29 **SECTION 2.** Cochairs. – The Commission shall have two Cochairs, one
30 designated by the President Pro Tempore of the Senate and one by the Speaker of the
31 House of Representatives from among their respective appointees. The Commission
32 shall meet upon the call of the Cochairs.

33 **SECTION 3.** Quorum. – A quorum of the Commission shall consist of 16
34 members.

35 **SECTION 4.** Vacancies. – Any vacancy on the Commission shall be filled
36 as provided in Section 1 of this act or by the original appointing authority as
37 appropriate.

38 **SECTION 5.** Purpose and Duties. – The Commission shall conduct an
39 in-depth examination of issues related to global climate change. This examination shall
40 include a review of current scientific literature on the possible causes and the likely
41 impacts of global warming with particular emphasis on the extent to which activities in
42 the State may be contributing to global warming, the impacts of global warming on the
43 State, and how best to address those contributions and impacts. The Commission shall
44 recommend a global warming pollutant reduction goal for the State, including a process

1 for periodic adjustment of the goal at intervals of not more than five years, for
2 consideration and possible adoption by the General Assembly. This recommended goal
3 should be consistent with a worldwide goal of stabilizing atmospheric concentrations of
4 carbon dioxide and other global warming pollutants at or below 500 parts per million
5 while protecting the economic development of the State. In establishing the
6 recommended goal, the Commission shall consider global warming pollution reduction
7 goals established under the United Nations Convention on Climate Change and by other
8 states. The Commission shall also recommend a process for developing a State climate
9 action plan, including the desirability of establishing a task force to develop the plan
10 and oversee its implementation. If the Commission recommends the establishment of a
11 task force, the Commission may also make recommendations regarding the composition
12 and work plan of the task force. In developing its recommendations, the Commission
13 shall consider and integrate the findings and recommendations of the study of issues
14 related to the development and implementation of standards and plans to control
15 emissions of carbon dioxide required by Section 13 of S.L. 2002-4.

16 **SECTION 6.** Additional Duties. – The Commission may work cooperatively
17 with other state and national governments to organize a forum on global warming
18 causes, impacts, challenges, and opportunities in the southeastern United States.

19 **SECTION 7.** Expenses of Members. – Members of the Commission shall
20 receive per diem, subsistence, and travel allowances in accordance with G.S. 120-3.1,
21 138-5, or 138-6, as appropriate.

22 **SECTION 8.** Staff. – Upon the prior approval of the Legislative Services
23 Commission, the Legislative Services Officer shall assign professional staff to the
24 Commission to aid its work.

25 **SECTION 9.** Consultants. – The Commission may hire consultants to assist
26 with the study. Before expending any funds for a consultant, the Commission shall
27 report to the Joint Legislative Commission on Governmental Operations on the
28 consultant selected, the work products to be provided by the consultant, and the cost of
29 the contract, including an itemization of the cost components.

30 **SECTION 10.** Report. – The Commission shall report its findings and
31 recommendations to the General Assembly and the Environmental Review Commission
32 on or before 1 April 2006, at which time the Commission shall terminate.

33 **SECTION 11.** Funding. – From funds appropriated to the General
34 Assembly, the Legislative Services Commission shall allocate funds for the purpose of
35 conducting the study provided for in this act.

36 **SECTION 12.** Effective date. – This act is effective when it becomes law.
