6 amended by adding a new Article to read:

10 The following definitions apply in this Article:

12 an employing unit that has a least two employees to which an approved  
13 short-time compensation plan applies.

15 Division as provided by this Article.
- 16 (3) Health and retirement benefits. – Employer-provided health benefits and  
17 retirement benefits under a defined benefit pension plan as defined in section

20 or that are incidents of employment in addition to the cash remuneration  
21 earned.
- 22 (4) Program. – Short-time compensation program established pursuant to this  
23 Article.
- 24 (5) Short-time compensation. – The unemployment benefits payable to  
25 employees in an affected unit under an approved short-time compensation

29 approval by an affected unit of the employer to avert layoffs.
- 30 (7) Unemployment compensation. – The unemployment benefits payable under  
31 this Article other than short-time compensation and includes any amounts  
32 payable pursuant to an agreement under any federal law providing for

- 34 (8) Usual weekly hours of work. – The usual hours of work for full-time or  
35 part-time employees in the affected unit when that unit is operating on its

1 regular basis, not to exceed 40 hours and not including hours of overtime  
2 work.

3 **"§ 96-41. Application to participate in short-time compensation program.**

4 (a) An employer that wishes to participate in the Program shall submit to the Division a  
5 signed, written short-time compensation plan for approval. The Division shall develop an  
6 application form to request approval of a plan and an approval process. The application shall  
7 include:

8 (1) The affected unit or units covered by the plan, including the number of  
9 full-time or part-time workers in the unit, identification of each individual  
10 employee in the affected unit by name, Social Security number, and the  
11 employer's unemployment tax account number, and any other information  
12 required by the Division to identify plan participants.

13 (2) A description of how workers in the affected unit will be notified of the  
14 employer's participation in the plan if the application is approved, including  
15 how the employer will notify those workers in a collective bargaining unit as  
16 well as any workers in the affected unit who are not in a collective  
17 bargaining unit. If the employer will not provide advance notice to workers  
18 in the affected unit, the employer shall explain in a statement in the  
19 application why it is not feasible to provide the notice.

20 (3) A requirement that the employer identify the usual weekly hours of work for  
21 employees in the affected unit and the specific percentage by which their  
22 hours will be reduced during all weeks covered by the plan. An application  
23 shall specify the overall work reduction for which a short-time compensation  
24 application may be approved, which shall be not less than ten percent (10%)  
25 and not more than sixty percent (60%) of the usual work hours during that  
26 period. If the plan includes any week for which the employer regularly  
27 provides no work due to a holiday or other plant closing, then the week shall  
28 be identified in the application. Notwithstanding the other provisions of this  
29 subdivision, an employer shall be allowed some weeks of complete plant  
30 shutdown in appropriate industries or given certain modes of operation.

31 (4) Certification by the employer that, if the employer provides health benefits  
32 and retirement benefits to any employee whose usual weekly hours of work  
33 are reduced under the Program, the benefits will continue to be provided to  
34 employees participating in the Program under the same terms and conditions  
35 as though the usual weekly hours of the employee had not been reduced or to  
36 the same extent as other employees not participating in the Program. For  
37 defined benefit retirement plans, the hours that are reduced under the plan  
38 shall be credited for purposes of participation, vesting, and accrual of  
39 benefits as though the usual weekly hours of work had not been reduced.  
40 The dollar amount of employer contributions to a defined contribution plan  
41 that are based on a percentage of compensation may be due less to the  
42 reduction in the employee's compensation. However, an application may  
43 contain the required certification when a reduction in health and retirement  
44 benefits scheduled to occur during the duration of the plan will be applicable  
45 equally to employees who are not participating in the Program and to those  
46 employees who are participating.

47 (5) Certification by the employer that the aggregate reduction in work hours is  
48 in lieu of layoffs, whether temporary or permanent layoffs or both.

49 (6) Agreement by the employer to (i) furnish reports to the Division relating to  
50 the proper conduct of the plan, (ii) allow the Division access to all records  
51 necessary to approve or disapprove the plan application and, after approval

1 of the plan, monitor and evaluate the plan, and (iii) follow any other  
2 directives the Division deems necessary for the agency to implement the  
3 plan and that are consistent with the requirements for plan applications.

4 (7) Certification by the employer that participation in the plan and its  
5 implementation is consistent with the employer's obligations under  
6 applicable federal and State laws.

7 (8) The effective date and duration of the plan, which shall expire no later than  
8 the end of the 12th full calendar month after the effective date.

9 (9) Any other provision added to the application by the Division that the U.S.  
10 Secretary of Labor determines to be appropriate for purpose of this Program.

11 (b) Regarding employers in appropriate industries or that have certain modes of  
12 operation, and only if the employer demonstrates good cause, the Division may allow  
13 flexibility in the application process in cases where it is reasonable not to require specific dates  
14 and hours in the application, notwithstanding the provisions of subsection (a) of this section.

15 **"§ 96-42. Approval and disapproval of plan.**

16 The Division shall approve or disapprove a short-time compensation plan in writing within  
17 30 days of its receipt and promptly communicate the decision to the employer. A decision  
18 disapproving the plan shall clearly identify the reasons for the disapproval. The disapproval  
19 shall be final, but the employer shall be allowed to submit another plan for approval not earlier  
20 than 90 days from the date of the disapproval.

21 **"§ 96-43. Effective date and duration of plan.**

22 A short-time compensation plan shall be effective on the date that is mutually agreed upon  
23 by the employer and the Division, which shall be specified in the notice of approval to the  
24 employer. The plan shall expire on the date specified in the notice of approval, which shall be  
25 either the date at the end of the 12th full calendar month after its effective date or an earlier date  
26 mutually agreed upon by the employer and the Division. However, if a short-time  
27 compensation plan is revoked under G.S. 96-44, the plan shall terminate on the date specified  
28 in the Division's written order of revocation. An employer may terminate a plan at any time  
29 upon written notice to the Division. Upon receipt of notice from the employer, the Division  
30 shall promptly notify each member of the affected unit of the termination date. An employer  
31 may submit a new application to participate in another plan at any time after the expiration or  
32 termination date.

33 **"§ 96-44. Revocation of approval of plan.**

34 (a) The Division may revoke approval of a short-time compensation plan for good  
35 cause at any time. The revocation order shall be in writing and shall specify the reasons for the  
36 revocation and the date the revocation is effective. The Division shall state clearly the reasons  
37 for the revocation.

38 (b) The Division may periodically review the operation of each employer's plan to  
39 assure that no good cause exists for revocation of the approval of the plan. Good cause shall  
40 include, but not be limited to, failure to comply with the assurances given in the plan,  
41 unreasonable revision of productivity standards for the affected unit, conduct or occurrences  
42 tending to defeat the intent and effective operation of the plan, and violation of any criteria on  
43 which approval of the plan was based.

44 **"§ 96-45. Modification of approved plan.**

45 (a) An employer may request a modification of an approved plan by filing a written  
46 request to the Division. The request shall identify the specific provisions proposed to be  
47 modified and provide an explanation of why the proposed modification is appropriate for the  
48 plan. The Division shall approve or disapprove the proposed modification in writing within 30  
49 days of receipt and promptly communicate the decision to the employer.

50 (b) The Division, in its discretion, may approve a request for modification of the plan  
51 based on conditions that have changed since the plan was approved, provided that the

1 modification is consistent with and supports the purposes for which the plan was initially  
2 approved. A modification shall not extend the expiration date of the original plan, and the  
3 Division shall promptly notify the employer whether the plan modification has been approved  
4 and, if approved, the effective date of modification.

5 (c) An employer is not required to request approval of a plan modification if the change  
6 is not substantial, but the employer shall report every change to the plan to the Division  
7 promptly and in writing. The Division may terminate an employer's plan if the employer fails to  
8 meet this reporting requirement. If the Division determines that the reported change is  
9 substantial, the Division shall require the employer to request a modification to the plan.

10 (d) The Division shall use its best efforts to provide for timely and flexible  
11 modifications. The provisions of this section shall be liberally construed so as to provide the  
12 most flexibility for employers and the Division in order to carry out the purposes of this  
13 Article.

14 **"§ 96-46. Eligibility for short-time compensation.**

15 An individual is eligible to receive short-time compensation with respect to any week only  
16 if the individual is monetarily eligible for unemployment compensation, not otherwise  
17 disqualified for unemployment compensation, and:

18 (1) During the week, the individual is employed as a member of an affected unit  
19 under an approved short-time compensation plan, which was approved prior  
20 to that week, and the plan is in effect with respect to the week for which  
21 short-time compensation is claimed;

22 (2) Notwithstanding any other provisions of this Chapter relating to availability  
23 for work and actively seeking work, the individual is available for the  
24 individual's usual hours of work with the short-time compensation employer,  
25 which may include, for purposes of this section, participating in training to  
26 enhance job skills that is approved by the Division as employer-sponsored  
27 training or training funded under the Workforce Investment Act of 1998; and

28 (3) Notwithstanding any other provision of law, an individual covered by a plan  
29 is deemed unemployed in any week during the duration of the plan if the  
30 individual's remuneration as an employee in an affected unit is reduced  
31 based on a reduction of the individual's usual weekly hours of work under an  
32 approved short-time compensation plan.

33 **"§ 96-47. Benefits.**

34 (a) The short-time compensation weekly benefit amount shall be the product of the  
35 regular weekly unemployment compensation amount for a week of total unemployment  
36 multiplied by the percentage of reduction in the individual's usual weekly hours of work.

37 (b) An individual may be eligible for short-time compensation or unemployment  
38 compensation, as appropriate, except that no individual shall be:

39 (1) Eligible for combined benefits in any benefit year in an amount more than  
40 the maximum entitlement established for regular unemployment  
41 compensation; and

42 (2) Paid short-time compensation benefits for more than 52 weeks under a plan.

43 (c) The short-time compensation paid to an individual shall be deducted from the  
44 maximum entitlement amount of regular unemployment compensation established for the  
45 individual's benefit year.

46 (d) Provisions applicable to unemployment compensation claimants shall apply to  
47 short-time compensation claimants to the extent that they are not inconsistent with the  
48 Program's provisions. An individual who files an initial claim for short-time compensation  
49 benefits shall receive a monetary determination.

1       (e) The following provisions apply to individuals who work for both a short-time  
2 compensation employer and another employer during weeks covered by the approved  
3 short-time compensation plan:

4           (1) If combined hours of work in a week for both employers do not result in a  
5 reduction of at least ten percent (10%) or, if higher, the minimum percentage  
6 of reduction required to be eligible for a short-time compensation benefit as  
7 provided in this title, of the usual weekly hours of work with the short-time  
8 employer, the individual shall not be entitled to benefits under these  
9 short-time compensation provisions.

10          (2) If the combined hours of work for both employers results in a reduction  
11 equal to or greater than ten percent (10%) or, if higher, the minimum  
12 percentage reduction required to be eligible for a short-time compensation  
13 employer, the short-time compensation benefit amount payable to the  
14 individual is reduced for that week and is determined by multiplying the  
15 weekly unemployment benefit amount for a week of total unemployment by  
16 the percentage by which the combined hours of work have been reduced by  
17 ten percent (10%) or, if higher, the minimum percentage reduction required  
18 to be eligible for a short-time compensation benefit as provided in this title,  
19 or more of the individual's usual weekly hours of work. A week for which  
20 benefits are paid under this subdivision shall be reported as a week of  
21 short-time compensation.

22          (3) If an individual worked the reduced percentage of the usual weekly hours of  
23 work for the short-time compensation employer and is available for all his or  
24 her usual hours of work with the short-time compensation employer, and the  
25 individual did not work any hours for the other employer, either because of  
26 the lack of work with that employer or because the individual is excused  
27 from work with the other employer, the individual shall be eligible for  
28 short-time compensation for that week. The benefit amount for the week  
29 shall be calculated as provided in subsection (a) of this section.

30       (f) An individual who is not provided any work during a week by the short-time  
31 compensation employer, or any other employer, and who is otherwise eligible for  
32 unemployment compensation shall be eligible for the amount of regular unemployment  
33 compensation to which the individual would otherwise be eligible.

34       (g) An individual who is not provided any work by the short-time compensation  
35 employer during a week, but who works for another employer and is otherwise eligible, may be  
36 paid unemployment compensation for that week subject to the disqualifying income or other  
37 provision applicable to claims for regular compensation.

38 **"§ 96-48. Changing short-time compensation benefits.**

39 Short-time compensation shall be charged to employers' experience rating accounts in the  
40 same manner as unemployment compensation is charged under this Chapter. Employers liable  
41 for payments in lieu of contributions shall have short-time compensation attributed to service in  
42 their employ in the same manner as unemployment compensation is attributed.

43 **"§ 96-49. Extended benefits.**

44 An individual who has received all of the short-time compensation or combined  
45 unemployment compensation and short-time compensation available in a benefit year shall be  
46 considered an exhaustee for purposes of extended benefits, and if otherwise eligible under those  
47 provisions, shall be eligible to receive extended benefits.

48 **"§ 96-50. Severability.**

49 If any provision of this Article is found by the U.S. Department of Labor to be in violation  
50 of federal law, the finding shall render the provision of this Article inoperative, but the finding

1 shall invalidate the remaining provisions of this Article and is confined in its operation to the  
2 specific provision found to be in violation of federal law."

3 **SECTION 2.** This act is effective when it becomes law.
