10 shall be filed with the Commissioner.

11 (d) A licensee shall endorse every check, draft, or money order presented by the
12 licensee for payment in the name of the licensee."

13 **SECTION 6.** Article 22 of Chapter 53 of the General Statutes is amended by
14 adding a new section to read:

15 "**§ 53-281.1. Deferred deposit loans.**

16 (a) A deferred deposit loan shall have a minimum term of 90 days from the first
17 day of the loan.

18 (b) The face amount of any deferred deposit payment device cashed pursuant to
19 this section shall not exceed three hundred dollars (\$300.00).

20 (c) Each deferred deposit loan shall be documented by a written agreement that
21 has been signed by the customer and the licensee. The licensee shall provide the
22 customer with a copy of the agreement at the time it is executed. The written agreement
23 shall contain a statement of the cash advance and the total amount of any fees charged,
24 expressed both as a dollar amount and as an effective annual percentage rate (APR)
25 consistent with the requirements of the federal Truth in Lending Act. The written
26 agreement shall contain the following specific disclosures:

27 (1) The address and telephone number of the Office of the Commissioner
28 of Banks with a statement that the licensee is licensed by the
29 Commissioner of Banks and that the customer may file a complaint
30 with the Commissioner if the customer believes the licensee has acted
31 improperly or unlawfully either in the loan or in the collection process.

32 (2) That the customer shall not be prosecuted in any criminal action or
33 sued in any civil action for a worthless check violation if the deferred
34 deposit payment device is returned for insufficient funds but that the
35 customer may be liable to the licensee for a worthless check fee not to
36 exceed the lesser of fifteen dollars (\$15.00) or the fee imposed upon
37 the licensee by the financial institution.

38 (3) That the customer has the right to rescind the delayed deposit loan at
39 no cost to the customer on or before the close of the following business
40 day.

41 (d) Notwithstanding any other provision of law, no licensee licensed under this
42 Article shall directly or indirectly charge or collect fees or other consideration for
43 cashing a postdated or deferred deposit payment device in excess of fifteen percent
44 (15%) of the face amount of the loan. A licensee shall not charge a customer any fees or

1 other consideration related to a deferred deposit loan unless specifically authorized by
2 this Article.

3 (e) No deferred deposit loan shall be repaid by the proceeds of another deferred
4 deposit loan. A licensee shall not, for any additional consideration, renew or otherwise
5 extend any deferred deposit loan. A licensee may agree with its customer at any time to
6 defer deposit or collection of a payment device without additional consideration.

7 (f) The customer shall have the right to rescind the delayed deposit loan at no
8 cost to the customer by giving written notice and returning the cash advanced on or
9 before the close of the business day following the date of the deferred deposit loan.

10 (g) Upon the establishment by the Commissioner of the database described in
11 G.S. 53-291, no licensee shall enter into a deferred deposit loan with any customer who
12 has had four deferred deposit loans with any licensee or licensees within the past 12
13 months. The licensee shall utilize the Commissioner's database to establish compliance
14 with this subsection. No licensee shall use or rely on a customer's certification or
15 warranty as a means of compliance with this subsection.

16 (h) Upon the establishment by the Commissioner of the database described in
17 G.S. 53-291, no licensee shall enter into a deferred deposit loan with any customer who
18 has a then-existing deferred deposit loan outstanding with any licensee or licensees. The
19 licensee shall utilize the Commissioner's database to establish compliance with this
20 subsection. No licensee shall use or rely on a customer's certification or warranty as a
21 means of compliance with this subsection.

22 (i) A licensee may collect a fee for a returned payment device pursuant to G.S.
23 25-3-506, but the fee shall not exceed the lesser of fifteen dollars (\$15.00) or the fee
24 imposed upon the licensee by the financial institution. Only one fee may be collected or
25 imposed per payment device.

26 (j) Any deferred deposit loan made under the terms of this section shall be
27 payable in installments with the following provisions:

28 (1) Six equal installments due on each of the borrower's next six paydays,
29 with at least 14 days between the installments. In the event that the
30 customer is paid monthly, the loan agreement shall provide for three
31 equal installments due on each of the borrower's next three paydays,
32 with at least 28 days between installments. No more than one deferred
33 deposit payment device shall be used in a deferred deposit loan with
34 the exception that, following the making of the first installment
35 payment or subsequent installment payments, a customer may
36 exchange a previous deferred deposit payment device for a new
37 deferred deposit payment device made in the amount then owed on the
38 loan. Upon repayment of a deferred deposit loan, licensees shall stamp
39 on the face of the customer's payment device
40 "VOID-NONNEGOTIABLE" in bold, capital letters and shall return
41 the payment device to the customer.

42 (2) The first installment shall be due no less than 14 days after the first
43 day of the deferred deposit loan.

- 1 (3) Customers shall have three business days following an installment's
2 due date in which to make an installment payment.
- 3 (4) In the event that an installment payment is not made within the
4 three-day period following the installment due date, the remaining
5 balance on the loan shall then be due immediately, and the licensee
6 may cash the customer's deferred deposit payment device.
- 7 (5) The customer, in the customer's sole discretion, may prepay the
8 obligation in whole or in part without additional charge or fee prior to
9 the end of the term.
- 10 (6) Upon any cashing of the customer's deferred deposit payment device,
11 proceeds of the deferred deposit payment device exceeding the
12 outstanding balance of the deferred deposit loan shall on the same
13 business day be deposited by the licensee into the customer's account
14 upon which the customer's deferred deposit payment device was
15 designated to be drafted.

16 (k) This Article shall apply to all deferred deposit loans made to customers in
17 North Carolina including those made using the Internet and other electronic means.
18 Each licensee shall maintain and transact business from a principal place of business in
19 this State. A principal place of business in this State shall consist of at least one
20 enclosed room or building of stationary construction in which negotiations of deferred
21 deposit loans may be conducted and carried on and in which all books, records, and files
22 pertaining to deferred deposit loans relating to borrowers in this State are maintained.
23 However, the Commissioner may, by rule, impose terms and conditions under which the
24 records and files may be maintained outside of this State.

25 (l) Notwithstanding any other provision of State law, a deferred deposit loan
26 agreement that includes any provision that waives any federal or State constitutional
27 right of customers or limits the remedies of customers available in law or equity,
28 whether acting individually or on behalf of others similarly situated, or their rights to
29 civil discovery or appeal is unconscionable and void. In addition, a deferred deposit
30 loan agreement that allows a party to require a borrower to assert any claim against the
31 party who prepared the agreement in a forum that is less convenient, more costly, or
32 more dilatory for the resolution of the dispute than a judicial forum established in this
33 State or limits in any way any claim or defense the borrower may have is
34 unconscionable and void.

35 (m) The Commissioner shall prescribe a consumer information sheet or pamphlet
36 to educate consumers about deferred deposit loans. The informational materials shall
37 include information on the responsible use of deferred deposit loans, the costs of
38 deferred deposit loans, the limitations on the number of loans, the dollar amount of
39 outstanding payment devices, the fact that the customer cannot be prosecuted or sued in
40 a civil action for a deferred deposit insufficient funds payment device, the availability of
41 consumer credit counseling services and debt repayment alternatives, the procedure for
42 filing consumer complaints with the Commissioner, and other matters that may be
43 helpful or beneficial to customers. The Commissioner's informational materials shall be
44 printed and reproduced by the licensee and made available by the licensee in a

1 conspicuous place at each location that offers deferred deposit loans and shall be
2 presented to each customer before the deferred deposit loan is executed."

3 **SECTION 7.** G.S. 53-282 reads as rewritten:

4 "**§ 53-282. Record keeping; receipt requirements.**

5 (a) Every person required to be licensed under this Article shall maintain in its
6 offices the following records:

12 (5) A history card, or its equivalent, for each customer that reflects the
13 time, date, and amount of each deferred deposit loan for that customer
14 during the most recent three-year period. The history card shall also
15 state whether each deferred deposit payment device was deposited or
16 redeemed for cash.

17 (6) Bank statements of the licensee. If the statements are not maintained
18 on the premises of the licensee, the statements shall be made available
19 immediately upon request of the Commissioner.

20 In addition to the records required by this subsection, each licensee shall maintain in
21 its offices such books, accounts, and records as the Commissioner may reasonably
22 require. The books, accounts, and records shall be maintained separate from any other
23 business in which the person is engaged, and shall be retained for a period prescribed by
24 the Commissioner.

25 (b) The licensee shall ensure that each customer cashing a ~~check-payment device~~
26 shall be provided a receipt showing the name or trade name of the licensee, the
27 ~~transaction loan~~ date, amount of the ~~check-payment device~~, and the fee charged.

28 (c) The Commissioner may examine the books, accounts, and records in order to
29 determine whether the person is complying with this Article and rules adopted pursuant
30 thereto. The cost of the examination shall be paid by the licensee and shall be
31 determined by applying the hourly rate for special examinations adopted by the State
32 Banking Commission by regulation.

33 (d) The Commissioner shall require licensees to submit an annual report to the
34 Commissioner on or before the last day of February for the preceding year disclosing:

35 (1) The resources, assets, and liabilities of the licensees at the beginning
36 and the end of the period.

42 of December 31 of the previous year.

1 any deferred deposit loan during the calendar year ending as of
2 December 31 of the previous year.

- 3 (5) Any additional data or information which is reasonably available to the
4 licensee and which the Commissioner deems necessary to the
5 performance of the Commissioner's oversight duties."

6 **SECTION 8.** G.S. 53-283 reads as rewritten:

7 "**§ 53-283. Prohibited practices.**

11 originate, process, arrange, or accept or transmit applications for
12 deferred deposit loans for which the fees exceed those permitted in this
13 Article.
- 14 (2) Engage in the business of making loans of money, or extensions of
15 credit, or discounting notes, bills of exchange, items, or other

11 **SECTION 12.** Article 22 of Chapter 53 of the General Statutes is amended
12 by adding the following new sections to read:

13 **"§ 53-291. Database for reporting of deferred deposit loans.**

14 (a) On or before October 1, 2003, the Commissioner shall implement a common
15 database with real-time access through an Internet connection for all licensed providers
16 that offer deferred deposit loans, as provided in this section. The Commissioner may
17 contract with a private vendor. The database shall be accessible to the Commissioner
18 and licensees to verify whether any deferred deposit loans are outstanding for a
19 particular customer. Licensees shall submit the required data before entering into each
20 deferred deposit loan, before accepting an installment payment, and upon the repayment
21 of each deferred deposit loan in a format and with the identifying information required
22 by the Commissioner, including the drawer's name, address, drivers license number,
23 amount of the loan, date of the loan, the date and amount of all installment payments
24 made, the date that the loan is paid off, and any additional information required by the
25 Commissioner. All individual borrower information provided under this section shall be
26 maintained by the Commissioner as confidential to be used only for the purposes
27 specified in this Article, shall not be subject to public inspection, and shall not be a
28 public record under Chapter 132 of the General Statutes. Inquiries to the database by
29 licensees shall only reveal whether the customer is eligible or ineligible for a deferred
30 deposit loan together with a description of the reason for the determination. Only
31 information previously registered and recorded by the licensee on the database shall be
32 made available to the licensee. Only the customer seeking the deferred deposit loan may
33 make a direct inquiry to the Commissioner to request a more detailed explanation of a
34 particular loan that was the basis for the database's ineligibility determination. The
35 Commissioner may impose a fee not to exceed one dollar (\$1.00) per loan to access the
36 database. A licensee may rely on the information contained in the database as accurate
37 and is not subject to any administrative penalty or civil liability as a result of relying in
38 good faith on information contained in the database. The Commissioner may adopt
39 procedures to administer and enforce the provisions of this section and to assure that the
40 database is used by licensees in accordance with this section.

41 (b) The Commissioner of Banks shall compile an annual report by April 1 of
42 each year, beginning with April 1, 2005, containing data regarding all deferred deposit
43 loans made in the preceding year by lender and on an aggregate basis. Annual reports
44 shall be made available to interested parties and the general public. The report shall

1 include all information reported by licensees pursuant to G.S. 53-282(d). Consistent
2 with North Carolina law, the report shall include nonidentifying customer data from the
3 preceding year, which is available from the database, including:

- 4 (1) The total number and dollar amount of deferred deposit loans made in
5 the calendar year ending as of December 31 of the previous year.
- 6 (2) The total number and dollar amount of deferred deposit loans
7 outstanding as of December 31 of the previous year.
- 8 (3) The minimum, maximum, and average dollar amount of payment
