HOUSE BILL DRH20040-LUa-27D* (01/18)

Short Title: Family/Child Protection & Accountability Act. (Public)

Sponsors: Representatives Stevens and Lewis (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO REFORM THE CHILD WELFARE SYSTEM IN THIS STATE; IMPROVE
3 ACCOUNTABILITY AND STATE OVERSIGHT OF THE CHILD WELFARE
4 SYSTEM; REQUIRE THE STATE TO DEVELOP A PLAN FOR A REGIONAL
5 SYSTEM OF SOCIAL SERVICES DEPARTMENTS; ESTABLISH A CHILD
6 WELL-BEING TRANSFORMATION COUNCIL TO IMPROVE COORDINATION,
7 COLLABORATION, AND COMMUNICATION AMONG CHILD-SERVING
8 AGENCIES; ESTABLISH A PILOT PROGRAM TO HELP YOUTH IN SUBSTITUTE
9 CARE OBTAIN DRIVERS LICENSES; ESTABLISH A PILOT PROGRAM TO
10 AUTHORIZE A WAIVER OF THE EMPLOYMENT REQUIREMENT FOR FOSTER
11 PARENTS OF CHILDREN RECEIVING INTENSIVE ALTERNATIVE FAMILY
12 TREATMENT; REDUCE THE TIME FRAME A PARENT HAS TO APPEAL FROM A
13 TERMINATION OF PARENTAL RIGHTS ORDER; AND REDUCE THE TIME
14 FRAME FOR LICENSURE APPROVAL REGARDING FOSTER CARE.

15 Whereas, the children and families involved in North Carolina's child welfare
16 system are among our most vulnerable children and most fragile families; and

17 Whereas, the recent federal Child and Family Services Review (CFSR) and the
18 North Carolina Statewide Child Protective Services Evaluation of the State's Child Protective
19 Services (CPS) program identified troubling gaps and flaws in North Carolina's child welfare
20 system that are allowing too many of those vulnerable children and fragile families to fall
21 through the cracks; and

22 Whereas, transforming the child welfare system to better ensure the safety,
23 permanency, and well-being of children and families is the right thing to do; and

24 Whereas, county social services agencies are facing significant resource and
25 administration challenges in areas other than child welfare, such as public assistance and adult
26 services; and

27 Whereas, a recent audit by the North Carolina State Auditor of Medicaid eligibility
28 determinations by county departments of social services concluded that most of the county
29 departments reviewed in the audit did not consistently meet standards for timeliness and
30 accuracy; and

31 Whereas, a recent report by the Program Evaluation Division reached similar
32 conclusions regarding county administration of Medicaid eligibility determinations; and

33 Whereas, North Carolina's Aging Services Plan and a recent report on Alzheimer's
34 and related dementias by the North Carolina Institute of Medicine emphasize the tremendous
35 growth of the aging population and anticipate relying heavily on social services agencies to
36 support the needs of this population; and

* D R H 2 0 0 4 0 - L U A - 2 7 D *

1 Whereas, it has been challenging for the State to effectively supervise
2 administration of complex social services programs in 100 counties and it would be more
3 efficient and effective for the State to supervise fewer local agencies; and

4 Whereas, it is our charge to spend public dollars wisely and effectively on
5 administration of public assistance; and

6 Whereas, for the aforementioned reasons, North Carolina requires a plan of action to
7 systematically reform the child welfare system and reduce the number of departments of social
8 services to allow for better supervision and administration of social services programs; Now,
9 therefore,

10 The General Assembly of North Carolina enacts:

11

20 that have established consolidated human services agencies pursuant to
21 G.S. 153A-77 and explore options for integrating regionalized

23 exemptions to regionalization for consolidated agencies, authorizing regional

26 the Joint Legislative Oversight Committee on Health and Human Services (Committee) no later

PART IV. CHILD WELL-BEING TRANSFORMATION COUNCIL

SECTION 4.1. Chapter 143 of the General Statutes is amended by adding a new Article to read:

"Article 81.

"Child Well-Being Transformation Council.

"§ 143-775. Child Well-Being Transformation Council established; membership; qualifications; vacancies.

(a) Purpose; Findings. – The welfare of North Carolina's children is a priority. There are many public and private agencies and organizations across the State that are involved with promoting the welfare of children and protecting them from harm, such as those involving child care, schools, health care providers, social services agencies, and juvenile justice programs. Though these agencies and organizations provide important services, they often fail to collaborate, coordinate, and communicate about those services. A more systematic and coordinated approach to services will help ensure that the State achieves the best possible outcomes for children. Therefore, the General Assembly finds that it is essential that a single body serve as a means for coordination, collaboration, and communication among agencies and organizations involved in providing public services to children.

(b) Creation and Membership. – There is established the North Carolina Child Well-Being Transformation Council (Council). The Council shall be located administratively in the General Assembly. The Council shall consist of 13 members serving staggered terms. In making appointments, each appointing authority shall select members who have appropriate experience and knowledge of the issues to be examined by the Council and shall strive to ensure members are appointed who represent the geographical, political, gender, and racial diversity of this State. The initial Council members shall be appointed on or after July 1, 2018, as follows:

(1) Three members shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate. (3) Seven members shall be appointed by the Governor. Of the members appointed under this subdivision, one shall be a representative from the Department of Health and Human Services, Division of Child Development and Early Education, who shall serve for a term of three years, one shall be a representative from the Department of Health and Human Services, Division of Social Services, who shall serve for a term of three years, one shall be a representative from the Department of Public Safety, Division of Juvenile Justice, who shall serve for a term of two years, one shall be a representative from the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, who shall serve for a term of two years, one shall be a representative from the Guardian ad Litem program who shall serve a term of two years, one shall

1 be a representative from Disability Rights NC who shall serve a one-year
2 term, and one shall be a representative from the North Carolina Pediatric
3 Society who shall serve a one-year term.

4 (c) Terms; Vacancies. – Upon the expiration of the terms of the initial Council
5 members, each member shall be appointed for a term of four years and shall serve until a
6 successor is appointed. No member may serve more than two consecutive full terms. A vacancy
7 shall be filled within 30 days by the authority making the initial appointment.

8 (d) Organization. – The Council shall elect from its membership a chair and vice-chair
9 to each serve one-year terms. The Council shall meet on a quarterly basis each year upon the
10 call of the chair. A quorum of the Council is seven members. No action may be taken except by
11 a majority vote at a meeting at which a quorum is present. The Open Meetings Law pursuant to
12 Article 33 of Chapter 143 of the General Statutes and the Public Records Act under Chapter
13 132 of the General Statutes shall apply to the Council.

14 (e) Funding. – From funds available to the General Assembly, the Legislative Services
15 Commission shall allocate monies to fund the work of the Committee. Members of the
16 Committee shall receive subsistence and travel expenses as provided in G.S. 120-3.1 and
17 G.S. 138-5.

18 (f) Staff. – The Legislative Services Commission, through the Legislative Services
19 Officer, shall assign professional staff to assist the Council in its work. Upon the direction of
20 the Legislative Services Commission, the Director of Legislative Assistants of the Senate and
21 of the House of Representatives shall assign clerical staff to the Council. The expenses for
22 clerical employees shall be borne by the Council.

23 **"§ 143-776. Powers and duties.**

24 (a) Upon its establishment, the Council shall direct its initial focus on the following

31 to identify promising practices and focus areas for the Council's work.

32 (b) Beginning July 1, 2020, the Council shall focus on promoting coordination,
33 collaboration, and communication of child-serving agencies involved with the child protective
34 services system. In addition, the Council shall do the following:

38 coordination, collaboration, and communication between the new regional
39 social services departments and other agencies and organizations involved
40 with the same populations.

41 (c) By 2022, and thereafter, the Council shall expand the scope of its work to
42 encompass evaluation of child-centered programs and services beyond the child protective
43 services system. The Council shall take appropriate steps to identify gaps in coordination,
44 collaboration, and communication and recommend changes in law, policy, or practice
45 necessary to remedy remaining gaps. The Council's authority extends to any publicly funded
46 program that serves children.

47 (d) The Council shall submit a report to the chairs of the Senate Appropriations
48 Committee on Health and Human Services, the chairs of the House of Representatives
49 Appropriations Committee on Health and Human Services, the Joint Legislative Oversight
50 Committee on Health and Human Services, and the Fiscal Research Division by June 30 of

1 each year. The report shall include a summary of the Council's work for the previous year, any
2 findings and recommendations for change, and a work plan for the upcoming year.

3 (e) The Council is authorized to accept gifts or grants from other sources to support
4 administration of the Council."

5 **SECTION 4.2.(a)** There is appropriated from the General Fund to the Legislative
6 Services Commission the sum of twelve thousand six hundred ninety-two dollars (\$12,692) in
7 nonrecurring funds for the 2018-2019 fiscal year for purposes of assisting the Child Well-Being
8 Transformation Council established pursuant to Section 4.1 of this act.

9 **SECTION 4.2.(b)** This section becomes effective July 1, 2017.

