6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** G.S. 116-19 reads as rewritten:

8 "**§ 116-19. Contracts with private institutions to aid North Carolina**
9 **students;students and licensure students; reporting requirement.**

10 (a) In order to encourage and assist private institutions to continue to educate
11 North Carolina ~~students~~students and licensure students, the State Education Assistance
12 Authority may enter into contracts with the institutions under the terms of which an
13 institution receiving any funds that may be appropriated pursuant to this section would
14 agree that, during any fiscal year in which such funds were received, the institution
15 would provide and administer scholarship funds for needy North Carolina students and
16 licensure students in an amount at least equal to the amount paid to the institution,
17 pursuant to this section, during the fiscal year. Under the terms of the contracts the State
18 Education Assistance Authority would agree to pay to the institutions, subject to the
19 availability of funds, a fixed sum of money for each North Carolina student and
20 licensure student enrolled at the institutions for the regular academic year, said sum to
21 be determined by appropriations that might be made from time to time by the General
22 Assembly pursuant to this section. Funds appropriated pursuant to this section shall be
23 paid by the State Education Assistance Authority to an institution on certification of the
24 institution showing the number of North Carolina students and licensure students
25 enrolled at the institution as of October 1 of any year for which funds may be
26 appropriated. For purposes of this subsection, "needy North Carolina ~~students~~"students

1 and licensure students" are those eligible students and licensure students who have
2 financial need as determined by the institution under the institutional methodology or
3 the federal methodology as defined by the State Education Assistance Authority. For
4 purposes of this subsection, "institutional methodology" means a need-analysis formula,
5 developed by College Scholarship Service, that determines the student's ~~and~~ and licensure
6 student's and his or her family's capacity to pay for postsecondary education each year.

7 (b) The State Education Assistance Authority shall document the number of
8 full-time equivalent North Carolina undergraduate students and full-time and less than
9 full-time licensure students that are enrolled in off-campus programs and the State funds
10 collected by each institution pursuant to G.S. 116-19 for those students. The State
11 Education Assistance Authority shall also document the number of scholarships and the
12 amount of the scholarships that are awarded under G.S. 116-19 to students and licensure
13 students enrolled in off-campus programs. An "off-campus program" is any program
14 offered for degree credit away from the institution's main permanent campus.

15 The State Education Assistance Authority shall include in its annual report to the
16 Joint Legislative Education Oversight Committee the information it has compiled and
17 its findings regarding this program."

18 **SECTION 2.** G.S. 116-20 reads as rewritten:

19 **"§ 116-20. Scholarship and contract terms; base period.**

20 In order to encourage and assist private institutions to educate additional numbers of
21 North Carolinians, the Board of Governors of the University of North Carolina is hereby
22 authorized to enter into contracts within the institutions under the terms of which an
23 institution receiving any funds that may be appropriated pursuant to this section would
24 agree that, during any fiscal year in which such funds were received, the institution
25 would provide and administer scholarship funds for needy North Carolina students and
26 licensure students in an amount at least equal to the amount paid to the institution,
27 pursuant to this section, during the fiscal year. Under the terms of the contracts the
28 Board of Governors of the University of North Carolina would agree to pay to the
29 institutions, subject to the availability of funds, a fixed sum of money for each North
30 Carolina student and licensure student enrolled as of October 1 of any year for which
31 appropriated funds may be available, over and above the number of North Carolina
32 students enrolled in that institution as of October 1, 1997, which shall be the base date
33 for the purpose of this calculation. Funds appropriated pursuant to this section shall be
34 paid by the State Education Assistance Authority to an institution upon recommendation
35 of the Board of Governors of the University of North Carolina and on certification of
36 the institution showing the number of North Carolina students and licensure students
37 enrolled at the institution as of October 1 of any year for which funds may be
38 appropriated over the number enrolled on the base date. In the event funds are
39 appropriated for expenditure pursuant to this section and funds are also appropriated, for
40 the same fiscal year, for expenditure pursuant to G.S. 116-19, students and licensure
41 students who are enrolled at an institution in excess of the number enrolled on the base
42 date may be counted under this section for the purpose of calculating the amount to be
43 paid to the institution, but the same students and licensure students may also be counted

1 under G.S. 116-19, for the purpose of calculating payment to be made under that
2 section."

3 **SECTION 3.** G.S. 116-21.1 reads as rewritten:
