16 by adding a new Part to read:

"Part 4. Suitability in Annuity Transactions.

17  
18 **§ 58-60-150. Title and reference.**

19 This Part may be cited as the "Suitability in Annuity Transactions Act".

20 **§ 58-60-155. Purpose; scope.**

21 (a) The purpose of this Part is to set forth standards and procedures for  
22 recommendations to consumers that result in a transaction involving annuity products so  
23 that the insurance needs and financial objectives of consumers at the time of the  
24 transaction are appropriately addressed.

25 (b) Nothing in this Part shall be construed to create or imply a private cause of  
26 action for a violation of this Part.

27 (c) This Part shall apply to any recommendation to purchase or exchange an  
28 annuity made to a consumer by an insurance producer, or an insurer where no producer  
29 is involved, that results in the purchase or exchange recommended.

**"§ 58-60-160. Exemptions.**

Unless otherwise specifically included, this Part does not apply to recommendations involving any of the following:

- (1) Direct response solicitations where there is no recommendation based on information collected from the consumer pursuant to this Part.
- (2) Contracts used to fund any of the following:
  - a. An employee pension or welfare benefit plan that is covered by the Employee Retirement and Income Security Act (ERISA).

**"§ 58-60-165. Definitions.**

As used in this Part:

- (2) "Insurance producer" has the same meaning as in G.S. 58-33-10(7).
- (3) "Recommendation" means advice provided by an insurance producer, or an insurer where no producer is involved, to an individual consumer that results in a purchase or exchange of an annuity in accordance with that advice.

**"§ 58-60-170. Duties of insurers and insurance producers.**

(a) In recommending to a consumer the purchase of an annuity or the exchange of an annuity that results in another insurance transaction or series of insurance transactions, the insurance producer, or the insurer where no producer is involved, shall have reasonable grounds for believing that the recommendation is suitable for the consumer on the basis of the facts disclosed by the consumer as to the consumer's investments and other insurance products and as to the consumer's financial situation and needs.

(b) Before the execution of a purchase or exchange of an annuity resulting from a recommendation, the insurance producer, or the insurer where no producer is involved, shall make reasonable efforts to obtain information about:

- (1) The consumer's financial status.

- 1           (2) The consumer's tax status.
- 2           (3) The consumer's investment objectives.
- 3           (4) Any other information used or considered to be reasonable by the
- 4                 insurance producer, or the insurer where no producer is involved, in
- 5                 making recommendations to the consumer.

6       (c) Except as provided under subdivision (1) of this subsection, neither an  
7 insurance producer, nor an insurer where no producer is involved, shall have any  
8 obligation to a consumer under subsection (a) of this section related to any  
9 recommendation if a consumer does any of the following:

- 10           (1) Refuses to provide relevant information requested by the insurer or  
11 insurance producer. An insurer or insurance producer's  
12 recommendation subject to this subdivision shall be reasonable under  
13 all the circumstances actually known to the insurer or insurance  
14 producer at the time of the recommendation.
- 15           (2) Decides to enter into an insurance transaction that is not based on a  
16 recommendation of the insurer or insurance producer.
- 17           (3) Fails to provide complete or accurate information.

18       (d) An insurer either shall assure that a system to supervise recommendations  
19 that is reasonably designed to achieve compliance with this Part is established and  
20 maintained by complying with subsections (e), (f), and (g) of this section, or shall  
21 establish and maintain such a system, including:

- 22           (1) Maintaining written procedures.
- 23           (2) Conducting periodic reviews of its records that are reasonably  
24 designed to assist in detecting and preventing violations of this Part.

25       (e) A general agent and independent agency either shall adopt a system  
26 established by an insurer to supervise recommendations of its insurance producers that  
27 is reasonably designed to achieve compliance with this Part, or shall establish and  
28 maintain such a system, including:

- 29           (1) Maintaining written procedures.
- 30           (2) Conducting periodic reviews of records that are reasonably designed to  
31 assist in detecting and preventing violations of this Part.

32       (f) An insurer may contract with a third party, including a general agent or  
33 independent agency, to establish and maintain a system of supervision as required by  
34 subsection (d) of this section with respect to insurance producers under contract with, or  
35 employed by, the third party. An insurer shall make reasonable inquiry to assure that the  
36 third party contracting under this subsection is performing the functions required under  
37 subsection (d) of this section and shall take any action that is reasonable under the  
38 circumstances to enforce the contractual obligation to perform the functions. An insurer  
39 may comply with its obligation to make reasonable inquiry by doing all of the  
40 following:

- 41           (1) The insurer annually obtains a certification from a third-party senior  
42 manager who has responsibility for the delegated functions that the  
43 manager has a reasonable basis to represent, and does represent, that  
44 the third party is performing the required functions. No person may

1 provide a certification under this subdivision unless (i) the person is a  
2 senior manager with responsibility for the delegated functions; and (ii)  
3 the person has a reasonable basis for making the certification.

4 (2) The insurer, based on reasonable selection criteria, periodically selects  
5 third parties contracting under this subsection for a review to  
6 determine whether the third parties are performing the required  
7 functions. The insurer shall perform those procedures to conduct the  
8 review that are reasonable under the circumstances.

9 An insurer that contracts with a third party, and that complies with the requirements  
10 to supervise the third party pursuant to this subsection, shall have fulfilled its  
11 responsibilities under subsection (d) of this section.

12 A general agent or independent agency contracting with an insurer shall promptly,  
13 when requested by the insurer pursuant to this subsection, give a certification as  
14 described in this subsection or give a clear statement that it is unable to meet the  
15 certification criteria.

16 (g) An insurer, general agent, or independent agency is not required by  
17 subsections (d) or (e) of this section to:

18 (1) Review, or provide for review of, all insurance producer solicited  
19 transactions; or

20 (2) Include in its system of supervision an insurance producer's  
21 recommendations to consumers of products other than the annuities  
22 offered by the insurer, general agent or independent agency.

23 (h) Compliance with the National Association of Securities Dealers Conduct  
24 Rules pertaining to suitability shall satisfy the requirements under this section for the  
25 recommendation of variable annuities. However, nothing in this subsection limits the  
26 Commissioner's ability to enforce the provisions of this Part.

27 **"§ 58-60-175. Mitigation of responsibility.**

28 (a) The Commissioner may order:

29 (1) An insurer to take reasonably appropriate corrective action for any  
30 consumer harmed by the insurer's, or by its insurance producer's,  
31 violation of this Part.

32 (2) An insurance producer to take reasonably appropriate corrective action  
33 for any consumer harmed by the insurance producer's violation of this  
34 Part.

35 (3) A general agency or independent agency that employs or contracts  
36 with an insurance producer to sell, or solicit the sale, of annuities to  
37 consumers, to take reasonably appropriate corrective action for any  
38 consumer harmed by the insurance producer's violation of this Part.

39 (b) Any applicable penalty under G.S. 58-2-70 for a violation of subsection (a) or  
40 (b) of G.S. 58-60-170 may be reduced or eliminated if corrective action for the  
41 consumer was taken promptly after a violation was discovered.

42 **"§ 58-60-180. Record keeping.**

43 (a) Insurers, general agents, independent agencies, and insurance producers shall  
44 maintain or be able to make available to the Commissioner records of the information

1 collected from the consumer and other information used in making the  
2 recommendations that were the basis for insurance transactions for five years after the  
3 insurance transaction is completed by the insurer. An insurer is permitted, but shall not  
4 be required, to maintain documentation on behalf of an insurance producer.

5 (b) Records required to be maintained by this Part may be maintained in paper,  
6 photographic, microprocess, magnetic, mechanical, or electronic media or by any  
7 process that accurately reproduces the actual document."

