8 authority. The authority shall continue to be composed of seven members, five members
9 to be appointed by the Council and two members to be appointed by the Mayor. Each
10 member shall serve a term of three years. No member shall serve more than two
11 consecutive terms. In case any vacancy shall be created on said authority, the Council or
12 the Mayor, as the case may be, shall appoint a member to fill the unexpired term. The
13 members of the authority shall receive no compensation.

14 (b) Attendance of meetings and continued service on the authority shall be
15 governed by the attendance policies established by the Council. Vacancies resulting from
16 a member's failure to attend the required number of meetings shall be filled as provided
17 herein.

18 "Section 5.22. **Officers and Funds.** The members of the authority shall elect annually
19 from their body a chair, vice-chair, and a secretary and otherwise provide for the efficient
20 administration of its affairs; provided, however, the finance officer of the City shall by
21 virtue of his office be also the finance officer of the authority, and he shall serve as such
22 finance officer without additional compensation. All funds of the authority shall be kept
23 by its treasurer in a separate bank account or accounts from other funds of the City and
24 shall be paid out only in accordance with procedures established by such authority. The
25 net proceeds from the operation of the authority shall be used to pay the interest and
26 retirement on the bonded debt of the City incurred in connection with such auditorium-
27 coliseum-convention center-baseball stadium and shall not be used for any other purpose
28 until said bonds, principal, and interest have been paid, except as may be otherwise
29 approved by the Council for other uses of the authority. Quarterly operating statements of
30 the authority and an annual audited statement shall be presented to the Council. The
31 authority shall be deemed a "special district," as defined in G.S. 159-7, for purposes of the
32 Local Government Budget and Fiscal Control Act and shall budget and administer its
33 fiscal affairs according to the provisions of that act applicable to special districts.

34 "Section 5.23. **Powers and Duties.** (a) The authority shall operate the
35 auditorium-coliseum-convention center-baseball stadium in a proper, efficient,
36 economical, and business-like manner, to the end that such properties and facilities may
37 effectively serve the public needs for which they were established at the least cost and
38 expense to the City. The authority shall appoint a Manager of such auditorium-coliseum-
39 convention center-baseball stadium properties, whose salary shall be fixed by the
40 authority. Such Manager shall, in addition to other duties imposed upon him by the
41 authority, be responsible for the collection of rents or fees for the use of the properties
42 and facilities of the authority. The authority shall select such other personnel as it deems
43 advisable to properly operate such properties. The authority shall have full and complete

1 control of such auditorium-coliseum-convention center-baseball stadium properties and
2 facilities; shall have full and complete control over granting and denying the use of, and
3 establishing and collecting rents and fees for the use of, the properties and facilities; shall
4 make all reasonable rules and regulations as it deems necessary for the proper operation
5 and maintenance of such properties and facilities; may expend funds of the authority for
6 the advertising and promotion of the use of the properties and facilities; and may sponsor
7 and promote shows, events, games and activities involving the use of the properties and
8 facilities and make reasonable charges therefor.

9 (b) The authority may, in its discretion, lease or rent auditorium-coliseum-
10 convention center-baseball stadium properties and facilities for such terms and upon such

39 property in the same manner and following the same procedures as set forth in the
40 general laws of North Carolina for the making of special assessments against property
41 benefitted by local improvements.

42 (b) The Council may order the making of any local improvements and assess the
43 cost thereof, except the City's portion, against only a limited number of abutting

6 (d) If, in the judgment of the Council, the abutting property to be assessed will be
7 benefitted in an amount at least equal to the assessment, and such judgment shall be
8 conclusive, no petition for local improvements shall be necessary and the Council may
9 order the making of any local improvements and assess the cost thereof against abutting
10 properties in the following cases:

11 (1) Street improvements and/or curb and gutter. When, in the judgment of
12 the Council, any street or part of a street is unsafe; or, the improvement

39 cost of such repairs may be assessed against the property abutting the sidewalk or
40 driveway repaired. Before an assessment may be made against abutting property for a
41 sidewalk or driveway repair, at least 30 days' written notice must be given to the abutting
42 property owner personally or by registered or certified mail to his last known address or
43 as shown on the tax records, that he is required to make the designated repairs at his own

1 cost and expense in conformity with the sidewalk standards adopted by the City, and if he

22 inside lands does not exceed the value of the corner property needed for street-widening
23 purposes, and may convey and transfer such inside lands to the owner of the corner
24 property in exchange for property needed for street-widening purposes, at private sale.

31 "ARTICLE VII. UPTOWN DEVELOPMENT PROJECTS.

32 "Section 7.109. **Public-Private Development Projects.** (a) Definition. In this
33 Article, public-private development projects means a capital project located: (i) in the
34 City's central business district, as defined by the Council; (ii) in or along a major
35 transportation corridor; or (iii) in a development zone designated pursuant to G.S. 105-

38 might include a single building comprising a publicly owned parking structure and
39 publicly owned convention center and a privately owned hotel or office building.

40 (b) Authorization. If the Council finds that it is likely to be of significant
41 economic benefit to the area of the City in which the project is located, the City may
42 acquire, construct, own, and operate or participate in the acquisition, construction,
43 ownership, and operation of a public-private development project or of specific facilities

1 within such a project. The City may enter into binding contracts with one or more private
2 developers with respect to acquiring, constructing, owning, or operating such a project.
3 Such a contract shall among other provisions, specify the following:

16 acquired by the City by any means.

17 (d) Property Disposition. In connection with a public-private development project,
18 the City may lease or convey interests in property owned by it, including air rights over
19 public facilities, by private negotiation or sale, and Article 12 of Chapter 160A of the
20 General Statutes does not apply to such dispositions.

21 (e) Construction of the Project. The contract between the City and the developer
22 or developers may provide that the developer or developers shall be responsible for
23 construction of the entire public-private development project. If so, the contract shall
24 include such provisions as the City Council deems sufficient to assure that the public
25 facility or facilities included in the project meet the needs of the City and are constructed
26 at a reasonable price. A project constructed pursuant to this paragraph is not subject to
27 Article 8 of Chapter 143 of the General Statutes as long as City funds constitute not more
28 than fifty percent (50%) of the total costs of the project.

29 (f) Operation. The City may contract for the operation of any public facility or
30 facilities included in a public-private development project by a person, partnership, firm,
31 or corporation, public or private. Such a contract shall include provisions sufficient to
32 assure that any such facility or facilities are operated for the benefit of the citizens of the
33 City.

34 (g) Grant Funds. To assist in the financing of its share of a public-private
35 development project, the City may apply for, accept, and expend grant funds from the
36 federal or State governments.

37 "CHAPTER 8.

38 "MISCELLANEOUS.

39 "ARTICLE I. IN GENERAL.

40 "Secs. 8.01–8.20. Reserved.

41 "ARTICLE II. SALE OF PROPERTY.

42 "Section 8.21. **Personal Property.** The City may sell any and all personal property
43 belonging to the City at private sale, and without resorting to public outcry and sale.

1 "Section 8.22. **Real Property.** (a) Whenever a disposition of an interest in real
2 property is authorized by the City, the instrument conveying such interest may be
3 executed by the Mayor or the Mayor's designee and attested by the City Clerk or Deputy
4 City Clerk, with the corporate seal of the City attached. In the sale of real estate, the City
5 may execute deeds in the usual form and containing full covenants of warranty.

6 (b) The City may convey interests in real property owned by it by private
7 negotiation or sale, with respect to parcels of property having a fair market value of ten
8 thousand dollars (\$10,000) or less, and Article 12 of Chapter 160A of the General
9 Statutes shall not apply to such dispositions. The City Manager may approve such
10 dispositions.

11 (c) The City may, in addition to other authorized means, convey real property
12 owned by it to persons of low- or moderate-income for residential purposes using the
13 negotiated offer, advertisement, and upset bid process and requirements established by
14 G.S. 160A-269, provided, however, the City may lower the bid deposit requirement to an
15 amount not less than one percent (1%) of an offeror's bid.

16 (d) When the Council determines that a sale or disposition of property will
17 advance or further any Council-adopted economic development, transportation, urban
18 revitalization, community development, or land-use plan or policy, the City may, in
19 addition to other authorized means, sell, exchange, or transfer the fee or any lesser
20 interest in real property, either by public sale or by negotiated private sale. The City may
21 attach to the transfer and to the interest conveyed such covenants, conditions, or
22 restrictions (or a combination of them) the City deems necessary to further such adopted
23 policies or plans. The consideration received by the City, if any, for such conveyance,
24 may reflect the restricted use of the property resulting from such covenants, conditions,
25 or restrictions. An interest in property pursuant to this subsection may be conveyed only
26 pursuant to resolution of the Council authorizing the conveyance. Notice of the proposed
27 transaction shall be given at least 10 days prior to adoption of the resolution by
28 publication in a newspaper of general circulation, generally describing:

- 29 (1) The property involved;
- 30 (2) The nature of the interest to be conveyed; and
- 31 (3) All of the material terms of the proposed transaction, including any
32 covenants, conditions, or restrictions which may be applicable.

33 The notice shall give the time and place of the Council meeting where the proposed
34 transaction will be considered and shall announce the Council's intention to authorize the
35 proposed transaction. Notwithstanding the foregoing, the City may not sell the land or
36 buildings located at 100 Paul Buck Boulevard by private sale.

37 "Secs. 8.23–8.80. Reserved.

38 **"ARTICLE III. CONTRACTS AND PURCHASES.**

39 "Section 8.81. **Bid Deposits.** The City may, in connection with bids on purchases and
40 contracts to the City, accept as a bid deposit: cash; a cashier's check issued by or certified
41 check drawn on a bank insured by the Federal Deposit Insurance Corporation; a United
42 States money order payable to the City of Charlotte; or a bid bond issued by an insurance
43 company authorized to engage in such business in North Carolina.

1 "Section 8.82. **Contract Specification Requirements.** The Council may establish
2 minimum Minority and/or Women's Business Enterprise participation (M/WBE)
3 requirements and in that event shall include such requirements in the specifications for
4 City contracts. In addition, in construction and repair contracts under which subcontracts
5 are customarily awarded by that primary contractor, the Council may establish
6 specifications requiring bidders to subcontract a certain designated percentage of the
7 construction and repair work amount; provided, that nothing in the specifications or
8 requirements developed shall be construed to require that the award of subcontracts be
9 made to subcontractors who do not submit the lowest responsible sub-bid and do not
10 meet the bonding requirements otherwise required by law. Notwithstanding the
11 provisions of G.S. 143-129 and G.S. 143-131, the Council may consider a bidder's
12 compliance with specifications containing M/WBE or subcontracting requirements in its
13 award of contracts, and may, in its discretion, refuse to award a contract to a bidder if it
14 determines that the bidder has failed to make a good faith effort to comply with said
15 requirements.

16 "Section 8.83. **Public Contracts.** (a) G.S. 143-129, as it applies to the City by virtue
17 of Section 2 of Chapter 89 of the Session Laws of 1981, is amended as to the City by
18 deleting "purchase of apparatus, supplies, materials, or equipment requiring an estimated
19 expenditure of public money in an amount equal to or more than thirty thousand dollars
20 (\$30,000) and substituting "purchase of apparatus, supplies, materials, or equipment
21 requiring an estimated expenditure of public money in an amount equal to or more than
22 fifty thousand dollars (\$50,000).

23 (b) G.S. 143-129 as it applies to the City is amended to provide that the City
24 Manager or his designee may waive the requirement for a bid bond or deposit for the
25 purchase of apparatus, supplies, material, or equipment where the successful bidder does
26 not have any past experience of nonperformance with the City. The Council may consider
27 a bid for the purchase of apparatus, supplies, materials, or equipment and award a
28 contract on such bid notwithstanding the fact that the proposal is not accompanied by a
29 bid deposit with the City.

30 "Section 8.84. Exemption from Certain Purchasing Requirements. (a) Because of
31 the:

- 32 (1) Highly complex and innovative nature of telecommunications, data
33 processing, and data communications equipment, supplies and services;
34 and
- 35 (2) Desirability of a single point of responsibility for the development of
36 contracts for products and services which include in their scope,
37 combinations of design, installation, operation, management, and
38 service and maintenance responsibilities over prolonged periods of time.

39 In some instances it may be beneficial to the City to award a contract on the basis of
40 factors other than cost alone, including, but not limited to, (i) system design, (ii)
41 operation experience, (iii) system reliability, (iv) long-term operational costs, (v)
42 compatibility with existing equipment, and (vi) emerging technology. Therefore,
43 notwithstanding the provisions of Article 8 of Chapter 143 of the General Statutes, or any

1 other general, special, or local law, a contract entered into between the City and any
2 person selected as a responsible proposer pursuant to this section may be awarded,
3 negotiated, and entered into in accordance with the following provisions for the award of
4 a contract based upon an evaluation of proposals submitted in response to a request for
5 proposal prepared by or for the City.

