4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** Fee-Supported District. – A municipality may create a
6 fee-supported sewer treatment district for all properties that are or can be served by the
7 sewage collection and treatment plant serving properties within the Town.

8 **SECTION 2.** Creation of Fee-Supported District. – The Town may adopt a
9 resolution establishing a fee-supported sewer treatment district.

10 **SECTION 3.** Imposition of Annual Fees. – The Town may impose annual
11 fees for the availability of sewer service within the district. The Board shall set same on
12 or before July 1 each year.

13 **SECTION 4.** Fees. – The fees imposed by the municipality may not exceed
14 the cost of providing the sewer collection facility within the municipality and the cost of
15 the contract with a county to provide it with the facilities to transport, treat, and dispose
16 of the municipality's effluent. Said fees shall be imposed on owners of each dwelling
17 unit or parcel of property that could or does benefit from the availability of sewage
18 treatment.

19 **SECTION 5.** Billing of Fees. – The municipality may include a fee imposed
20 under this section on the property tax bill for each parcel of property lying within the
21 municipal limits on which the fee is imposed. Said fee shall be collected in the same
22 manner as provided for in the General Statutes for the collection of ad valorem taxes,
23 and remedies available by statute for the collection of taxes shall apply to the collection
24 of the sewer district fees.

25 **SECTION 6.** Use of Fees. – The Town shall credit the fees collected within
26 the district to a separate fund to be used only to pay the debt service for the sewer
27 system. The governing board of the municipality shall administer the fund to provide
28 for the payment of said sewer services provided by the county.

1 **SECTION 7.** Abolition of District. – Upon finding that there is no longer a
2 need for a given fee-supported district, the governing board of the municipality may
3 repeal the resolution establishing the district and thus abolish the district.

4 **SECTION 8.** This act applies only within the Town of Holden Beach.

5 **SECTION 9.** This act is effective when it becomes law.
