The General Assembly of North Carolina enacts:

SECTION 1. Chapter 20 of the General Statutes is amended by adding a
new section to read:

"§ 20-137.4. Unlawful use of a mobile phone.

(a) Definitions. – For purposes of this section, the following terms shall mean:

- (1) Mobile telephone. – A device used by subscribers and other users of wireless telephone service to access such service.
- (2) Wireless telephone service. – A service that is a two-way real-time voice telecommunications service that is interconnected to a public switched telephone network and is provided by a commercial mobile radio service, as such term is defined by 47 C.F.R. § 20.3.
- (3) Using. – Holding a mobile telephone to, or in the immediate proximity of, the user's ear.
- (4) Handheld mobile telephone. – A mobile telephone with which a user engages in a call using at least one hand.
- (5) Hands-free mobile telephone. – A mobile telephone that has an internal feature or function, or that is equipped with an attachment or addition, whether or not permanently part of such mobile telephone, by which a user engages in a call without the use of either hand, whether or not the use of either hand is necessary to activate, deactivate, or initiate a function of such telephone.
- (6) Engage in a call. – Talking into or listening on a handheld mobile telephone, but shall not include holding a mobile telephone to activate, deactivate, or initiate a function of such telephone.

1 (7) Immediate proximity. – That distance as permits the operator of a

10 to engage in a call, or additional technology, while such vehicle is in motion. An
11 operator of a motor vehicle who holds a mobile telephone to, or in the immediate
12 proximity of, his or her ear while such vehicle is in motion is presumed to be engaging
13 in a call within the meaning of this section. The presumption established by this
14 subsection is rebuttable by evidence tending to show that the operator was not engaged
15 in a call or using additional technology.

16 (c) Seizure. – The provisions of this section shall not be construed as authorizing
17 the seizure or forfeiture of a mobile telephone, unless otherwise provided by law.

18 (d) Exceptions. – The provisions of subsection (b) of this section shall not apply
19 to the following:

20 (1) The use of a mobile telephone for the sole purpose of communicating
21 with any of the following regarding an emergency situation: an

29 (e) School Bus Drivers. – A person shall not use a mobile telephone or other
30 electronic device, including those with hands-free accessories, while operating a moving
31 school bus that is carrying passengers; provided, however, this section shall not apply to
32 a school bus driver who places an emergency call to school officials or for the purposes

37 fine of one hundred dollars (\$100.00) and the cost of court. There shall be no points
38 assessed by the Division for a violation of this section."