6 (b) This section establishes special procedures for the purchase and lease of
7 telecommunications, data processing and data communications equipment, supplies and
8 services, and applies only to those purchases and leases.

9 (c) The City shall give notice that it is requesting proposal as follows:

10 (1) By mailing notice of request for proposals a minimum of 10 days prior
11 to the time specified for opening of said proposal to suppliers
12 represented on the City's current relevant bid list; and

13 (2) By advertisement at least one week before the time specified for the
14 opening of said proposals in a newspaper having general circulation in
15 the City. The advertisement shall state the time and place where the
16 request for proposals may be had, and the time and place for opening of
17 said proposals, and shall reserve to the City the right to reject any or all
18 such proposals.

19 All proposals shall be opened in public. Proposal shall be sealed if the invitation to
20 propose so specifies.

21 (d) The City shall require in its request for proposals that each proposal to be
22 submitted:

23 (1) Shall include:

24 a. Information relating to the experience of the proposer on the
25 basis of which said proposer purports to be qualified to carry out
26 all work required by a proposed contract;

27 b. The ability of the proposer to secure adequate financing;

28 c. Proposals for project staffing, implementation of work tasks, and
29 the carrying out of all responsibilities required by a proposed
30 contract;

31 (2) Language clearly identifying and specifying all elements of cost which
32 would become charges to the City, in whichever form, in return for the
33 fulfillment by the proposer of all tasks and responsibilities established
34 by the request for the proposal for the full lifetime of a proposed
35 contract, including, as appropriate, but not limited to, (i) the cost of
36 purchase or lease of equipment, (ii) the cost of design, installation,
37 operation, management, and maintenance of any system, and (iii) the
38 cost of any services performed by proposer; and

39 (3) Shall include such other information as the City may determine to have
40 a material bearing on its ability to evaluate any proposal in accordance
41 with this section.

42 The City may prescribe the form and content of such proposal and, in any event, the
43 proposer must submit sufficiently detailed information to permit a fair and equitable

1 evaluation of such proposal. The City may evaluate such proposals based on one or more
2 of the factors set forth above as the City determines to be appropriate.

3 (e) The City may make a contract award to any responsible proposer selected
4 pursuant to this section based on a determination that the selected proposal is more
5 responsive to the request for proposals and may thereupon negotiate a contract with said
6 proposer for the purchase and/or lease of equipment and performance of the services set
7 forth in the request for proposals and the response thereto. Such determination is
8 conclusive.

9 "Section 8.85. **Construction, Design, and Operation of Sludge Management**
10 **Facilities.** (a) Unless a different meaning is required by the context, the following
11 definitions shall apply throughout this section:

12 (1) "Sludge" means any solid, semisolid, or liquid waste generated from a
13 municipal, commercial, institutional, or industrial wastewater treatment
14 plant, water supply treatment plant, or air pollution control facility, or
15 any other waste having similar characteristics and effects.

16 (2) "Sludge management" means purposeful, systematic control of the
17 generation, storage, collection, transport, treatment, processing,
18 recovery, and disposal of sludge.

19 (3) "Sludge management facility" means land, personnel, and equipment
20 used in sludge management.

21 (4) "Storage" means the containment of sludge in a manner which does not
22 constitute disposal.

23 (5) "City" means the City of Charlotte.

24 (b) To acknowledge the highly complex and innovative nature of sludge
25 management technology for processing sludge, the relatively limited availability of
26 existing and proven proprietary technology involving sludge management facilities, the
27 desirability of a single point of responsibility for the development of facilities, and the
28 economic and technical utility of contracts for sludge management which include in their
29 scope combinations of design, construction, operation, management, and maintenance
30 responsibilities over prolonged periods of time and that in some instances it may be
31 beneficial to the City to award a contract on the basis of factors other than cost alone,
32 including, but not limited to, facility design, operational experience, system reliability,
33 long-term operational costs, compatibility with sludge production facilities,
34 environmental impact, and operation guarantees, this section establishes special
35 procedures for the construction, design, and operation of sludge management facilities.
36 Accordingly, and notwithstanding the provisions of Article 8 of Chapter 143 of the
37 General Statutes, or any general, special, or local law, a contract entered into between the
38 City and any person pursuant to this section may be awarded in accordance with the
39 following provisions for the award of a contract based upon an evaluation of proposals
40 submitted in response to a request for proposals prepared by or for the City.

41 The City shall give notice that it is requesting proposals as follows: Proposals shall be
42 invited by advertisement at least one week before the time specified for the opening of
43 said proposals in a newspaper having general circulation in the City. The advertisement

1 shall state the time and place where the request for proposals may be had, and the time
2 and place for opening of the proposals, and shall reserve to the City the right to reject any
3 or all such proposals. All proposals shall be opened in public. Proposals shall be sealed if
4 the invitation to propose so specifies. Nothing in this paragraph limits the City from
5 publicizing the request for proposals by other means or from directly soliciting proposals.

6 (c) The City shall require in its request for proposals that each proposal to be
7 submitted shall include:

8 (1) Information relating to the experience of the proposer on the basis of
9 which said proposer purports to be qualified to carry out all work
10 required by a proposed contract; the ability of the proposer to secure
11 adequate financing; and proposals for project staffing, implementation
12 of work tasks, and the carrying out of all responsibilities required by a
13 proposed contract;

14 (2) A proposal clearly identifying and specifying all elements of cost which
15 would become charges to the City, in whatever form, in return for the
16 fulfillment by the proposer of all tasks and responsibilities established
17 by the request for the proposal for the full lifetime of a proposed
18 contract, including, as appropriate, but not limited to, the cost of
19 planning, design, construction, operation, management, and/or
20 maintenance of any facility; provided, that the City may prescribe the
21 form and content of such proposal and that, in any event, the proposer
22 must submit sufficiently detailed information to permit a fair and
23 equitable evaluation of such proposal; and

24 (3) Such other information as the City may determine to have a material
25 bearing on its ability to evaluate any proposal in accordance with this
26 section.

27 (d) Proposals received in response to such request for proposals may be evaluated
28 on the basis of a technical analysis of facility design, operational experience of the
29 technology to be utilized in the proposed facility, system reliability and availability,
30 efficiency, environmental impact and protection, required staffing level during operation,
31 projection of anticipated revenues from the materials produced by the facility, net cost to
32 the City for operation and maintenance of the facility for the duration of time to be
33 established in the request for proposals, and upon such other factors and information as
34 the City determined to have a material bearing on its ability to evaluate any proposal,
35 which factors were set forth in said request for proposal.

36 (e) The City may make a contract award to any responsible proposer selected
37 pursuant to this section based upon a determination that the selected proposal is more
38 responsive to the request for proposals and may thereupon negotiate a contract with said
39 proposer for the performance of the services set forth in the request for proposals and the
40 response thereto. Such determination shall be deemed to be conclusive. Notwithstanding
41 other provisions of Article 8 of Chapter 143 of the General Statutes, or any other general,
42 local, or special law, a contract may be negotiated and entered into between a City and

1 any person selected as a responsible proposer hereunder which may provide for, but not
2 be limited to, the following:

- 3 (1) A contract, lease, rental, license, permit, or other authorization to
4 design, construct, operate, and maintain such a sludge management
5 facility, upon such terms and conditions for such consideration and for
6 such term or duration, not to exceed 40 years, as may be agreed upon by
7 the City and such person;
- 8 (2) Payment by the City of a fee or other charge to such person for
9 acceptance, processing, management, and disposal of sludge;
- 10 (3) An obligation on the part of the City to deliver or cause to be delivered
11 to a sludge management facility, guaranteed quantities of sludge; and
- 12 (4) The sale, utilization, or disposal of any form of material or residue
13 resulting from the operation of any sludge management facility.

14 (f) The construction work for any facility or structure which is ancillary to the
15 sludge management facility and which does not involve storage and processing of sludge
16 or the recovery of useful or marketable forms of materials from sludge at the sludge
17 management facility, shall be procured through competitive bidding procedures as
18 described in Article 8 of Chapter 143 of the General Statutes. Such ancillary facilities
19 shall include, but shall not necessarily be limited to, the following: roads, water and
20 sewer lines to the facility limits, transfer stations, scale house, administration buildings,
21 and residue and bypass disposal sites.

22 "Sec. 8.86. **Award and Approval of Certain Contracts.** The City Manager or the
23 City Manager's duly authorized designee may award, approve, and execute contracts or
24 agreements of any kind or nature on behalf of the City when the amount of such contract
25 or agreement does not exceed fifty thousand dollars (\$50,000); provided that the City
26 Council shall have approved a sufficient appropriation in the annual budget for the
27 current fiscal year for the general purpose specified in the contract or agreement. In
28 addition, the City Manager or the City Manager's duly authorized designee may approve
29 or execute amendments to contracts or agreements, including contracts initially approved
30 by the City Council, when the amount in question does not exceed fifty thousand dollars
31 (\$50,000). Furthermore, the City Manager or the City Manager's duly authorized
32 designee may award, approve, and execute contracts for the construction and installation
33 of water and sewer lines that will eventually become a part of the City utility system,
34 regardless of the amount, where the construction and installation is the sole responsibility
35 and is at the sole expense of another person, firm, or corporation.

36 "Secs. 8.87–8.100. Reserved.

37 **"ARTICLE IV. CONFLICT OF INTEREST.**

38 "Section 8.101. **Penalty.** It shall be unlawful for the Mayor or any member of the
39 Council, or other officer or employee of the City, directly or indirectly, to become an
40 independent contractor for work done by the City, or to become directly or indirectly
41 financially interested in, or receive profits from, any purchase by the City. Any such
42 person or persons violating this provision shall be guilty of a Class 1 misdemeanor.

43 "Secs. 8.102–8.120. Reserved.

1 **"ARTICLE V. JOINT PERFORMANCE OF FUNCTIONS,**
2 **ACTIVITIES, AND SERVICES.**

3 "Section 8.121. **Purpose and Power.** For the purpose of enabling the more efficient
4 and/or economical administration and performance of functions, activities, and services,
5 the City of Charlotte and the County of Mecklenburg may, whenever it is deemed in the
6 best interests of their citizens, enter into written agreements for the joint performance of
7 any and all functions, activities, and services which each is now or hereafter authorized to
8 undertake, perform, and carry on. Such joint performance may be carried on through
9 consolidation of existing agencies or departments or through the creation and
10 establishment of new agencies or departments and may include institutions or buildings
11 now existing or hereafter constructed, owned, and operated, either singly or jointly.

12 "Section 8.122. **Provisions of Agreements.** Such written agreements shall set forth:
13 the functions, activities, and services to be thus jointly carried on; the manner of
14 administration thereof; the manner in which the expenses thereof shall be apportioned;
15 and the manner in which any fees or revenues derived therefrom shall be apportioned.
16 Such agreements may specify the term thereof and they may be terminated by either party
17 thereto upon one-year's written notice to the other party of intention to terminate, and
18 such agreements may be amended from time to time upon the mutual consent of the City
19 and the County. Upon the ratification of such agreements by the governing bodies of the
20 City and the County, they shall be spread upon their respective minutes.

21 "Section 8.123. **Effect of Agreements.** Whenever any such agreement has been
22 ratified, then the consolidated agency, department, or institution designated or created to
23 carry on such joint performance, shall be vested with all the powers, rights, duties,
24 functions, and jurisdiction pertaining to the function, activity, or service to be jointly
25 performed, theretofore existing or thereafter granted by law and vested in the City, the
26 County, or both, and in the agencies, departments, or institutions so consolidated or
27 created.

28 "Section 8.124. **Agreements With Other Governmental Agencies.**

29 The City may enter into similar written agreements as provided hereinabove, with any
30 other governmental agency having similar authority.

31 "Secs. 8.125–8.130. Reserved.

32 **"ARTICLE VI. LEASE OF PROPERTY.**

33 "Section 8.131. **Generally.** Notwithstanding the provisions of G.S. 160A-272, the
34 Council may, in its discretion, lease City-owned property for such terms and upon such
35 conditions as the Council may determine, including terms of more than 10 years without
36 the necessity of following any procedures other than those required by G.S. 160A-272 for
37 leases of 10 years or less."

39 Charlotte and to consolidate certain acts concerning the property, affairs, and government
40 of the City. It is intended to continue without interruption those provisions of prior acts

42 accrued are preserved and may be enforced.

1 Section 3. This act does not repeal or affect any acts concerning the property,
2 affairs, or government of public schools or any acts validating official actions,
3 proceedings, contracts, or obligations of any kind.
