9 G.S. 105-164.16. A return is due quarterly. A quarterly return covers a calendar quarter and is

11 this subsection, taxable gross receipts are the gross receipts derived by the establishment that
12 result in a person's eligibility to operate a sweepstakes device at the establishment to determine

2 Article 9 of this Chapter apply to taxes levied under the authority of this section in the same
3 manner and to the same extent as they apply to taxes levied by the State under this Article.

4 (g) Nature. – The General Assembly finds that the revenue distributed under this
5 section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of
6 the North Carolina Constitution and may not be reduced or withheld by the Governor.

25 The temporary license issued pursuant to this subsection is valid through September 30, 2013.
26 To obtain a permanent license, a licensee must submit the required certificate or report to the
27 Secretary on or before September 30, 2013. All applications for a license submitted on or after
