Short Title: Community Conservation Assistance Program.

(Public)

Sponsors: Representative Justice.

Referred to: Environment and Natural Resources.

May 18, 2006

A BILL TO BE ENTITLED
AN ACT TO ESTABLISH THE COMMUNITY CONSERVATION ASSISTANCE
PROGRAM IN THE DEPARTMENT OF ENVIRONMENT AND NATURAL
RESOURCES, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW
COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. Article 21 of Chapter 143 of the General Statutes is amended by adding a new Part to read:

"Part 11. Community Conservation Assistance Program.

"§ 143-215.74M. Community Conservation Assistance Program.

(a) Program Established. – There is established the Community Conservation Assistance Program. The Program shall be implemented and supervised by the Soil and Water Conservation Commission.

(b) Purposes. – The purpose of the Program shall be to reduce the input of nonpoint source pollution into the waters of the State. The Program shall be subject to the following requirements and limitations:

(1) Subject to subdivision (5) of this subsection, priority designations for inclusions in the Program for State funding shall be established by the Soil and Water Conservation Commission. The Soil and Water Conservation Commission shall allocate the cost share and technical assistance funds under the Program.

(2) Areas shall be included in the Program as the funds are appropriated and the technical assistance becomes available from the local Soil and Water Conservation District.

(3) Funding may be provided to assist community conservation practices approved by the Soil and Water Conservation Commission.

(4) State funding shall be limited to seventy-five percent (75%) of the average cost for each practice with the assisted applicant providing twenty-five percent (25%) of the cost, which may include in-kind

1 support of the practice, with a maximum of seventy-five thousand
2 dollars (\$75,000) per year to each applicant.

3 (5) Priority designation for inclusion in the Program for State funding
4 shall be given to projects that improve water quality. To be eligible for
5 cost-share funds under this subdivision, a project shall be evaluated
6 before funding is awarded and after the project is completed to
7 determine the impact on water quality.

8 (6) Participation in the Program shall be voluntary.

9 (c) Availability of Funds. – State funds for the Program shall remain available
10 until expended.

11 (d) Advisory Committee. – The Program shall be reviewed, prior to
12 implementation, by the Community Conservation Assistance Program Advisory
13 Committee. The Advisory Committee shall meet quarterly to review the progress of the
14 Program. The Advisory Committee shall consist of the following members:

15 (1) The Director of the Division of Soil and Water Conservation or the
16 Director's designee, who shall serve as the Chair of the Advisory
17 Committee.

18 (2) The President of the North Carolina Association of Soil and Water
19 Conservation Districts or the President's designee.

20 (3) The Director of the Cooperative Extension Service at North Carolina
21 State University or the Director's designee.

22 (4) The Executive Director of the North Carolina Association of County
23 Commissioners or the Executive Director's designee.

24 (5) The Executive Director of the North Carolina League of Municipalities
25 or the Executive Director's designee.

26 (6) The State Conservationist of the Natural Resources Conservation
27 Service of the United States Department of Agriculture or the State
28 Conservationist's designee.

29 (7) The Executive Director of the Wildlife Resources Commission or the
30 Executive Director's designee.

31 (8) The President of the North Carolina Conservation District Employees
32 Association or the President's designee.

33 (9) The President of the North Carolina Association of Resource
34 Conservation and Development Councils or the President's designee.

35 (10) The Director of the Division of Water Quality or the Director's
36 designee.

37 (11) The Director of the Division of Forest Resources or the Director's
38 designee.

39 (12) The Director of the Division of Land Resources or the Director's
40 designee.

41 (13) The Director of the Division of Coastal Management or the Director's
42 designee.

43 (14) The Director of the Division of Water Resources or the Director's
44 designee.

1 (15) The President of the Carolinas Land Improvement Contractors
2 Association or the President's designee.

3 (e) Report. – The Soil and Water Conservation Commission shall report no later
4 than 31 January of each year to the Environmental Review Commission and the Fiscal
5 Research Division. The report shall include a summary of projects that received State
6 funding pursuant to the Program, the results of the evaluation conducted pursuant to
7 subdivision (5) of subsection (b) of this section, findings regarding the effectiveness of
8 each project to accomplish its primary purpose, and any recommendations to assure that
9 State funding is used in the most cost-effective manner and accomplishes the greatest
10 improvement in water quality."

11 **SECTION 2.** The Community Conservation Assistance Program Advisory
12 Committee shall review the Program prior to expenditure of any funds from the
13 Program. The Advisory Committee shall report on the findings of its Program review to
14 the Speaker of the House of Representatives, the President Pro Tempore of the Senate,
15 the Chairs of the Appropriations Committees of the Senate and the House of
16 Representatives, the Director of the Fiscal Research Division of the Legislative Services
17 Office, and the Environmental Review Commission no later than 31 March 2007.

18 **SECTION 3.** The first report required pursuant to G.S. 143-215.74M(e), as
19 enacted by Section 1 of this act, is due on or before 31 January 2008.

20 **SECTION 4.** This act is effective when it becomes law.