8 **SECTION 1.2.** Article 58 of Chapter 58 of the General Statutes is amended  
9 by adding two new sections to read:

10 **"§ 58-58-146. Application for annuities required.**

11 Each individual annuity contract shall be issued only upon application of the  
12 applicant. Any application or enrollment form is subject to G.S. 58-3-150, and if taken  
13 by an agent, shall include the certificate of the agent that the agent has truly and  
14 accurately recorded on the application or enrollment form the information provided by  
15 the applicant. Every annuity contract subject to this section shall contain as part of the  
16 contract the original or reproduction of the application required by this section.

17 **"§ 58-58-147. Surrender fees on death benefits.**

18 No authorized insurer shall deliver or issue for delivery in this State any deferred  
19 annuity contract that contains a provision that reduces the death benefit of the contract  
20 by a surrender fee when death occurs during the surrender period."

21  
22 **PART II. PORTABILITY IN ACCIDENT AND HEALTH AND LIFE**  
23 **INSURANCE.**

24 **SECTION 2.1.** G.S. 58-51-15(a)(2)b. reads as rewritten:

25 "(2) A provision in the substance of the following language:

26 **TIME LIMIT ON CERTAIN DEFENSES:**

27 ...

- 28 b. This policy contains a provision limiting coverage for  
29 preexisting conditions. Preexisting conditions are covered under  
30 this policy \_\_\_\_ (insert number of months or days, not to  
31 exceed one year) after the effective date of coverage.  
32 Preexisting conditions mean "those conditions for which  
33 medical advice, diagnosis, care, or treatment was received or  
34 recommended within the one-year period immediately  
35 preceding the effective date of the person's coverage." ~~Except~~  
36 ~~for the excepted benefits described in G.S. 58-68-25(b), credit~~  
37 Credit for having satisfied some or all of the preexisting  
38 condition waiting periods under previous health benefits  
39 coverage shall be given in accordance with ~~G.S. 58-68-30.~~  
40 G.S. 58-51-17. The excepted benefits described in  
41 G.S. 58-68-25(b) are not subject to this requirement for giving  
42 credit."

43 **SECTION 2.2.** Article 51 of Chapter 58 of the General Statutes is amended  
44 by adding a new section to read:

1 **"§ 58-51-17. Portability for accident and health insurance.**

2 (a) Rules Relating to Crediting Previous Coverage. –

3 (1) Creditable coverage defined. – For the purposes of this section,  
4 "creditable coverage" means, with respect to an individual, coverage of  
5 the individual under any of the following:

- 6 a. A self-funded employer group health plan under the Employee  
7 Retirement Income Security Act of 1974.  
8 b. Group or individual health insurance coverage.  
9 c. Part A or part B of title XVIII of the Social Security Act.  
10 d. Title XIX of the Social Security Act, other than coverage  
11 consisting solely of benefits under section 1928.  
12 e. Chapter 55 of title 10, United States Code.  
13 f. A medical care program of the Indian Health Service or of a  
14 tribal organization.  
15 g. A State health benefits risk pool.  
16 h. A health plan offered under chapter 89 of title 5, United States  
17 Code.  
18 i. A public health plan (as defined in federal regulations).  
19 j. A health benefit plan under section 5(e) of the Peace Corps Act  
20 (22 U.S.C. § 2504(e)).  
21 k. Title XXI of the Social Security Act (State Children's Health  
22 Insurance Program).

23 "Creditable coverage" does not include coverage consisting solely of  
24 coverage of excepted benefits as described in G.S. 58-68-25(b).  
25 However, short-term limited-duration health insurance coverage shall  
26 be considered creditable coverage for purposes of this section.

