The General Assembly of North Carolina enacts:

**SECTION 1.** Part 5 of Article 1 of Chapter 116 of the General Statutes is amended by adding the following new section:

**"§ 116-43.5. State grants to aid eligible students attending certain private institutions of higher education; administrative procedure.**

(a) Definitions. – The following definitions apply in this section:

b. Is accredited by the Southern Association of Colleges and Schools under the standards of the College Delegate Assembly of the Association.

c. Awards a postsecondary degree as defined in G.S. 116-15.

d. Its students are not eligible for a similar State grant under another State program.

(2) "Main permanent campus" means a campus that is owned by the institution that provides permanent on-premises housing, food services, and classrooms with full-time faculty members and administration that engage in postsecondary degree activity as defined in G.S. 116-15.

1           (3)   "Student" means a person enrolled in and attending an institution  
2           located in the State (i) who qualifies as a resident of North Carolina in  
3           accordance with definitions of residency that may from time to time be  
4           adopted by the Board of Governors of The University of North  
5           Carolina and published in the residency manual of the Board, and (ii)  
6           who has not received a bachelors degree, or qualified therefor, and  
7           who is otherwise classified as an undergraduate under such regulations  
8           as the Board of Governors of The University of North Carolina may  
9           promulgate. Qualification for in-State tuition under G.S. 116-143.3  
10          makes a person a "student" as defined in this subdivision.

11          (b)   Eligibility. – A student is eligible for a State grant under this section for an  
12          academic year if the student is a full-time North Carolina undergraduate student  
13          attending an institution as defined by this section and is not eligible for a similar State  
14          grant under another State program for the same academic year.

15          (c)   Administration. – The State grants provided for in this section shall be  
16          administered by the State Education Assistance Authority pursuant to rules adopted by  
17          the State Education Assistance Authority not inconsistent with this section. The State  
18          Education Assistance Authority shall pay the State grant to each student eligible under  
19          this section. The amount of the grant shall be determined by the General Assembly. The  
20          State grant shall be paid to a student only after the student completes the academic year.  
21          The grant shall be paid directly to the student on or after July 1 following the  
22          completion of the academic year. The State Education Assistance Authority shall not  
23          remit any grant until it receives proper certification from an institution that the student  
24          applying for the grant is an eligible student.

25          (d)   Shortfall. – In the event there are not sufficient funds to provide each eligible  
26          student with a full grant: Each eligible student shall receive a pro rata share of funds  
27          then available for the appropriate academic year within the fiscal period covered by the  
28          current appropriation.

29          (e)   Reversion. – Any remaining funds shall revert to the General Fund.

30          (f)   A State grant authorized by this act shall be reduced by twenty-five percent  
31          (25%) for any individual student who has completed 140 semester credit hours or the  
32          equivalent of 140 semester credit hours.

33          (f1)   The State Education Assistance Authority shall document the number of  
34          full-time equivalent North Carolina undergraduate students that are enrolled in private  
35          institutions and the State funds collected by students at each institution under this  
36          section. The State Education Assistance Authority shall report those findings to the  
37          Secretary of Administration, the House and Senate Appropriations Subcommittees on  
38          Education, and the Joint Legislative Education Oversight Committee.

39          (g)   The State grant shall not be used for any student who:
