6 The General Assembly of North Carolina enacts:

7 Section 1. G.S. 90-187.3(a) reads as rewritten:

8 "(a) The Board may issue a license without written examination, other than the
9 written North Carolina license examination, to applicants already licensed in another state
10 provided the applicant presents evidence satisfactory to the Board that:

11 (1) The applicant is currently an active, competent practitioner in good
12 ~~standing; and standing.~~

13 (2) The applicant has practiced at least three of the five years immediately
14 preceding filing the ~~application; and application.~~

15 (3) The applicant currently holds an active license in another ~~state; and state.~~

16 (4) There is no disciplinary proceeding or unresolved complaint pending
17 against the applicant at the time a license is to be issued by this ~~State;~~
18 ~~and State.~~

19 (4a) Any disciplinary actions taken against the applicant or his or her license
20 by the other state in which he or she is licensed will not affect the

1 applicant's competency to practice veterinary medicine as provided in
2 this Article or any rules adopted by the Board.

3 (5) The licensure requirements in the other state are substantially equivalent
4 to those required by this ~~State; and State.~~

5 (6) The applicant has achieved a passing score on the written North
6 Carolina license examination."

7 Section 2. G.S. 90-187.3 is amended by adding a new subsection to read:

8 "(a1) If an applicant fails to satisfy subdivision (a)(5) of this section because the
9 applicant was not required by the state in which he or she is licensed to complete the
10 certification program developed and currently administered by the Educational
11 Commission for Foreign Veterinary Graduates of the American Veterinary Medical
12 Association or its predecessor program, the Board may consider the following in
13 determining whether the applicant should be licensed in this State:

14 (1) The length of time the applicant has been licensed in the other state, but
15 the applicant shall have been licensed and engaged in the practice of
16 veterinary medicine for at least 10 years.

17 (2) The applicant's veterinary practice history, including the type and nature
18 of practice.

19 (3) The completion of continuing education courses satisfactory to the
20 Board.

21 (4) Affidavits from veterinarians licensed and in good standing in the other
22 state who can attest to the applicant's competency to practice veterinary
23 medicine.

24 (5) Any other evidence that demonstrates the applicant's clinical proficiency
25 and his or her ability to comprehend and communicate in English."

26 Section 3. This act is effective when it becomes law.
