Referred to:

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE COUNTY BOARDS OF ELECTIONS TO TAKE STEPS
EARLIER TO COUNT MAILED ABSENTEE VOTES, AS RECOMMENDED BY
THE JOINT SELECT COMMITTEE ON ELECTRONIC VOTING SYSTEMS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 163-234 reads as rewritten:

"§ 163-234. Counting absentee ballots by county board of elections.

All absentee ballots returned to the county board of elections in the container-return envelopes shall be retained by the board to be counted by the county board of elections as herein provided.

(1) Only those absentee ballots returned to the county board of elections no later than 5:00 p.m. on the day before election day in a properly executed container-return envelope shall be counted, except to the extent federal law requires otherwise.

(2) The county board of elections shall meet at 5:00 p.m. on election day in the board office or other public location in the county courthouse for the purpose of counting all absentee ballots except those which have been challenged before 5:00 p.m. on election day. Any elector of the county shall be permitted to attend the meeting and allowed to observe the counting process, provided the elector shall not in any manner interfere with the election officials in the discharge of their duties.

Provided, that the county board of elections is authorized to begin counting absentee ballots between the hours of 2:00 p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior to the election wherein the hour and place of counting absentee ballots shall be stated. A copy of the resolutions shall be published once a week for two weeks prior to the election, in a newspaper having general

1 circulation in the county. Notice may additionally be made on a radio
2 or television station or both, but such notice shall be in addition to the
3 newspaper and other required notice. The count shall be continuous
4 until completed and the members shall not separate or leave the
5 counting place except for unavoidable necessity, except that if the
6 count has been completed prior to the time the polls close, it shall be
7 suspended until that time pending receipt of any additional ballots, and
8 except that one-stop ballots under G.S. 163-227.2 counted
9 electronically shall not be counted until the polls close; provided,
10 however, that if there are outstack ballots in the counting device, they
11 may be counted at the same time as other ballots are counted under this
12 subdivision. The county board of elections may begin putting them in
13 the tabulator at the same time as other ballots are counted under this
14 subdivision if the system for counting one-stop ballots requires them to
15 be put in a tabulator but the process has the voter place them in a ballot
16 box. The board shall not announce the result of the count before 7:30
17 p.m.

18 (2a) Notwithstanding the provisions of subdivision (2) of this section, a
19 county board of elections may, at each meeting at which it approves
20 absentee ballot applications pursuant to G.S. 163-230.1(c) and (c1),
21 remove those ballots from their envelopes and have them read by an
22 optical scanning machine, without printing the totals on the scanner.
23 The board shall complete the counting of these ballots at the times
24 provided in subdivision (2) of this section. The State Board of
25 Elections shall provide instructions to county boards of elections for
26 executing this procedure, and the instructions shall be designed to
27 ensure the accuracy of the count, the participation of board members
28 of both parties, and the secrecy of the results before election day. This
29 subdivision applies only in counties that use optical scan devices to
30 count absentee ballots.

31 (3) The counting of absentee ballots shall not commence until a majority
32 and at least one board member of each political party represented on
33 the board is present and that fact is publicly declared and entered in the
34 official minutes of the county board.

35 (4) The county board of elections may employ such assistants as deemed
36 necessary to count the absentee ballots, but each board member present
37 shall be responsible for and observe and supervise the opening and
38 tallying of the ballots.

39 (5) As each ballot envelope is opened, the board shall cause to be entered
40 into a pollbook designated "Pollbook of Absentee Voters" the name of
41 the absentee voter, or if the pollbook is computer-generated, the board
42 shall check off the name. Preserving secrecy, the ballots shall be
43 placed in the appropriate ballot boxes, at least one of which shall be
44 provided for each type of ballot. The "Pollbook of Absentee Voters"

1 shall also contain the names of all persons who voted under
2 G.S. 163-227.2, but those names may be printed by computer for
3 inclusion in the pollbook.

4 After all ballots have been placed in the boxes, the counting
5 process shall begin.

6 If one-stop ballots under G.S. 163-227.2 are counted electronically,
7 that count shall commence at the time the polls close. If one-stop
8 ballots are paper ballots counted manually, that count shall commence
9 at the same time as other absentee ballots are counted.

10 If a challenge transmitted to the board on canvass day by a chief
11 judge is sustained, the ballots challenged and sustained shall be
12 withdrawn from the appropriate boxes, as provided in G.S. 163-89(e).

13 As soon as the absentee ballots have been counted and the names
14 of the absentee voters entered in the pollbook as required herein, the
15 board members and assistants employed to count the absentee ballots
16 shall each sign the pollbook immediately beneath the last absentee
17 voter's name entered therein. The county board of elections shall be
18 responsible for the safekeeping of the pollbook of absentee voters.

19 (6) Upon completion of the counting process the board members shall
20 cause the results of the tally to be entered on the absentee abstract
21 prescribed by the State Board of Elections. The abstract shall be signed
22 by the members of the board in attendance and the original mailed
23 immediately to the State Board of Elections. The county board of
24 elections may have a separate count on the abstract for one-stop
25 absentee ballots under G.S. 163-227.2.

26 (7) One copy of the absentee abstract shall be retained by the county board
27 of elections and the totals appearing thereon shall be added to the final
28 totals of all votes cast in the county for each office as determined on
29 the official canvass.

30 (8) In the event a political party does not have a member of the county
31 board of elections present at the meeting to count absentee ballots due
32 to illness or other cause of the member, the counting shall not
33 commence until the county party chairman of said absent member, or a
34 member of the party's county executive committee, is in attendance.
35 Such person shall act as an official witness to the counting and shall
36 sign the absentee ballot abstract as an "observer."

37 (9) The county board of elections shall retain all container-return
38 envelopes and absentee ballots, in a safe place, for at least four
39 months, and longer if any contest is pending concerning the validity of
40 any ballot."

41 **SECTION 2.** This act is effective when it becomes law.
