21 and
22 Whereas, while it is generally recognized that a team's performance during the
regular season is important and often worthy of praise and remembrance, the three-week period
24 during which the National Collegiate Athletic Association (NCAA) basketball championship is
decided captivates the attention of the citizens of our great nation like no other event; and
26 Whereas, the various stages of this three-week competition are known by several
different names, such as March Madness (although this year it ended in April), the Big Dance, the Sweet Sixteen, the Elite Eight the Eight Four and the NCAA Division I Championship
the Sweet Sixteen, the Elite Eight, the Final Four, and the NCAA Division I Championships and

32 selection committee began seeding the teams (with no other school being a Number One seed
32 selection committee began seeding the teams (with no other school being a Number one seed 33 more than 10 times); and
34 Whereas, Carolina's first four wins in the 2009 tournament over Radford, Louisiana
35 State, Gonzaga, and Oklahoma sent the Tar Heels to an NCAA record 18th Final Four, and
36 their ninth Final Four in the last 19 years, the third time in the last five years that Carolina has

D

1 played in the Final Four. No other ACC team has reached a regional final in those five years; 2 and 3 Whereas, Carolina's next two victories over Villanova and Michigan State made the 4 Tar Heels the 2008-2009 men's basketball National Champions, confirming both their 5 preseason Number One ranking and the predictions of their scrimmage partner, President 6 Barack Obama; and Whereas, Carolina's national championship victory came in a game with the largest 7 8 attendance in NCAA championship game history (72,922) and gave the Tar Heels 102 victories 9 in NCAA men's basketball tournament play, the most of any team in NCAA history; and 10 Whereas, the 2009 Tar Heels broke the record for the most points scored in the first half of a championship game (55) and the record for the largest halftime lead (21), became the 11 12 first team to win all six games by at least 12 points in the NCAA Tournament, and now have 13 the second-largest point differential in NCAA tournament history (+121); and 14 Whereas, the 89-72 Carolina win over Michigan State was a convincing and 15 thorough victory but one that left intact Duke's record for the worst loss in Final Four history 16 (103-73 to UNLV in 1990); and 17 Whereas, the 2008-2009 title is Carolina's fifth NCAA championship in men's 18 basketball, tying the Tar Heels for third place but giving them more national championships 19 than any other school in North Carolina; and Whereas, the 1924 Carolina men's basketball team, which went 25-0, was chosen by 20 21 a panel of experts at the Helms Athletic Foundation to have been the country's best team and 22 was named "National Champion" in men's college basketball that year as well, said national 23 championship being the first men's basketball national championship won by a team from the 24 South: and 25 Whereas, Carolina now has the most NCAA men's basketball championships in the 26 "modern era" (defined to be that period after UCLA's last championship under John Wooden); 27 and 28 Whereas, the senior players on Carolina's 2009 National Champion men's basketball 29 team include Mike Copeland, Bobby Frasor, Marcus Ginyard, Danny Green, Tyler 30 Hansbrough, Patrick Moody, J.B. Tanner, and Jack Wooten; and 31 Whereas, the senior class of 2009 won 124 games during their four years at 32 Carolina, the most wins by any one class in Carolina history; and 33 Whereas, the senior players named above were undefeated in all away games played 34 within a 12-mile radius of Chapel Hill; and 35 Whereas, Tyler Hansbrough was an All-American all four years he played at 36 Carolina, was the consensus 2008 men's basketball National Player of the Year, won the 37 Lowe's Senior Award in 2009, which recognizes student athletes for staying in school all four 38 years and for academic, community, and athletic achievement, is the only player in ACC 39 history to be a unanimous First Team All-ACC selection for four years, holds NCAA records 40 for most free throws made (982), for most points (2,872), most games scoring in double figures 41 (133), most games scoring 20 or more points (78), most free throw attempts (1,241), and is the 42 only player in ACC history to lead his team in scoring and rebounding all four years; and 43 Whereas, Ty Lawson was the 2009 ACC men's basketball Player of the Year, was 44 the 2009 NCAA South Regional MVP, was a consensus Second Team All-American, won the 45 2009 Bob Cousy Award, given to the nation's top point guard, and set the NCAA championship 46 game record for steals with eight; and 47 Whereas, Wayne Ellington was named the Most Outstanding Player of the 2009 48 Final Four and broke the Final Four record for highest three-point field goal percentage (a 49 record previously held by fellow Tar Heel Donald Williams); and

50 Whereas, Danny Green set Carolina career records for most games played (145), 51 most wins (123), and is the only player in ACC history with 1,000 points, 500 rebounds, 250 assists, 150 three pointers, 150 blocks, and 150 steals, and became the fourth Tar Heel selected
 to the league's All-Defensive Team; and

Whereas, Marc Campbell, Ed Davis, Larry Drew II, Deon Thompson, Justin Watts, and Tyler Zeller all played very important roles throughout the season and in the NCAA tournament to help lead Carolina to its national championship, with freshman Ed Davis selected to the ACC All-Freshman Team and freshman Tyler Zeller selected to the ACC All-Academic Team; and

8 Whereas, Coach Roy Williams, a Tar Heel born and bred, as well as a direct 9 descendant in the coaching "family tree" of Dr. Naismith, is a member of the National 10 Basketball Hall of Fame, was named America's Best Basketball Coach by Forbes Magazine this year, became only the fourth active and 13th all-time coach to win two or more NCAA men's 11 12 basketball championships, has coached teams to seven Final Fours (five in the last eight years), 13 is third all-time and second among active coaches in NCAA Tournament victories, has a record 14 20 consecutive years winning at least one game in the NCAA tournament, holds the record for 15 active coaches for most consecutive NCAA tournament appearances, has led Carolina to four 16 ACC regular season championships in the last six years, and has the highest winning 17 percentage among active coaches; and

18 Whereas, Assistant Coaches Joe Holladay, Steve Robinson, C.B. McGrath, and 19 Jerod Haase have helped Coach Williams lead Carolina to two National Championships in the 20 last five years; and

Whereas, Inside Higher Education also did a 2009 NCAA Bracket Competition
 based on Academic Progress Rates and Carolina won this national championship also; and

Whereas, the University of North Carolina at Chapel Hill is home to many firsts and achievements, including being established as the first public university in the nation, being the only public university to admit students in the 18<sup>th</sup> century, being acknowledged nationwide for excellence in athletics as well as academics, and being justifiably proud of a sky that is a particularly beautiful shade of blue; Now, therefore,

28 Be it resolved by the Senate, the House of Representatives concurring:
