GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2015

S SENATE BILL 560

Short Title:	GDAC Amendments.	(Public)
Sponsors:	Senators Hise (Primary Sponsor); Clark and Tarte.	
Referred to:	Rules and Operations of the Senate.	

March 30, 2015

A BILL TO BE ENTITLED

AN ACT TO RECODIFY, REORGANIZE, AND CLARIFY THE PROVISIONS OF THE GOVERNMENT DATA ANALYTICS CENTER STATUTE.

The General Assembly of North Carolina enacts:

1 2

SECTION 1. G.S. 143B-426.38A is recodified as G.S. 147-33.77A and reads as rewritten:

"\sum \frac{143B-426.38A.\sum \frac{147-33.77A.}{147-33.77A.} Government Data Analytics \frac{Center; State data-sharing requirements. Center.}

- (a) State Government Data Analytics. The State shall initiate across State agencies, departments, and institutions a data integration and data-sharing initiative that is not intended to replace transactional systems but is instead intended to leverage the data from those systems for enterprise-level State business intelligence as follows:
 - (1) Creation of initiative. In carrying out the purposes of this section, the Office of the State Chief Information Officer (CIO) shall conduct an ongoing, comprehensive evaluation of State data analytics projects and plans in order to identify data integration and business intelligence opportunities that will generate greater efficiencies in, and improved service delivery by, State agencies, departments, and institutions. The State CIO shall continue to utilize public private partnerships and existing data integration and analytics contracts and licenses as appropriate to continue the implementation of the initiative.
 - (2) Application to State government. The initiative shall include all State agencies, departments, and institutions, including The University of North Carolina.
 - (3) Governance. The State CIO shall lead the initiative established pursuant to this section. The Chief Justice of the North Carolina Supreme Court and the Legislative Services Commission each shall designate an officer or agency to advise and assist the State CIO with respect to implementation of the initiative in their respective branches of government. The judicial and legislative branches shall fully cooperate in the initiative mandated by this section in the same manner as is required of State agencies.
 - (a) <u>Definitions. The following definitions apply in this section:</u>
 - (1) Business intelligence. The process of collecting, organizing, sharing, and analyzing data through integrated data management, reporting, visualization, and advanced analytics to discover patterns and other useful information that

1		will	allow policymakers and State officials to make more informed
2		decisi	ons. Business intelligence also includes both of the following:
3		<u>a.</u>	Broad master data management capabilities such as data integration,
4			data quality and enrichment, data governance, and master data
5			management to collect, reference, and categorize information from
6			multiple sources.
7		<u>b.</u>	Self-service query and reporting capabilities to provide timely,
8			relevant, and actionable information to business users delivered
9			through a variety of interfaces, devices, or applications based on their
10			specific roles and responsibilities.
11	<u>(2)</u>	Data	analytics. – Data analysis, including the ability to use the data for
12	<u>(2)</u>		ment and extraction of policy-relevant information.
13	(3)		orise-level data analytics. – Standard analytics capabilities and services
14	(3)	-	ging data throughout all State agencies, departments, and institutions.
15	(b) Gover		Data Analytics Center. – The Government Data Analytics Center
16			the Office of Information Technology Services.
17			C established. There is established in the Office of the State CIO the
	(1)		
18			rnment Data Analytics Center (GDAC). Purpose. – The purpose of the
19			C is to utilize public-private partnerships as part of a statewide data
20		_	ation and data-sharing initiative and to identify data integration and
21			ess intelligence opportunities that will generate greater efficiencies in,
22			improved service delivery by, State agencies, departments, and
23			tions. The intent is not to replace transactional systems but to leverage
24			ata from those systems for enterprise-level State business intelligence.
25			SDAC shall continue the work, purpose, and resources of the previous
26			ntegration effort in the Office of the State Controller efforts and shall
27			vise advise and assist the State CIO in the management of the
28			ive. The State CIO shall make any organizational changes necessary to
29			nize the effectiveness and efficiency of the GDAC.
30	(2)	Power	rs and duties of the GDAC. duties The State CIO shall, through the
31		GDA	C, do all of the following:
32		a.	Continue and coordinate ongoing enterprise data integration efforts,
33			including:
34			1. The deployment, support, technology improvements, and
35			expansion for the Criminal Justice Law Enforcement
36			Automated Data System (CJLEADS).
37			2. The pilot and subsequent phase initiative for the North
38			Carolina Financial Accountability and Compliance
39			Technology System (NCFACTS).
40			3. Individual-level student data and workforce data from all
41			levels of education and the State workforce.
42			4. Other capabilities capabilities as developed as part of the
43			initiative.by the GDAC.
44		b.	Identify technologies currently used in North Carolina that have the
45			capability to support the initiative.
46		c.	Identify other technologies, especially those with unique capabilities,
47			capabilities that are complementary to existing technology standards,
48			and that could support the State's business intelligence effort.
49		d.	Compare capabilities and costs across State agencies.
50		e.	Ensure implementation is properly supported across State agencies.
50		U .	Endate implementation is properly supported across state agencies.

- Session 2015 Ensure that data integration and sharing is performed in a manner that preserves data privacy and security in transferring, storing, and Immediately seek any waivers and enter into any written agreements that may be required by State or federal law to effectuate data sharing and to carry out the purposes of this section. Coordinate data requirements and usage for State business intelligence applications in a manner that (i) limits impacts on participating State agencies as those agencies provide data and business knowledge expertise and (ii) assists in defining business rules so the data can be properly used. Recommend the most cost-effective and reliable long-term hosting solution for enterprise-level State business intelligence as well as data integration, notwithstanding Section 6A.2(f) of S.L. 2011–145. any other provision of State law or regulation. Utilize a common approach that establishes standards for business intelligence initiatives for all State agencies and prevents the development of projects that do not meet the established standards. The creation of efficiencies in State government by ensuring that State agencies use the GDAC for agency business intelligence Application to State government. – The initiative shall include all State agencies, departments, and institutions, including The University of North Carolina, as follows: All State agency business intelligence requirements, including any a. planning or development efforts associated with creating business intelligence capability, as well as any master data management efforts, shall be implemented through the GDAC. The Chief Justice of the North Carolina Supreme Court and the <u>b.</u> Legislative Services Commission each shall designate an officer or
 - agency to advise and assist the State CIO with respect to implementation of the initiative in their respective branches of government. The judicial and legislative branches shall fully cooperate in the initiative mandated by this section in the same manner as is required of State agencies.
- (4) Project management. – The State CIO, with the assistance of the Office of State Budget and Management, shall identify potential funding sources for expansion of existing projects or development of new projects. No GDAC project shall be initiated, extended, or expanded:
 - Without the specific approval of the General Assembly, unless the <u>a.</u> project can be implemented within funds appropriated for GDAC projects.
 - Without prior consultation to the Joint Legislative Commission on <u>b.</u> Governmental Operations and a report to the Joint Legislative Oversight Committee on Information Technology if the project can be implemented within funds appropriated for GDAC projects.
- Implementation of the Enterprise Level Business Intelligence Initiative. (c)
 - Phases of the initiative. The initiative shall eyele through these phases on (1) an ongoing basis as follows:
 - Phase I requirements. In the first phase, the State CIO through a. GDAC shall:

Page 3 S560 [Edition 1]

1			tory existing State agency business intelligence projects,
2			ompleted and under development.
3	2.	Devel	op a plan of action that does all of the following:
4 5		I.	Defines the program requirements, objectives, and end state of the initiative.
6		II.	Prioritizes projects and stages of implementation in a
7			detailed plan and benchmarked time line.
8		III.	Includes the effective coordination of all of the State's
9			current data integration initiatives.
10		IV.	Utilizes a common approach that establishes standards
11			for business intelligence initiatives for all State
12			agencies and prevents the development of projects
13			that do not meet the established standards.
14		V.	Determines costs associated with the development
15			efforts and identifies potential sources of funding.
16		VI.	Includes a privacy framework for business
17			intelligence consisting of adequate access controls and
18		X 777	end user security requirements.
19		VII.	Estimates expected savings.
20	3.	Ctoto	tory existing external data sources that are purchased by
21 22			agencies to determine whether consolidation of licenses
23			ropriate for the enterprise.
23 24			mine whether current, ongoing projects support the
25	5.	Deter	rise-level objectives. mine whether current applications are scalable or are
26	5.	annlic	able for multiple State agencies or both.
27			irements. In the second phase, the State CIO through
28	the GD		
29			fy redundancies and recommend to the General
30			ably any projects that should be discontinued.
31			mine where gaps exist in current or potential
32		capabi	
33	e. Phase I	II requ	virements. In the third phase:
34	1.	The	State CIO through GDAC shall incorporate or
35			lidate existing projects, as appropriate.
36			tate CIO shall, notwithstanding G.S. 147-33.76 or any
37			adopted pursuant thereto, eliminate redundant business
38			gence projects, applications, software, and licensing.
39			tate CIO through GDAC shall complete all necessary
40		-	to ensure data integration in a manner that adequately
41			ts privacy.
42			The State CIO shall ensure that all current and new
43	larva raliaiaa	gence	data analytics projects are in compliance with all State
44 45	nroject manage	ana ri mont	ales pertaining to information technology procurement,
46			and project funding and that they include quantifiable as to the State. The State CIO shall report to the Joint
40 47			t Committee on Information Technology on projects
48			g projected savings. The report shall include a proposed
49			or the project.
50			e State CIO, with the assistance of the Office of State
51			ement, shall identify potential funding sources for
- 1	Dauget und 1		potential randing boards for

Page 4 S560 [Edition 1]

1			-	sion of existing projects or development of new projects. No GDAC
2			projec	t shall be initiated, extended, or expanded:
3			a.	Without the specific approval of the General Assembly unless the
4				project can be implemented within funds appropriated for GDAC
5				projects.
6			b.	Without prior consultation to the Joint Legislative Commission on
7				Governmental Operations and a report to the Joint Legislative
8				Oversight Committee on Information Technology if the project can
9	()	D	11 .	be implemented within funds appropriated for GDAC projects.
10	<u>(c)</u>		Sharing.	
11		<u>(1)</u>		al duties of all State agencies. – Except as limited or prohibited by
12				l law, the head of each State agency, department, and institution shall
13				of the following: Creat the State CIO and the CDAC access to all information required.
14 15			<u>a.</u>	Grant the State CIO and the GDAC access to all information required
15 16				to develop and support State business intelligence applications
16 17				pursuant to this section. The State CIO and the GDAC shall take all
17 18				necessary actions and precautions, including training, certifications,
10 19				background checks, and governance policy and procedure, to ensure the security, integrity, and privacy of the data in accordance with
20				State and federal law and as may be required by contract.
21			h	Provide complete information on the State agency's information
22			<u>b.</u>	technology, operational, and security requirements.
23			C	Provide information on all of the State agency's information
24			<u>c.</u>	technology activities relevant to the State business intelligence effort.
25			<u>d.</u>	Forecast the State agency's projected future business intelligence
26			<u>u.</u>	information technology needs and capabilities.
27			<u>e.</u>	Ensure that the State agency's future information technology
28			<u>v.</u>	initiatives coordinate efforts with the GDAC to include planning and
29				development of data interfaces to incorporate data into the initiative
30				and to ensure the ability to leverage analytics capabilities.
31			<u>f.</u>	Provide technical and business resources to participate in the
32				initiative by providing, upon request and in a timely and responsive
33				manner, complete and accurate data, business rules and policies, and
34				support.
35			<u>g.</u>	Identify potential resources for deploying business intelligence in
36			<u></u>	their respective State agencies and as part of the enterprise-level
37				effort.
38			<u>h.</u>	Immediately seek any waivers and enter into any written agreements
39				that may be required by State or federal law to effectuate data sharing
40				and to carry out the purposes of this section, as appropriate.
41		<u>(2)</u>	Specif	ic requirements. – The State CIO and the GDAC shall enhance the
42			State's	business intelligence through the collection and analysis of data
43			<u>relatin</u>	g to workers' compensation claims for the purpose of preventing and
44			detecti	ng fraud, as follows:
45			<u>a.</u>	The North Carolina Industrial Commission shall release to the
46				GDAC, or otherwise provide electronic access to, all data requested
47				by the GDAC relating to workers' compensation insurance coverage,
48				claims, appeals, compliance, and enforcement under Chapter 97 of
49				the General Statutes.
50			<u>b.</u>	The North Carolina Rate Bureau (Bureau) shall release to the GDAC,
51				or otherwise provide electronic access to, all data requested by the

1 GDAC relating to workers' compensation insurance coverage, 2 claims, business ratings, and premiums under Chapter 58 of the 3 General Statutes. The Bureau shall be immune from civil liability for 4 releasing information pursuant to this subsection, even if the 5 information is erroneous, provided the Bureau acted in good faith 6 and without malicious or willful intent to harm in releasing the 7 information. 8 The Department of Commerce, Division of Employment Security <u>c.</u> 9 (DES), shall release to the GDAC, or otherwise provide access to, all 10 data requested by the GDAC relating to unemployment insurance 11 coverage, claims, and business reporting under Chapter 96 of the 12 General Statutes. 13 The Department of Labor shall release to the GDAC, or otherwise d. 14 provide access to, all data requested by the GDAC relating to safety 15 inspections, wage and hour complaints, and enforcement activities 16 under Chapter 95 of the General Statutes. 17 The Department of Revenue shall release to the GDAC, or otherwise <u>e.</u> provide access to, all data requested by the GDAC relating to the 18 19 registration and address information of active businesses, business 20 tax reporting, and aggregate federal tax Form 1099 data for 21 comparison with information from DES, the Rate Bureau, and the 22 Department of the Secretary of State for the evaluation of business 23 reporting. Additionally, the Department of Revenue shall furnish to 24 the GDAC, upon request, other tax information, provided that the 25 information furnished does not impair or violate 26 information-sharing agreements between the Department and the 27 United States Internal Revenue Service. Notwithstanding any other provision of law, a determination of whether furnishing the 28 29 information requested by the GDAC would impair or violate any 30 information-sharing agreements between the Department of Revenue 31 and the United States Internal Revenue Service shall be within the sole discretion of the State Chief Information Officer. The 32 33 Department of Revenue and the Office of the State CIO shall work 34 jointly to assure that the evaluation of tax information pursuant to 35 this sub-subdivision is performed in accordance with applicable 36 federal law. All information shared with the GDAC and the State CIO under this 37 (3) 38 subsection is protected from release and disclosure in the same manner as 39 any other information is protected under this subsection. 40 Provisions on Privacy and Confidentiality of Information. – (d) Status with respect to certain information. - The State CIO and the GDAC 41 (1) 42 shall be deemed to be all of the following for the purposes of this section: 43 With respect to criminal information, and to the extent allowed by <u>a.</u> 44 federal law, a criminal justice agency (CJA), as defined under 45 Criminal Justice Information Services (CJIS) Security Policy. The State CJIS Systems Agency (CSA) shall ensure that CJLEADS 46 47 receives access to federal criminal information deemed to be 48 essential in managing CJLEADS to support criminal justice 49 professionals.

Page 6 S560 [Edition 1]

- b. With respect to health information covered under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended, and to the extent allowed by federal law:
 - 1. A business associate with access to protected health information acting on behalf of the State's covered entities in support of data integration, analysis, and business intelligence.
 - 2. Authorized to access and view individually identifiable health information, provided that the access is essential to the enterprise fraud, waste, and improper payment detection program or required for future initiatives having specific definable need for such data.
- c. Authorized to access all State and federal data, including revenue and labor information, deemed to be essential to the enterprise fraud, waste, and improper payment detection program or future initiatives having specific definable need for the data.
- d. Authorized to develop agreements with the federal government to access data deemed to be essential to the enterprise fraud, waste, and improper payment detection program or future initiatives having specific definable need for such data.
- (2) Release of information. The following limitations apply to (i) the release of information compiled as part of the initiative, (ii) data from State agencies that is incorporated into the initiative, and (iii) data released as part of the implementation of the initiative:
 - a. Information compiled as part of the initiative. Notwithstanding the provisions of Chapter 132 of the General Statutes, information compiled by the State CIO and the GDAC related to the initiative may be released as a public record only if the State CIO, in that officer's sole discretion, finds that the release of information is in the best interest of the general public and is not in violation of law or contract.
 - b. Data from State agencies. Any data that is not classified as a public record under G.S. 132-1 shall not be deemed a public record when incorporated into the data resources comprising the initiative. To maintain confidentiality requirements attached to the information provided to the State CIO and the GDAC, each source agency providing data shall be the sole custodian of the data for the purpose of any request for inspection or copies of the data under Chapter 132 of the General Statutes.
 - c. Data released as part of implementation. Information released to persons engaged in implementing the State's business intelligence strategy under this section that is used for purposes other than official State business is not a public record pursuant to Chapter 132 of the General Statutes.
 - d. Data from North Carolina Rate Bureau. Notwithstanding any other provision of this section, any data released by or obtained from the North Carolina Rate Bureau under this initiative relating to workers' compensation insurance claims, business ratings, or premiums are not public records, and public disclosure of such data, in whole or in part, by the GDAC or State CIO, or by any State agency, is prohibited.

- (d)(e) Funding. The Office of the State CIO, Information Technology Services, with the support of the Office of State Budget and Management, shall identify and make all efforts to secure any matching funds or other resources to assist in funding this initiative. the GDAC. Savings resulting from the cancellation of projects, software, and licensing, as well as any other savings from the initiative, utilization of the GDAC, shall be returned to the General Fund and shall remain unexpended and unencumbered until appropriated by the General Assembly in a subsequent fiscal year. It is the intent of the General Assembly that expansion of the initiative GDAC in subsequent fiscal years be funded with these savings and that the General Assembly appropriate funds for projects in accordance with the priorities identified by the Office of the State CIO in Phase I of the initiative.CIO.
 - (d1) Repealed by Session Laws 2014-100, s. 7.6(a), effective July 1, 2014.
 - (e)(f) Reporting. The Office of the State CIO shall:
 - (1) Submit and present quarterly reports on implementation of Phase I of the initiative and the plan developed as part of that phase the activities described in this section to the Chairs of the House of Representatives Appropriations and Senate Base Budget/Appropriations Committees, to the Joint Legislative Oversight Committee on Information Technology, and to the Fiscal Research Division of the General Assembly. The State CIO shall submit a report prior to implementing any improvements, expending funding for expansion of existing business intelligence efforts, or establishing other projects as a result of its evaluations, and quarterly thereafter, a written report detailing progress on, and identifying any issues associated with, State business intelligence efforts.
 - (2) Report the following information as needed: upon its occurrence or as requested:
 - a. Any failure of a State agency to provide information requested pursuant to this section. The failure shall be reported to the Joint Legislative Oversight Committee on Information Technology and to the Chairs of the House of Representatives Appropriations and Senate Base Budget/Appropriations Committees.
 - b. Any additional information to the Joint Legislative Commission on Governmental Operations and the Joint Legislative Oversight Committee on Information Technology that is requested by those entities.
 - c. The State CIO shall report to the Joint Legislative Oversight
 Committee on Information Technology on projects that are not
 achieving projected savings. The report shall include a proposed
 corrective action plan for the project.
 - (f) Data Sharing.
 - (1) General duties of all State agencies. Except as limited or prohibited by federal law, the head of each State agency, department, and institution shall do all of the following:
 - a. Grant the Office of the State CIO access to all information required to develop and support State business intelligence applications pursuant to this section. The State CIO and the GDAC shall take all necessary actions and precautions, including training, certifications, background checks, and governance policy and procedure, to ensure the security, integrity, and privacy of the data in accordance with State and federal law and as may be required by contract.
 - b. Provide complete information on the State agency's information technology, operational, and security requirements.

