(c) The Board of Commissioners of the Town of Lake Lure may appropriate funds to the Commission out of surplus funds or funds derived from nontax sources. It may appropriate funds out of tax revenues and may also levy annually taxes for the payment of such appropriation as a special purpose, in addition to any allowed by the North Carolina Constitution or as provided by G.S. 160A-209.

(d) The Commission shall be subject to such audit requirements as may be specified in the municipal ordinance.

Certifications of the Board under the seal of the Commission as to the text or amended text of any municipal ordinance and of the date or dates of submission to the Secretary of State shall be admissible in evidence in any court. Certifications by the clerk of superior court of Rutherford County of the text of any certified ordinance filed with the clerk by the Board is admissible in evidence and the Board's submission of the resolution for filing to the clerk shall constitute prima facie evidence that such resolution was on the date of submission also submitted for filing with the Secretary of State. Except for the certificate of a clerk as to receipt and date of submission, no evidence may be admitted in court concerning the submission of the certified text of any ordinance by the Board to any person other than the Secretary of State.

**"§ 77-87. Regulatory authority.**

(a) Except as limited in subsection (b) of this section, by restrictions in any municipal ordinance, and by other supervening provisions of law, the Commission may make regulations applicable to Lake Lure and its shoreline area concerning all matters relating to or affecting the use of Lake Lure. These regulations may not conflict with provisions of general or special acts or of regulations of State agencies promulgated under the authority of general law. No regulations adopted under the provisions of this section may be adopted by the Commission except after public hearing, with publication of notice of the hearing in a newspaper of general circulation in Rutherford County at least 10 days before the hearing. In lieu of or in addition to passing regulations supplementary to State law and regulations concerning the operation of vessels on Lake Lure, the Commission may, after public notice, request that the Wildlife Resources Commission pass local regulations on this subject in accordance with the procedure established by appropriate State law.

(b) Violation of any regulation of the Commission commanding or prohibiting an act shall be a Class 3 misdemeanor.

(c) The regulations promulgated under this section take effect upon passage or upon such dates as may be stipulated in the regulations except that no regulation may be enforced unless adequate notice of the regulation has been posted in or on Lake Lure or its shoreline area. Ordinances providing regulations for specific areas shall clearly establish the boundaries of the affected area by including a map of the regulated area, with the boundaries clearly drawn, by setting out the boundaries in a written description, or by a combination of these techniques. Adequate notice as to a regulation affecting only a particular location shall be given in the following manner. When an ordinance providing regulations for a specific area is proposed, owners of the parcel of land

involved as shown on the county tax listing, and the owners of land within 500 feet of the proposed area to be regulated, as shown on the county tax listing, shall be mailed a notice of the proposed classification by first-class mail at the last addresses listed for such owners on the county tax abstracts. This mailing requirement does not apply in regulations affecting the entire lake. Notice shall also be given by a sign, uniform waterway marker, posted notice, or other effective method of communicating the essential provisions of the regulation in the immediate vicinity of the location in question. Where a regulation applies generally as to the waters of Lake Lure or its shoreline area, or both, there must be a posting of notices, signs, or markers communicating the essential provisions in at least three different places throughout the area, and it shall be printed in a newspaper of general circulation in Rutherford County.

(d) A copy of each regulation promulgated under this section must be filed by the Commission with the following persons:

- (1) The Secretary of State;
- (2) The clerk of superior court of Rutherford County;
- (3) The Executive Director of the Wildlife Resources Commission; and
- (4) The federal Energy Regulatory Commission licensee for Lake Lure, if other than the Town of Lake Lure.

(e) Any official designated in subsection (d) of this section may issue certified copies of regulations filed with the official under the seal of the official's office. Such certified copies may be received in evidence in any proceeding.

(f) Publication and filing of regulations promulgated under this section as required above are for informational purposes and are a prerequisite to their validity if they in fact have been duly promulgated, the public has been notified as to the substance of the regulations, a copy of the text of all regulations is in fact available to any person who may be affected, and no party to any proceeding has been prejudiced by any defect that may exist with respect to publication and filing. Rules and regulations promulgated by the Commission under the provisions of other sections of this Article relating to internal governance of the Commission need not be filed or published. Where posting of any sign, notice, or marker, or the making of other communication is essential to the validity of a regulation duly promulgated, it is presumed in any proceeding that prior notice was given and maintained, and the burden lies upon the party asserting to the contrary to prove lack of adequate notice of any regulation.

**"§ 77-88. Enforcement.**

(a) Where a municipal ordinance so provides, all law enforcement officers, or those officers as may be designated in the municipal ordinance, with territorial jurisdiction as to any part of the waters of Lake Lure or its shoreline area within the limitations of their subject matter jurisdiction, have the authority of peace officers in enforcing the laws over all of the waters of Lake Lure and its shoreline area. A certificate of training issued by the North Carolina Criminal Justice Education and Training Standards Commission or the North Carolina Sheriffs' Education and Training Standards Commission will suffice for certification for the purposes of this Article.

(b) Where a law enforcement officer with jurisdiction over any part of the waters of Lake Lure or its shoreline area is performing duties relating to the enforcement of the laws on the waters of Lake Lure or in its shoreline area, the officer shall have such extraterritorial jurisdiction as may be necessary to perform the officer's duties. These duties include investigations of crimes an officer reasonably believes have been, or are about to be, committed within the area in question. This includes traversing by reasonable routes from one portion of this area to another although across territory not within the boundaries of the waters of Lake Lure and its shoreline area; conducting prisoners in custody to a court or to detention facilities as may be authorized by law, although this may involve going outside the area in question; execution of process connected with any criminal offense alleged to have been committed within the boundaries in question, except that this process may not be executed by virtue of this provision beyond the boundaries of Rutherford County. This also includes continuing

pursuit of and arresting any violator or suspected violator as to which grounds for arrest arose within the area in question.

(d) Where law enforcement officers are given additional territorial jurisdiction under the provisions of this section, this shall be considered an extension of the duties of the office held, and no officer shall take any additional oath or title of office."
