2 Section 5.(b) Decreases in Federal Fund Availability. – If the United States  
3 Congress reduces federal fund availability in the Social Services Block Grant below the  
4 amounts appropriated in this section, then the Department of Health and Human Services  
5 shall allocate these decreases giving priority first to those direct services mandated by  
6 State or federal law, then to those programs providing direct services that have  
7 demonstrated effectiveness in meeting the federally and State-mandated services goals  
8 established for the Social Services Block Grant. The Department shall not include  
9 transfers from TANF for specified purposes in any calculations of reductions to the  
10 Social Services Block Grant.

11 If the United States Congress reduces the amount of TANF funds below the  
12 amounts appropriated in this section after the effective date of this act, then the  
13 Department shall allocate the decrease in funds after considering any underutilization of  
14 the budget and the effectiveness of the current level of services. Any TANF Block Grant  
15 fund changes shall be reported to the Senate Appropriations Committee on Human  
16 Resources, the House of Representatives Appropriations Subcommittee on Health and  
17 Human Services, and the Fiscal Research Division.

18 The Department of Health and Human Services shall make a report in  
19 collaboration with all other State and local agencies and public and private entities (i) that  
20 are impacted by the Social Services or TANF Block Grants and (ii) that will be affected  
21 by future reductions in either of these block grants detailing plans for dealing with future  
22 reductions or adjustments in either of these block grants, including plans for programs  
23 funded wholly or in part with transfers from the TANF Block Grant.

24 Decreases in federal fund availability shall be allocated for the Maternal and  
25 Child Health and Preventive Health Services federal block grants by the Department of  
26 Health and Human Services after considering the effectiveness of the current level of  
27 services.

28 Section 5.(c) Increases in Federal Fund Availability. – Any block grant funds  
29 appropriated by the United States Congress in addition to the funds specified in this act  
30 shall be expended by the Department of Health and Human Services, with the approval of  
31 the Office of State Budget and Management, provided the resultant increases are in  
32 accordance with federal block grant requirements and are within the scope of the block  
33 grant plan approved by the General Assembly.

34 Section 5.(d) Changes to the budgeted allocations to the block grants  
35 appropriated in this act due to decreases or increases in federal funds shall be reported  
36 immediately to the Senate Appropriations Committee on Human Resources, the House of  
37 Representatives Appropriations Subcommittee on Health and Human Services, and the  
38 Fiscal Research Division.

26 Decreases in federal fund availability for the Community Development Block  
27 Grants. – If federal funds are reduced below the amounts specified above after the  
28 effective date of this act, then every program in each of these federal block grants shall be  
29 reduced by the same percentage as the reduction in federal funds.

30 Section 5.1.(c) Increases in Federal Fund Availability for Community Development  
31 Block Grants. –

32 Any block grant funds appropriated by the Congress of the United States in  
33 addition to the funds specified in this section shall be expended as follows: – Each  
34 program category under the Community Development Block Grant shall be increased by  
35 the same percentage as the increase in federal funds.

 19 **PART VII. GENERAL PROVISIONS**

20  
 21 Requested by: Representatives Easterling, Redwine  
 22 **SPECIAL FUNDS, FEDERAL FUNDS, AND DEPARTMENTAL**  
 23 **RECEIPTS/AUTHORIZATION FOR EXPENDITURES**

24 Section 7.(a) There is appropriated out of the cash balances, federal receipts,  
 25 and departmental receipts available to each department, sufficient amounts to carry on  
 26 authorized activities included under each department's operations. All these cash  
 27 balances, federal receipts, and departmental receipts shall be expended and reported in  
 28 accordance with provisions of the Executive Budget Act, except as otherwise provided by  
 29 statute, and shall be expended at the level of service authorized by the General Assembly.  
 30 If the receipts, other than gifts and grants that are unanticipated and are for a specific  
 31 purpose only, collected in a fiscal year by an institution, department, or agency exceed  
 32 the receipts certified for it in General Fund Codes or Highway Fund Codes, then the  
 33 Director of the Budget shall decrease the amount he allots to that institution, department,  
 34 or agency from appropriations from that Fund by the amount of the excess, unless the  
 35 Director of the Budget finds that the appropriations from the Fund are necessary to  
 36 maintain the function that generated the receipts at the level anticipated in the certified  
 37 Budget Codes for that Fund.

38 Funds that become available from overrealized receipts in General Fund Codes  
 39 and Highway Fund Codes may be used for new permanent employee positions or to raise  
 40 the salary of existing employees only as follows:

- 41 (1) As provided in G.S. 116-30.1, 116-30.2, 116-30.3, 116-30.4; or
- 42 (2) If the Director of the Budget finds that the new permanent employee
- 43 positions are necessary to maintain the function that generated the

1 receipts at the level anticipated in the certified budget codes for that  
2 Fund. The Director of the Budget shall notify the President Pro  
3 Tempore of the Senate, the Speaker of the House of Representatives, the  
4 chairmen of the appropriations committees of the Senate and the House  
5 of Representatives, and the Fiscal Research Division of the Legislative  
6 Services Office that he intends to make such a finding at least 10 days  
7 before he makes the finding. The notification shall set out the reason  
8 the positions are necessary to maintain the function.

9 The Office of State Budget and Management shall report to the Joint  
10 Legislative Commission on Governmental Operations and to the Fiscal Research  
11 Division of the Legislative Services Office within 30 days after the end of each quarter  
12 the General Fund Codes or Highway Fund Codes that did not result in a corresponding  
13 reduced allotment from appropriations from that Fund.

14 Section 7.(b) The Director of the Budget shall develop necessary budget  
15 controls, regulations, and systems to ensure that these funds and other State funds subject  
16 to the Executive Budget Act, are not spent in a manner which would cause a deficit in  
17 expenditures.

#### 25 **STATE MONEY RECIPIENTS/CONFLICT OF INTEREST POLICY**

26 Section 7.2. Each private, nonprofit entity eligible to receive State funds,  
27 either by General Assembly appropriation, or by grant, loan, or other allocation from a  
28 State agency, before funds may be disbursed to the entity, shall file with the disbursing  
29 agency a notarized copy of that entity's policy addressing conflicts of interest that may  
30 arise involving the entity's management employees and the members of its board of  
31 directors or other governing body. The policy shall address situations where any of these  
32 individuals may directly or indirectly benefit, except as the entity's employees or  
33 members of the board or other governing body, from the entity's disbursing of State  
34 funds, and shall include actions to be taken by the entity or the individual, or both, to  
35 avoid conflicts of interest and the appearance of impropriety.

#### 38 **BUDGETING OF PILOT PROGRAMS**

39 Section 7.3.(a) Any program designated by the General Assembly as experimental,  
40 model, or pilot shall be shown as a separate budget item and shall be considered as an  
41 expansion item until a succeeding General Assembly reapproves it.

42 Any new program funded in whole or in part through a special appropriations  
43 bill shall be designated as an experimental, model, or pilot program.

1 Section 7.3.(b) The Governor shall submit to the General Assembly with his  
2 proposed budget a report of which items in the proposed budget are subject to the  
3 provisions of this section.