10 11 **PART V. DRIVERS LICENSE PILOT PROJECT**

12 **SECTION 5.1.(a)** The General Assembly recognizes that not having a drivers
13 license is a barrier to education, employment, health care, and other community-based activities
14 for older youth in substitute care working toward independence. One of the biggest barriers to
15 accessing a drivers license for such youth is the ability to obtain insurance. Therefore, to assist
16 in this effort, the Department of Health and Human Services, Division of Social Services, shall
17 establish a two-year pilot program that shall reimburse, on a first-come, first-served basis,
18 youth and caregivers' costs associated with drivers license education, drivers license fees,
19 insurance costs, and any other costs associated with obtaining a drivers license. The Division
20 shall take appropriate steps to ensure proper advertising of the pilot program.

21 **SECTION 5.1.(b)** The Division of Social Services shall report on the pilot project
22 to the Joint Legislative Oversight Committee on Health and Human Services by March 1, 2018.

23 **SECTION 5.2.(a)** There is appropriated from the General Fund to the Department
24 of Health and Human Services, Division of Social Services, the sum of seventy-five thousand
25 dollars (\$75,000) for the 2017-2018 fiscal year and the sum of seventy-five thousand dollars
26 (\$75,000) for the 2018-2019 fiscal year to conduct the pilot project established pursuant to
27 Section 5.1 of this act.

28 **SECTION 5.2.(b)** This section becomes effective July 1, 2017.

29 30 **PART VI. PILOT WAIVER FOR IAFT FOSTER PARENTS**

31 **SECTION 6.(a)** The General Assembly has determined that in an effort to
32 maximize funding, local management entities/managed care organizations (LME/MCOs) are
33 utilizing Intensive Alternative Family Treatment (IAFT), which is a means of cost-effective,
34 specialized foster care treatment service that is being used for many youth who would have
35 previously been treated in Medicaid congregate care, such as psychiatric residential treatment
36 facilities. The General Assembly finds that these higher-need youth are often (i) suspended or
37 expelled from school or day programs and (ii) require multiple appointments on a weekly basis
38 to address needs, such as therapy, medication management, and school individual education
39 plans (IEPs). Further, in accordance with rules, foster parents are required to maintain outside
40 employment while providing foster care, but the constant demands of meeting the needs of
41 these foster youth often lead to disruption in placement as the foster parent is unable to meet
42 those needs while maintaining the parent's employment obligations.

43 **SECTION 6.(b)** To that end, the Department of Health and Human Services,
44 Division of Social Services (Division), shall establish a pilot program that will allow the
45 Division to waive the employment requirement for foster parents. The Division shall solicit
46 participation in the pilot program from interested LME/MCOs. The participating LME/MCOs
47 shall conduct comparison measures between existing IAFT outcomes and those of pilots to
48 determine any impact the waiver may have on outside employment. LME/MCOs shall measure
49 progress of the pilot waivers based on the expectation of meeting the following outcomes:

- 50 (1) Improved placement stability with less than twenty percent (20%) of moves
51 of youth occurring due to therapeutic foster parent request.

(2) Seventy-five percent (75%) of youth and families meeting their treatment goals within the projected time frame.

(3) No more than a ten percent (10%) increase in higher-level hospital bed days.

SECTION 6.(c) LME/MCOs participating in the IAFT pilot waiver program shall provide a report on the outcomes of the pilots, along with any recommendations, to the Division. The Division shall then submit a report on the pilot waiver program to the Joint Legislative Oversight Committee on Health and Human Services by December 1, 2018.

PART VII. TERMINATION OF PARENTAL RIGHTS/TIME FRAME FOR APPEALS

SECTION 7. G.S. 7B-1001(a)(5)b. reads as rewritten:

"(a) In a juvenile matter under this Subchapter, appeal of a final order of the court in a juvenile matter shall be made directly to the Court of Appeals. Only the following juvenile matters may be appealed:

...
(5) An order entered under G.S. 7B-906.2(b) with rights to appeal properly preserved, as follows:

...
b. A party who is a parent shall have the right to appeal the order if no termination of parental rights petition or motion is filed within ~~180~~ 65 days of the order."

PART VIII. TIME FRAME FOR LICENSURE APPROVAL/FOSTER CARE

SECTION 8.1. G.S. 131D-10.3 is amended by adding a new subsection to read:

"§ 131D-10.3. **Licensure required.**

...
(d1) Notwithstanding any other provision of law, the Department shall grant or deny a license to provide foster care or therapeutic foster care within three months from the date of application.

...."

SECTION 8.2. The Department of Health and Human Services, Division of Social Services, shall further examine the existing time frames for processing foster care and therapeutic foster care applications and determine methods to further reduce the time frames for approving or denying applications for licensure.

PART IX. EFFECTIVE DATE

SECTION 9. Except as otherwise provided, this act is effective when it becomes law.
