## **H103 - 2022 Appropriations Act.**

### **Sec. 7.10: Codify the Feminine Hygiene Products Grant Program. (SL 2022-74)**

Section 7.10 of S.L. 2022-74 codifies the Feminine Hygiene Products Grant Program (Program), which assists public school units (PSUs) in providing students with feminine hygiene products at no charge to the student. The Department of Public Instruction (DPI) must award grants of up to \$5,000 each on a first-come, first-served basis, except that DPI must prioritize grants to PSUs that did not receive an award in the previous fiscal year. PSUs cannot receive more than one grant per fiscal year. By March 15 of each year, DPI must report to the Joint Legislative Education Oversight Committee on the PSUs receiving grants under the Program, the specific feminine hygiene products purchased with grant funds, and the impact of the Program on student health and well-being.

This section became effective July 1, 2022. For the 2022-2023 fiscal year, DPI must prioritize awarding grants to PSUs that did not receive an award pursuant to the previously uncodified grant program.

### **Sec. 8.3: Recommendations on Increasing Nursing Graduates. (SL 2022-74)**

Section 8.3 of S.L. 2022-74 requires the Board of Governors of The University of North Carolina, in collaboration with the State Board of Community Colleges, to study and provide recommendations on methods and a timeline for increasing the number of graduates from nursing programs at constituent institutions of The University of North Carolina and community colleges by at least 50%. The report is due to the Joint Legislative Education Oversight Committee and the Joint Legislative Oversight Committee on Health and Human Services by no later than February 1, 2023.

This section became effective July 1, 2022.

## **H103 - 2022 Appropriations Act.**

### **Sec. 9A.1: State-County Special Assistance Program Changes. (SL 2022-74)**

Section 9A.1 of S.L. 2022-74 amends Section 9A.3A of S.L. 2021-180 that directed changes to the State-County Special Assistance (SA) program. S.L. 2021-180 brought the SA In-Home program into parity with the SA Adult Care Home program, effectively merging the two programs and allowing individuals to qualify for the SA program and receive Medicaid coverage, regardless of the individual's residential setting, based upon the criteria historically used for the SA Adult Care Home program. This section makes the following changes to S.L. 2021-180:

- Begins the annual cost-of-living adjustment (COLA) a year earlier on January 1, 2023.
- No longer requires federal approval of the use of the savings deposited in the HCBS Fund to fund the SA program costs associated with the SA program changes as a condition of implementation.

The SA program changes become effective on the later of July 11, 2022, or 30 days after the date that both the Social Security Administration and the Centers for Medicare and Medicaid Services have approved the

applications submitted by the Department of Health and Human Services. The remainder of this section became effective July 11, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9B.1: Detailed Plan for Reorganizing Certain Child and Family Well Being Programs. (SL 2022-74)**

Section 9B.1 of S.L. 2022-74, as amended by Section 18 of S.L. 2022-75, requires the Department of Health and Human Services (DHHS) to submit a plan and timeline to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division on DHHS's proposal to transfer child and family well-being programs and services to a new division within DHHS. The original plan must be submitted by October 1, 2022, with revisions to the plan due by April 1, 2023, and it must include the following:

- The mission and purpose of the proposed new division.
- A list of the specific programs and services to be transferred to the new division.
- A detailed proposed budget for the new division.
- The anticipated impact on local governments and key service providers.
- Identification of the functions, powers, duties, and obligations that would need to be transferred to the new division.
- Any legislative changes that would be necessary to implement this proposed reorganization.
- Any other information DHHS deems relevant to implementing this proposed reorganization.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9B.2: Redirection of Funds from Atrium Health to Cleveland County for Development of a Health Center. (SL 2022-74)**

Section 9B.2 of S.L. 2022-74 requires the funds initially allocated in accordance with S.L. 2021-180 by the Office of Rural Health as a directed grant to Atrium Health for the development of a federally qualified health center to instead be allocated as a directed grant to Cleveland County for the same purpose.

The section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9B.3: Further Study of the Statewide Health Information Exchange Network and the Statewide Health Information Exchange Act; and Temporary Suspension of the Health Information Exchange Act Provision Conditioning the Receipt of State Funds on Connecting to and Submitting Data to the Health Information Exchange Network. (SL 2022-74)**

Section 9B.3 of S.L. 2022-74 requires the Health Information Exchange Advisory Board to submit a report to the Joint Legislative Oversight Committee on Health and Human Services on the status of the Health

Information Exchange. The report must be submitted by March 31, 2023, and contain (i) an update regarding the connectivity status of providers and entities required by the Health Information Exchange Act (HIEA) to connect to and submit data through the Health Information Exchange, and (ii) recommendations for features or actions, including legislative or administrative proposals, to support enforcement of the HIEA. This section clarifies that, notwithstanding the provisions of the HIEA, connection to the Health Information Exchange cannot be a requirement for receipt of State funds until the appointment of an agency responsible for enforcing the provisions of the HIEA.

This section became effective July 11, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9C.1: Raise NC Pre-K Base Reimbursement Rates. (SL 2022-74)**

Section 9C.1 of S.L. 2022-74 amends Section 9C.3 of S.L. 2021-180 by raising the base reimbursement rates for the 2022-2023 fiscal year for child care centers participating in the North Carolina Prekindergarten (NC Pre-K) program from 2% to 7% over the 2021-2022 fiscal rates. A portion of these funds are allocated to raise the base reimbursement rates for public schools and Head Start centers participating in the NC Pre-K program by 5% over the 2021-22 rates for the 2022-2023 fiscal year.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9C.2: Raise Cap on Administrative Costs/Smart Start . (SL 2022-74)**

Section 9C.2 of S.L. 2022-74 amends Section 9C.6(b) of S.L. 2021-180 by raising the cap on administrative costs for local partnerships from not more than 8% to no more than 9% of the total statewide allocation to all local partnerships.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9C.3: Align State Criminal Background Checks for Prospective Child Care Providers with Federal Block Grant Requirements/Report. (SL 2022-74)**

Section 9C.3 of S.L. 2022-74 amends the background check provisions of child care licensing laws to require facilities to check the criminal backgrounds of their employees every five years, rather than every three years. It also allows new employees whose criminal background checks have not yet come back to be provisionally employed, provided they are supervised by another employee at all times. Finally, it requires the Department of Health and Human Services to report to the Joint Legislative Oversight Committee on Health and Human Services on the number of provisionally employed child care providers. Beginning in 2022, the report must be made annually by December 1.

This section became effective July 1, 2022.

**H103 - 2022 Appropriations Act.**

**Sec. 9D.2: Modify LME/MCO Intergovernmental Transfers . (SL 2022-74)**

Section 9D.2 of S.L. 2022-74 amends Section 9D.7(a) of S.L. 2021-180 to modify the amount of the intergovernmental transfers made to the Department of Health and Human Services by each local management entity/managed care organization (LME/MCO) as result of the dissolution of Cardinal Innovations LME/MCO.

This section became effective July 1, 2022.

**H103 - 2022 Appropriations Act.**

**Sec. 9D.3: Medicaid Rates for Personal Care Services and Skilled Nursing . (SL 2022-74)**

Section 9D.3 of S.L. 2022-74 appropriates funds to support the increased Medicaid rates for personal care services and skilled nursing facilities that were paid for April, May, and June of 2022, but that were not funded in S.L. 2021-180. This section also appropriates \$95 million in nonrecurring funds to be used for increased Medicaid rates for personal care services and skilled nursing facilities during the 2022-2023 fiscal year, until the funds are spent. Once the funds have been spent, the Department of Health and Human Services has the statutory authority to set rates for personal care services and skilled nursing facilities within the budget for the Medicaid program.

The funding for the 2021-2022 fiscal year became effective June 30, 2022. The remainder of this section became effective July 1, 2022.

**H103 - 2022 Appropriations Act.**

**Sec. 9D.4: Medicaid Coverage / Eastern Band of Cherokee Indians. (SL 2022-74)**

Section 9D.4 of S.L. 2022-74 authorizes the Department of Health and Human Services to submit any necessary documents to the Centers for Medicare and Medicaid Services to allow for Medicaid coverage of healthcare services that (i) qualify for 100% federal funding, (ii) are provided by Indian Health Service providers or Eastern Band of Cherokee Indians tribal facilities, and (iii) are provided to individuals with no other form of health coverage.

This section became effective July 1, 2022.

**H103 - 2022 Appropriations Act.**

**Sec. 9D.5: Conform to Federal Requirements/ Ending of Public Health Emergency. (SL 2022-74)**

Section 9D.5 of S.L. 2022-74 amends language in Section 6(b) of S.L. 2020-88 pertaining to the notices of termination of Medicaid benefits that will be sent to ineligible beneficiaries after the end of the federal public health emergency. Instead of requiring all notices of termination be sent within 90 days of the end of the federal public health emergency, the amended language requires all Medicaid renewals, post-

enrollment verifications, and redeterminations of eligibility to be completed as expeditiously as possible and no later than the twelfth month after the end of the federal public health emergency.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.6: Use of the Medicaid Transformation Fund for Medicaid Transformation Needs Changes. (SL 2022-74)**

Section 9D.6 of S.L. 2022-74 amends Section 9D.16(b) of S.L. 2021-180 to authorize the transfer of additional funds from the Medicaid Transformation Fund to the Division of Health Benefits (DHB), Department of Health and Human Services, for qualifying Medicaid transformation needs during the 2022-2023 fiscal year. The funds available for transfer to DHB during the 2022-2023 fiscal year include any amount of funds that were authorized to be transferred during the 2021-2022 fiscal year but were not transferred.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.7: Adjust Implementation Date for Behavioral Health and Intellectual/Developmental Disabilities Tailored Plans . (SL 2022-74)**

Section 9D.7 of S.L. 2022-74 requires the Department of Health and Human Services, Division of Health Benefits (DHB), to implement behavioral health and intellectual/developmental disabilities (BH IDD) tailored plans no later than December 1, 2022, for an initial contract term ending December 1, 2026. This section directs that the initial contract term of the standard benefit plans must continue through December 1, 2026, with an option to extend the contract for up to one additional year. If DHB extends the initial contract term of the standard benefit plans, it must offer to extend the initial term of the BH IDD tailored plan contracts an equivalent amount of time.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.8: Clarify Treatment of 340B Drugs / Address Reimbursement for Federally Qualified Health Centers . (SL 2022-74)**

Section 9D.8 of S.L. 2022-74 amends Section 9D.19A of S.L. 2021-180 to clarify that there will be no changes to the reimbursement for drugs covered by the federal 340B Drug Pricing Program under prepaid health plan contracts for standard benefit plans through June 30, 2026. This section also provides \$4.4 million for temporary Medicaid reimbursement increases to federally qualified health centers (FQHCs) as a percentage above cost. By February 1, 2023, the Division of Health Benefits, Department of Health and Human Services, must collaborate with FQHCs to develop and submit to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice a proposed comprehensive reimbursement structure for FQHCs that addresses pharmacy costs in the context of the overall financial challenges faced by FQHCs.

The changes related to 340B drugs became effective retroactively to November 18, 2021. The remainder of this section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.9: Adjust Implementation Date for Requiring LME/MCOs to Pay for Behavioral Health Services Provided to Beneficiaries Awaiting Hospital Discharge . (SL 2022-74)**

Section 9D.9 of S.L. 2022-74 amends Section 9D.22(f) of S.L. 2021-180, which directed the Department of Health and Human Services, Division of Health Benefits, to develop Medicaid coverage for specified services provided to Medicaid beneficiaries in an acute hospital setting after the beneficiary has been in the care of the hospital for at least 30 hours if the beneficiary is awaiting discharge to a more appropriate setting for the treatment of behavioral health needs. This section changes the implementation date of the Medicaid coverage for the new service from July 1, 2022, to December 31, 2022.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.10: Medicaid Hospital Assessment Technical Adjustments. (SL 2022-74)**

Section 9D.10 of S.L. 2022-74 amends statutes (G.S. 108A-146.12 and G.S. 108A-146.13) enacted in Section 9D.13A(c) of S.L. 2021-180 to make technical adjustments to the modernized hospital assessments, as follows:

- Reduces the amount of assessment collected from hospitals through the postpartum component to account for the portion of the added postpartum costs that will be collected through the other components of the modernized hospital assessments. Because the postpartum coverage and the postpartum component took effect April 1, 2022, and this section becomes effective October 1, 2022, this section provides for a reconciliation of the April and July quarters in the quarter beginning October 1, 2022.
- Adjusts the historical subcomponent of the modernized hospital assessments related to the recent change of ownership of Vidant Beaufort hospital that was reported to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice.

This section becomes effective October 1, 2022, and applies to modernized hospital assessments imposed on or after that date.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.11: Average Commercial Rate Supplemental and Directed Payment Program / East Carolina University Health Physicians . (SL 2022-74)**

Section 9D.11 of S.L. 2022-74 allows East Carolina University (ECU) Health Physicians to participate in the Average Commercial Rate Supplemental and Directed Payment Program with no increase to the previously established limit on payments applicable to eligible providers affiliated with the ECU Brody School of Medicine.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.12: Behavioral Health and Intellectual/Developmental Disabilities Tailored Plan Per Member Per Month Adjustment Recommendations . (SL 2022-74)**

Section 9D.12 of S.L. 2022-74 requires the Division of Health Benefits (DHB), Department of Health and Human Services, to submit to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice and the Fiscal Research Division a report containing recommendations regarding adjustments to the per member per month capitation amount paid to local management entities/managed care organizations operating behavioral health and intellectual/developmental disabilities tailored plans. The recommendations must include adjustments to increase the wages of direct support personnel who provide services to Medicaid beneficiaries residing in intermediate care facilities for individuals with intellectual disabilities (ICF/IIDs), including ICF/IID level group homes, and Medicaid beneficiaries receiving services through the North Carolina Innovations waiver program. DHB must take into account the wages of direct support personnel working at the State developmental centers, with the goal of aligning the wages of direct support personnel regardless of place of employment when making the recommendations. This report is required annually for five years beginning March 1, 2023.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.13: Changes Related to Behavioral Health and Intellectual/Developmental Disabilities Tailored Plans Launch. (SL 2022-74)**

Section 9D.13 of S.L. 2022-74 makes the following changes related to behavioral health and intellectual/developmental disabilities (BH IDD) tailored plans:

- Temporarily delays the coverage of outpatient point-of-sale prescription drugs by BH IDD tailored plans for up to six months.
- Temporarily suspends, through December 31, 2023, the statutory solvency standards applicable to local management entity/managed care organization (LME/MCOs). The Department of Health and Human Services (DHHS), Division of Health Benefits, is required to submit, no later than March 1, 2023, recommended solvency standards for LME/MCOs operating BH IDD tailored plans. The report must be submitted to the Joint Legislative Oversight Committee on Health and Human Services, the Joint Legislative Oversight Committee on Medicaid and NC Health Choice, and the Fiscal Research Division.
- Clarifies the meaning of "closed network" (in G.S. 108D-21 and G.S. 108D-23) and specifies that BH IDD tailored plans are required to include in their closed provider networks all providers in their catchment area that provide behavioral health, intellectual and developmental disability, or traumatic brain injury services and that are designated as essential providers by DHHS.
- Temporarily, through December 1, 2023, requires the dissolution of an LME/MCO upon the termination of its contract to operate a BH IDD tailored plan. No later than January 10, 2023, DHHS must recommend to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice actions to be taken in the future if a contract for a BH IDD tailored plan, a capitated arrangement, or the 1915(b)/(c) waiver is terminated with an LME/MCO.

This section became effective July 1, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9D.15: Eliminate NC Health Choice and Move Beneficiaries to Medicaid. (SL 2022-74)**

Section 9D.15 of S.L. 2022-74 directs the Department of Health and Human Services to submit the necessary State Plan amendments to the Centers for Medicare and Medicaid Services (CMS) to merge the NC Health Choice and the Medicaid programs by eliminating the NC Health Choice program and providing Medicaid coverage to the population of children historically served by NC Health Choice. The section directs the merger to occur before July 1, 2023. The section also makes conforming changes throughout the General Statutes.

The directive to merge the programs became effective July 11, 2022, and the remainder of this section becomes effective on the date that the NC Health Choice program is eliminated, as approved by CMS.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9E.1: Hiring of Health Care Personnel by Nursing Facilities to Perform Nurse Aide Duties. (SL 2022-74)**

Section 9E.1 of S.L. 2022-74 amends the Nurse Aide Registry statute (G.S. 131E-255) to clarify that nursing facilities can employ individuals who are not on the Nurse Aide Registry for up to four months, consistent with federal law. The Medical Care Commission is given the authority to adopt rules necessary to implement this section.

This section became effective July 11, 2022.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9E.2: Emergency Flexibilities for Certain Facilities and Services Regulated by the Division of Health Service Regulation. (SL 2022-74)**

Section 9E.2 of S.L. 2022-74 allows the Division of Health Service Regulation to waive rules or increase bed capacity at mental health facilities, adult care homes, hospitals, combination homes, nursing homes, and hospices during a declared emergency or when necessary to conform to federal law. The Division can also waive rules for emergency medical services and nurse aides in the same circumstances.

This section will become effective on the date Executive Order No. 116 is rescinded.

### **H103 - 2022 Appropriations Act.**

#### **Sec. 9F.1: Use of Opioid Settlement Funds. (SL 2022-74)**

Section 9F.1 of S.L. 2022-74 amends Section 9F.1 of S.L. 2021-180 (2021 Appropriations Act), which established the Opioid Abatement Reserve, to allow the reserve to maintain funds received by the State as a beneficiary of bankruptcy proceedings relating to claims regarding the manufacturing, marketing,

distribution, dispensing, or sale of opioids. It also directs the State Controller to disburse funds from the Opioid Abatement Reserve to be allocated as outlined below.

- \$9,225,000 to the Department of Health and Human Services, to be allocated as follows:
  - \$1,850,000 to the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services for the Prescription Digital Therapeutics Pilot Program.
  - \$1,000,000 to Triangle Residential Options for Substance Abusers, Inc. to fund the construction of additional units of housing on its Durham campus to provide housing support to individuals in recovery from opioid use disorder.
  - \$6,000,000 to be allocated equally among the local management entities/managed care organizations (LME/MCOs) to support opioid remediation programs throughout the State.
  - \$375,000 to the North Carolina Association of County Commissioners to facilitate local and regional strategic planning to maximize the long-term positive impact of the opioid settlement funds received by the State and to satisfy all requirements of the Memorandum of Agreement governing the use of opioid settlement funds by counties and municipalities in North Carolina.
- \$5,556,203 to the Board of Governors of The University of North Carolina to be allocated to the University of North Carolina at Chapel Hill for the North Carolina Collaboratory to be used as follows:
  - \$400,000 to the University of North Carolina Injury Prevention Research Center to expand and operate the Community Opioid Resources Engine for North Carolina.
  - \$600,000 to support opioid remediation project management and community partnership outreach at North Carolina Central University.
  - \$1,900,000 to make grants available on a competitive basis to each campus of the constituent institutions of The University of North Carolina for opioid abatement research and development projects.
  - \$2,656,203 to fund a research partnership concerning opioid abatement with the Eshelman Institute for Innovation at the University of North Carolina at Chapel Hill School of Pharmacy.

This section became effective July 1, 2022.