27 (2) Not counting periods before significant breaks in coverage. –

- 28 a. In general. – A period of creditable coverage shall not be  
29 counted, with respect to enrollment of an individual under an  
30 individual health insurance plan, if, after the period and before  
31 the enrollment date, there was a 63-day period during all of  
32 which the individual was not covered under any creditable  
33 coverage.  
34 b. Waiting period not treated as a break in coverage. – For the  
35 purposes of sub-subdivision a. of this subdivision and  
36 subdivision (b)(3) of this subsection, any period that an  
37 individual is in a waiting period, as defined in  
38 G.S. 58-68-30(b)(4)c., for any coverage under an individual  
39 health insurance plan shall not be taken into account in  
40 determining the continuous period under sub-subdivision a. of  
41 this subdivision.  
42 c. For an individual who elects COBRA continuation coverage  
43 during the second election period provided under the Trade Act  
44 of 2002, the days between the date the individual lost group

- 1                    health plan coverage and the first day of the second COBRA  
2                    election period shall not be considered when determining  
3                    whether a significant break in coverage has occurred.
- 4            (3)    Method of crediting coverage. – An individual health insurer shall  
5                    count a period of creditable coverage without regard to the specific  
6                    benefits covered during the period.
- 7            (4)    Establishment of period. – Periods of creditable coverage for an  
8                    individual shall be established through presentation of certifications  
9                    described in subsection (c) of this section or in another manner that is  
10                   specified in regulations.
- 11           (5)    Determination of creditable coverage. –
- 12                   a.    Determination within reasonable time. – If an individual health  
13                   insurer receives creditable coverage information under  
14                   subsection (c) of this section, the insurer shall, within a  
15                   reasonable time following receipt of the information, make a  
16                   determination regarding the amount of the individual's  
17                   creditable coverage and the length of any exclusion that  
18                   remains. Whether this determination is made within a  
19                   reasonable time depends on the relevant facts and  
20                   circumstances. Relevant facts and circumstances include  
21                   whether a plan's application of a preexisting condition exclusion  
22                   would prevent an individual from having access to urgent  
23                   medical care.
- 24                   b.    No time limit on presenting evidence of creditable coverage. –  
25                   An individual health insurer shall not impose any limit on the  
26                   amount of time that an individual has to present a certificate or  
27                   other evidence of creditable coverage.
- 28           (b)    Exceptions. –
- 29                   (1)    Exclusion not applicable to certain newborns. – Subject to subdivision  
30                   (3) of this subsection, an individual health insurer shall not impose any  
31                   preexisting condition exclusion in the case of an individual who, as of  
32                   the last day of the 30-day period beginning with the individual's date  
33                   of birth, is covered under creditable coverage.
- 34                   (2)    Exclusion not applicable to certain adopted children. – Subject to  
35                   subdivision (3) of this subsection, a group health insurer shall not  
36                   impose any preexisting condition exclusion in the case of a child who  
37                   is adopted or placed for adoption before attaining 18 years of age and  
38                   who, as of the last day of the 30-day period beginning on the date of  
39                   the adoption or placement for adoption, is covered under creditable  
40                   coverage. The previous sentence does not apply to coverage before the  
41                   date of the adoption or placement for adoption.
- 42                   (3)    Loss if break in coverage. – Subdivisions (1) and (2) of this subsection  
43                   shall no longer apply to an individual after the end of the first 63-day

period during all of which the individual was not covered under any creditable coverage.

(c) Certifications and Disclosure of Coverage. –

(1) In general. – An individual health insurer shall provide the certification described in this subdivision (i) at the time an individual ceases to be covered under the plan, and (ii) on the request on behalf of an individual made not later than 24 months after the date of cessation of the coverage described in clause (i) of this subdivision, whichever is later.

(2) Certification. – The certification described in this subdivision is a written certification of (i) the period of creditable coverage of the individual under the plan and (ii) any waiting period and affiliation period, if applicable, imposed with respect to the individual for any coverage under the plan."

**SECTION 2.3.** G.S. 58-68-30(c) reads as rewritten:

"(c) Rules Relating to Crediting Previous Coverage. –

(1) Creditable coverage defined. – For the purposes of this Article, "creditable coverage" means, with respect to an individual, coverage of the individual under any of the following:

- a. A self-funded employer group health plan under the Employee Retirement Income Security Act of 1974.
- b. Group or individual health insurance coverage.
- c. Part A or part B of title XVIII of the Social Security Act.
- d. Title XIX of the Social Security Act, other than coverage consisting solely of benefits under section 1928.
- e. Chapter 55 of title 10, United States Code.
- f. A medical care program of the Indian Health Service or of a tribal organization.
- g. A State health benefits risk pool.
- h. A health plan offered under chapter 89 of title 5, United States Code.
- i. A public health plan (as defined in federal regulations).
- j. A health benefit plan under section 5(e) of the Peace Corps Act (22 U.S.C. § 2504(e)).
- k. Title XXI of the Social Security Act (State Children's Health Insurance Program).

"Creditable coverage" does not include coverage consisting solely of coverage of excepted benefits. However, short-term limited-duration health insurance coverage shall be considered creditable coverage for purposes of this section and G.S. 58-51-15(a)(2)b.

(2) Not counting periods before significant breaks in coverage. –

- a. In general. – A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health insurance plan, if, after the period and before the

- 1 enrollment date, there was a 63-day period during all of which  
2 the individual was not covered under any creditable coverage.
- 3 b. Waiting period not treated as a break in coverage. – For the  
4 purposes of sub-subdivision a. of this subdivision and  
5 subdivision (d)(4) of this subsection, any period that an  
6 individual is in a waiting period for any coverage under a group  
7 health insurance plan or is in an affiliation period shall not be  
8 taken into account in determining the continuous period under  
9 sub-subdivision a. of this subdivision.
- 10 c. Time spent on short term limited duration health insurance not  
11 treated as a break in coverage. – For the purposes of  
12 sub-subdivision a. of this subdivision, any period that an  
13 individual is enrolled on a short term limited duration health  
14 insurance policy shall not be taken into account in determining  
15 the continuous period under sub-subdivision. a. of this  
16 subdivision so long as the period of time spent on the short term  
17 limited duration health insurance policy or policies does not  
18 exceed 12 months.
- 19 d. For an individual who elects COBRA continuation coverage  
20 during the second election period provided under the Trade Act  
21 of 2002, the days between the date the individual lost group  
22 health plan coverage and the first day of the second COBRA  
23 election period shall not be considered when determining  
24 whether a significant break in coverage has occurred.
- 25 (3) Method of crediting coverage. –
- 26 a. Standard method. – Except as otherwise provided under  
27 sub-subdivision b. of this subdivision for the purposes of  
28 applying subdivision (a)(3) of this subsection, a group health  
29 insurer shall count a period of creditable coverage without  
30 regard to the specific benefits covered during the period.
- 31 b. Election of alternative method. – A group health insurer may  
32 elect to apply subdivision (a)(3) of this subsection based on  
33 coverage of benefits within each of several classes or categories  
34 of benefits specified in federal regulations rather than as  
35 provided under sub-subdivision a. of this subdivision. This  
36 election shall be made on a uniform basis for all participants  
37 and beneficiaries. Under this election a group health insurer  
38 shall count a period of creditable coverage with respect to any  
39 class or category of benefits if any level of benefits is covered  
40 within the class or category.
- 41 c. Health insurer notice. – In the case of an election under  
42 sub-subdivision b. of this subdivision with respect to health  
43 insurance coverage in the small or large group market, the  
44 health insurer: (i) shall prominently state in any disclosure

1 statements concerning the coverage, and to each employer at  
2 the time of the offer or sale of the coverage, that the health  
3 insurer has made the election, and (ii) shall include in the  
4 statements a description of the effect of the election.

5 (4) Establishment of period. – Periods of creditable coverage for an  
6 individual shall be established through presentation of certifications  
7 described in subsection (e) of this section or in another manner that is  
8 specified in federal regulations.

9 (5) Determination of creditable coverage. –

10 a. Determination within reasonable time. – If a group health  
11 insurer receives creditable coverage information under  
12 subsection (e) of this section, the group health insurer shall,  
13 within a reasonable time following receipt of the information,  
14 make a determination regarding the amount of the individual's  
15 creditable coverage and the length of any exclusion that  
16 remains. Whether this determination is made within a  
17 reasonable time depends on the relevant facts and  
18 circumstances. Relevant facts and circumstances include  
19 whether a plan's application of a preexisting condition exclusion  
20 would prevent an individual from having access to urgent  
21 medical care.

22 b. No time limit on presenting evidence of creditable coverage. –  
23 A group health insurer shall not impose any limit on the amount  
24 of time that an individual has to present a certificate or other  
25 evidence of creditable coverage."

26 **SECTION 2.4.** G.S. 58-68-30(f) reads as rewritten:

27 "(f) Special Enrollment Periods. –

28 (1) Individuals losing other coverage. – A group health insurer shall  
29 permit an employee who is eligible, but not enrolled, for coverage  
30 under the terms of the plan (or a dependent of the employee if the  
31 dependent is eligible, but not enrolled, for coverage under the terms) to  
32 enroll for coverage under the terms of the plan if each of the following  
33 conditions is met:

34 a. The employee or dependent was covered under an ERISA  
35 group health plan or had health insurance coverage at the time  
36 coverage was previously offered to the employee or dependent.

37 b. The employee stated in writing at the time that coverage under  
38 the group health plan or health insurance coverage was the  
39 reason for declining enrollment, but only if the health insurer  
40 required the statement at the time and provided the employee  
41 with notice of the requirement and the consequences of the  
42 requirement at the time.

43 c. With respect to the employee's or dependent's coverage  
44 described in sub-subdivision a. of this subsection: (i) the

1 coverage was under a COBRA continuation provision and the  
2 coverage under the provision was exhausted; (ii) the coverage  
3 was not under that provision and either the coverage was  
4 terminated because of loss of eligibility for the coverage,  
5 including legal separation, divorce, cessation of dependent  
6 status (such as attaining the maximum age to be eligible as a  
7 dependent child under the plan), death of an employee,  
8 termination of employment, reduction in the number of hours of  
9 employment, and any loss of eligibility for coverage after a  
10 period that is measured by reference to any of the foregoing;  
11 (iii) employer contributions toward the coverage were  
12 terminated; (iv) in the case of coverage offered through an  
13 arrangement that does not provide benefits to individuals who  
14 no longer reside, live, or work in a service area, there has been  
15 loss of coverage because an individual no longer resides, lives,  
16 or works in the service area (whether or not within the choice of  
17 the individual), and no other benefit package is available to the  
18 individual; (v) an individual incurs a claim that would meet or  
19 exceed a lifetime limit on all benefits; or (vi) a plan no longer  
20 offers any benefits to the class of similarly situated individuals

29 (ii) the individual is a participant under the plan (or has met any  
30 waiting period applicable to becoming a participant under the  
31 plan and is eligible to be enrolled under the plan but for a  
32 failure to enroll during a previous enrollment period), and (iii) a  
33 person becomes the dependent of the individual through  
34 marriage, birth, or adoption or placement for adoption.

35 The plan shall provide for a dependent special enrollment period  
36 described in sub-subdivision b. of this subdivision during which the  
37 person (or, if not otherwise enrolled, the individual) may be enrolled  
38 under the plan as a dependent of the individual, and in the case of the  
39 birth or adoption of a child, the spouse of the individual may be  
40 enrolled as a dependent of the individual if the spouse is otherwise  
41 eligible for coverage.

19 enrollee.
- 20 b. Special enrollees shall be offered all of the benefit packages  
21 available to similarly situated individuals who enroll when first

25 be required to pay more for coverage than a similarly situated  
26 individual who enrolls in the same coverage when first eligible.  
27 The length of any preexisting condition exclusion that may be  
28 applied to a special enrollee cannot exceed the length of any  
29 preexisting condition exclusion that is applied to similarly  
30 situated individuals who enroll when first eligible."

31 **SECTION 2.5.** G.S. 58-68-30 is amended by adding the following new  
32 subsections to read:

33 "(h) General Notice of Preexisting Condition Exclusion. – A group health insurer  
34 offering group health insurance coverage subject to a preexisting condition exclusion  
35 shall provide a written general notice of preexisting condition exclusion to participants  
36 under the plan; and shall not impose a preexisting condition exclusion with respect to a  
37 participant or a dependent of the participant until the notice is provided.

38 A group health insurer shall provide the general notice of preexisting condition  
39 exclusion as part of any written application materials distributed by the insurer for  
40 enrollment. If the insurer does not distribute these materials, the notice shall be provided  
41 by the earliest date following a request for enrollment that the insurer, acting in a  
42 reasonable and prompt fashion, can provide the notice.

43 The general notice of preexisting condition exclusion shall notify participants of the  
44 following:

- 1           (1) The existence and terms of any preexisting condition exclusion under  
2 the plan. This description includes the length of the plan's look-back  
3 period, which shall not exceed six months under subdivision (a)(1) of  
4 this section; the maximum preexisting condition exclusion period  
5 under the plan, which shall not exceed 12 months (18 months for late  
6 enrollees) under subdivision (a)(2) of this section; and how the plan  
7 will reduce the maximum preexisting condition exclusion period by  
8 creditable coverage, as described in subsection (c) of this section.
- 9           (2) A description of the rights of individuals to demonstrate creditable  
10 coverage, and any applicable waiting periods, through a certificate of  
11 creditable coverage, as required by subsection (e) of this section, or  
12 through other means as described in federal regulations. This shall  
13 include a description of the right of the individual to request a  
14 certificate from a prior insurer, if necessary, and a statement that the  
15 current insurer will assist in obtaining a certificate from any prior plan  
16 or insurer, if necessary.
- 17           (3) A person to contact, including an address or telephone number for  
18 obtaining additional information or assistance about the preexisting

21 section to fully disclose in the master group policy, the certificate or evidence of  
22 coverage, and the member handbook the plan's preexisting condition limitation, the  
23 rules relating to creditable coverage, including how an individual may provide proof of  
24 creditable coverage, and the methods of counting and crediting coverage.

26 individual has presented evidence of creditable coverage and the group health insurer  
27 has made a determination of creditable coverage under subdivision (c)(5) of this section,  
28 the group health insurer shall provide the individual a written notice of the length of  
29 preexisting condition exclusion that remains after offsetting for prior creditable  
30 coverage. In the notice, the insurer is not required to identify any medical conditions  
31 specific to the individual that could be subject to the exclusion. A group health insurer is  
32 not required to provide this notice if the plan does not impose any preexisting condition  
33 exclusion on the individual or if the plan's preexisting condition exclusion is completely  
34 offset by the individual's prior creditable coverage.

35           The individual notice must be provided by the earliest date following a  
36 determination that the group health insurer, acting in a reasonable and prompt fashion,  
37 can provide the notice.

38           A group health insurer shall disclose:

40 applies to the individual, including the last day on which the  
41 preexisting condition exclusion applies.
- 42           (2) The basis for that determination, including the source and substance of  
43 any information on which the plan or insurer relied.

1           (3) An explanation of the individual's right to submit additional evidence  
2           of creditable coverage.

3           (4) A description of any applicable appeal procedures established by the  
4           group health insurer.

5           (j) Determination Modification. – Nothing in this section prevents a plan or  
6           insurer from modifying an initial determination of creditable coverage if it determines  
7           that the individual did not have the claimed creditable coverage, provided that:

8           (1) A notice of the new determination, consistent with the requirements of  
9           subsection (i) of this section, is provided to the individual; and

10          (2) Until the notice of the new determination is provided, the group health  
11          insurer, for purposes of approving access to medical services (such as  
12          a presurgery authorization), acts in a manner consistent with the initial  
13          determination.

14          (k) Notice Form and Content. – Any notices required under this section shall be  
15          in the form and content and be delivered as prescribed by, in accordance with, or as  
16          specified in federal regulations, unless otherwise provided in this Chapter."