Page 8 S560 [Edition 1]

	- General Assemb	ny or iv	of the Carolina Session 2015
1		e.	Provide information on all of the State agency's information
2			technology activities relevant to the State business intelligence effort.
3		d.	Forecast the State agency's projected future business intelligence
4			information technology needs and capabilities.
5		e.	Ensure that the State agency's future information technology
6		О.	initiatives coordinate efforts with the GDAC to include planning and
7			development of data interfaces to incorporate data into the initiative
8			
		c	and to ensure the ability to leverage analytics capabilities.
9		f.	Provide technical and business resources to participate in the
10			initiative by providing, upon request and in a timely and responsive
11			manner, complete and accurate data, business rules and policies, and
12			support.
13		g.	Identify potential resources for deploying business intelligence in
14			their respective State agencies and as part of the enterprise-level
15			effort.
16		h.	Immediately seek any waivers and enter into any written agreements
17			that may be required by State or federal law to effectuate data sharing
18			and to carry out the purposes of this section, as appropriate.
19	(2)	Speci	Fic requirements. The State CIO and the GDAC shall enhance the
20	(-)		business intelligence through the collection and analysis of data
21			ing to workers' compensation claims for the purpose of preventing and
22			ing fraud, as follows:
23			The North Carolina Industrial Commission shall release to GDAC, or
24		a.	
24 25			otherwise provide electronic access to, all data requested by GDAC
			relating to workers' compensation insurance coverage, claims,
26			appeals, compliance, and enforcement under Chapter 97 of the
27			General Statutes.
28		b.	The North Carolina Rate Bureau (Bureau) shall release to GDAC, or
29			otherwise provide electronic access to, all data requested by GDAC
30			relating to workers' compensation insurance coverage, claims,
31			business ratings, and premiums under Chapter 58 of the General
32			Statutes. The Bureau shall be immune from civil liability for
33			releasing information pursuant to this subsection, even if the
34			information is erroneous, provided the Bureau acted in good faith
35			and without malicious or willful intent to harm in releasing the
36			information.
37		e.	The Department of Commerce, Division of Employment Security
38			(DES), shall release to GDAC, or otherwise provide access to, all
39			data requested by GDAC relating to unemployment insurance
40			coverage, claims, and business reporting under Chapter 96 of the
41			General Statutes.
42		d.	The Department of Labor shall release to GDAC, or otherwise
43		u.	•
			provide access to, all data requested by GDAC relating to safety
44 45			inspections, wage and hour complaints, and enforcement activities
45			under Chapter 95 of the General Statutes.
46		e.	The Department of Revenue shall release to GDAC, or otherwise
47			provide access to, all data requested by GDAC relating to the
48			registration and address information of active businesses, business
49			tax reporting, and aggregate federal tax Form 1099 data for
50			comparison with information from DES, the Rate Bureau, and the
51			Department of the Secretary of State for the evaluation of business

reporting. Additionally, the Department of Revenue shall furnish to the GDAC, upon request, other tax information, provided that the information furnished does not impair or violate any information sharing agreements between the Department and the United States Internal Revenue Service. Notwithstanding any other provision of law, a determination of whether furnishing the information requested by GDAC would impair or violate any information-sharing agreements between the Department of Revenue and the United States Internal Revenue Service shall be within the sole discretion of the State Chief Information Officer. The Department of Revenue and the Office of the State CIO shall work jointly to assure that the evaluation of tax information pursuant to this subdivision is performed in accordance with applicable federal law.

- (3) All information shared with GDAC and the State CIO under this subdivision is protected from release and disclosure in the same manner as any other information is protected under this section.
- (g) Provisions on Privacy and Confidentiality of Information.
 - (1) Status with respect to certain information. The State CIO and the GDAC shall be deemed to be all of the following for the purposes of this section:
 - With respect to criminal information, and to the extent allowed by federal law, a criminal justice agency (CJA), as defined under Criminal Justice Information Services (CJIS) Security Policy. The State CJIS Systems Agency (CSA) shall ensure that CJLEADS receives access to federal criminal information deemed to be essential in managing CJLEADS to support criminal justice professionals.
 - b. With respect to health information covered under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended, and to the extent allowed by federal law:
 - 1. A business associate with access to protected health information acting on behalf of the State's covered entities in support of data integration, analysis, and business intelligence.
 - 2. Authorized to access and view individually identifiable health information, provided that the access is essential to the enterprise fraud, waste, and improper payment detection program or required for future initiatives having specific definable need for the data.
 - c. Authorized to access all State and federal data, including revenue and labor information, deemed to be essential to the enterprise fraud, waste, and improper payment detection program or future initiatives having specific definable need for the data.
 - d. Authorized to develop agreements with the federal government to access data deemed to be essential to the enterprise fraud, waste, and improper payment detection program or future initiatives having specific definable need for such data.
 - Release of information. The following limitations apply to (i) the release of information compiled as part of the initiative, (ii) data from State agencies that is incorporated into the initiative, and (iii) data released as part of the implementation of the initiative:

Page 10 S560 [Edition 1]

- Information compiled as part of the initiative. Notwithstanding the provisions of Chapter 132 of the General Statutes, information compiled by the State CIO and the GDAC related to the initiative may be released as a public record only if the State CIO, in that officer's sole discretion, finds that the release of information is in the best interest of the general public and is not in violation of law or contract.
- b. Data from State agencies. Any data that is not classified as a public record under G.S. 132 1 shall not be deemed a public record when incorporated into the data resources comprising the initiative. To maintain confidentiality requirements attached to the information provided to the State CIO and GDAC, each source agency providing data shall be the sole custodian of the data for the purpose of any request for inspection or copies of the data under Chapter 132 of the General Statutes.
- c. Data released as part of implementation. Information released to persons engaged in implementing the State's business intelligence strategy under this section that is used for purposes other than official State business is not a public record pursuant to Chapter 132 of the General Statutes.
- d. Data from North Carolina Rate Bureau.—Notwithstanding any other provision of this section, any data released by or obtained from the North Carolina Rate Bureau under this initiative relating to workers' compensation insurance claims, business ratings, or premiums are not public records and public disclosure of such data, in whole or in part, by the GDAC or State CIO, or by any State agency, is prohibited.
- (h) Definition/Additional Requirements. For the purposes of this section, the term "business intelligence (BI)" means the process of collecting, organizing, sharing, and analyzing data through integrated data management, reporting, visualization, and advanced analytics to discover patterns and other useful information that will allow policymakers and State officials to make more informed decisions. The term also includes (i) broad master data management capabilities such as data integration, data quality and enrichment, data governance, and master data management to collect, reference, and categorize information from multiple sources and (ii) self service query and reporting capabilities to provide timely, relevant, and actionable information to business users delivered through a variety of interfaces, devices, or applications based on their specific roles and responsibilities. All State agency business intelligence requirements, including any planning or development efforts associated with creating BI capability, as well as any master data management efforts, shall be implemented through GDAC. The State Chief Information Officer shall ensure that State agencies use the GDAC for agency business intelligence requirements."

SECTION 2. G.S. 20-7(b2)(6) reads as rewritten:

"(6) To the Office of the State Chief Information Officer for the purposes of G.S. 143B-426.38A.G.S. 147-33.77A."

SECTION 3. G.S. 20-43(a) reads as rewritten:

"(a) All records of the Division, other than those declared by law to be confidential for the use of the Division, shall be open to public inspection during office hours in accordance with G.S. 20-43.1. A signature recorded in any format by the Division for a drivers license or a special identification card is confidential and shall not be released except for law enforcement purposes. A photographic image recorded in any format by the Division for a drivers license or a special identification card is confidential and shall not be released except for law enforcement

purposes or to the Office of the State Chief Information Officer for the purposes of 1 2 G.S. 143B-426.38A.G.S. 147-33.77A." 3 **SECTION 4.** G.S. 105-259(b)(45) reads as rewritten: 4 "(45) To furnish tax information to the Office of the State Chief Information 5 Officer under G.S. 143B-426.38A.G.S.147-33.77A. The use and reporting of 6 individual data may be restricted to only those activities specifically allowed 7 by law when potential fraud or other illegal activity is indicated." 8 SECTION 5. The Revisor of Statutes shall substitute statute number 9 "G.S. 147-33.77A" for statute number "G.S. 143B-426.38A" wherever it appears in the General 10 Statutes.

SECTION 6. This act is effective when it becomes law.
