A BILL TO BE ENTITLED

AN ACT TO REQUIRE THAT FAIR COMPETITION BE PAID TO FRANCHISED MOTOR VEHICLE DEALERS TERMINATED AS A RESULT OF INDUSTRY REORGANIZATION.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 20-305(6) reads as rewritten:

7 Notwithstanding the terms, provisions or conditions of any franchise 8 or notwithstanding the terms or provisions of any waiver, to terminate, 9 cancel or fail to renew any franchise with a licensed new motor vehicle dealer unless the manufacturer has satisfied the notice requirements of 10 subparagraph c. and the Commissioner has determined, if requested in 11 writing by the dealer within (i) the time period specified in 12 G.S. 20-305(6)c1II, III or IV, G.S. 20-305(6)c.1. II., III., or IV., as 13 14 applicable, or (ii) the effective date of the franchise termination specified or proposed by the manufacturer in the notice of termination, 15 whichever period of time is longer, and after a hearing on the matter, 16 that there is good cause for the termination, cancellation, or 17 nonrenewal of the franchise and that the manufacturer has acted in 18 good faith as defined in this act regarding the termination, cancellation 19 20 or nonrenewal. When such a petition is made to the Commissioner by 21 a dealer for determination as to the existence of good cause and good 22 faith for the termination, cancellation or nonrenewal of a franchise, the 23 Commissioner shall promptly inform the manufacturer that a timely petition has been filed, and the franchise in question shall continue in 24 25 effect pending the Commissioner's decision. The Commissioner shall try to conduct the hearing and render a final determination within 180 26 27 days after a petition has been filed. If the termination, cancellation or

44

nonrenewal is pursuant to G.S. 20-305(6)c1HI-G.S. 20-305(6)c.1. III. then the Commissioner shall give the proceeding priority consideration and shall try to render his final determination no later than 90 days after the petition has been filed. Any parties to a hearing by the Commissioner under this section shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes. Any determination of the Commissioner under this section finding that good cause exists for the nonrenewal, cancellation, or termination of any franchise shall automatically be stayed during any period that the affected dealer shall have the right to judicial review or appeal of the determination before the superior court or any other appellate court and during the pendency of any appeal; provided, however, that within 30 days of entry of the Commissioner's order, the affected dealer provide such security as the reviewing court, in its discretion, may deem appropriate for payment of such costs and damages as may be incurred or sustained by the manufacturer by reason of and during the pendency of the stay. Although the right of the affected dealer to such stay is automatic, the procedure for providing such security and for the award of damages, if any, to the manufacturer upon dissolution of the stay shall be in accordance with G.S. 1A-1, Rule 65(d) and (e). No such security provided by or on behalf of any affected dealer shall be forfeited or damages awarded against a dealer who obtains a stay under this subdivision in the event the ownership of the affected dealership is subsequently transferred, sold, or assigned to a third party in accordance with this subdivision or subdivision (4) of this section and the closing on such transfer, sale, or assignment occurs no later than 180 days after the date of entry of the Commissioner's order. Furthermore, unless and until the termination, cancellation, or nonrenewal of a dealer's franchise shall finally become effective, in light of any stay or any order of the Commissioner determining that good cause exists for the termination, cancellation, or nonrenewal of a dealer's franchise as provided in this paragraph, a dealer who receives a notice of termination, cancellation, or nonrenewal from a manufacturer as provided in this subdivision shall continue to have the same rights to assign, sell, or transfer the franchise to a third party under the franchise and as permitted under G.S. 20-305(4) as if notice of the termination had not been given by the manufacturer. Any franchise under notice or threat of termination, cancellation, or nonrenewal by the manufacturer which is duly transferred in accordance with G.S. 20-305(4) shall not be subject to termination by reason of failure of performance or breaches of the franchise on the part of the transferor.

a. Notwithstanding the terms, provisions or conditions of any franchise or the terms or provisions of any waiver, good cause

- 1. There is a failure by the new motor vehicle dealer to comply with a provision of the franchise which provision is both reasonable and of material significance to the franchise relationship provided that the dealer has been notified in writing of the failure within 180 days after the manufacturer first acquired knowledge of such failure;
- 2. If the failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, then good cause shall be defined as the failure of the new motor vehicle dealer to comply with reasonable performance criteria established by the manufacturer if the new motor vehicle dealer was apprised by the manufacturer in writing of the failure; and
  - I. The notification stated that notice was provided of failure of performance pursuant to this section;
  - II. The new motor vehicle dealer was afforded a reasonable opportunity, for a period of not less than 180 days, to comply with the criteria; and
  - III. The new motor vehicle dealer failed to demonstrate substantial progress towards compliance with the manufacturer's performance criteria during such period and the new motor vehicle dealer's failure was not primarily due to economic or market factors within the dealer's relevant market area which were beyond the dealer's control.
- b. The manufacturer shall have the burden of proof under this section.
- c. Notification of Termination, Cancellation and Nonrenewal.
  - 1. Notwithstanding the terms, provisions or conditions of any franchise prior to the termination, cancellation or nonrenewal of any franchise, the manufacturer shall furnish notification of termination, cancellation or nonrenewal to the new motor vehicle dealer as follows:

knowledge of the basic facts comprising the failure.

- 2. Notification under this section shall be in writing; shall be by certified mail or personally delivered to the new motor vehicle dealer; and shall contain:
  - I. A statement of intention to terminate, cancel or not to renew the franchise;
  - II. A detailed statement of all of the material reasons for the termination, cancellation or nonrenewal; and
  - III. The date on which the termination, cancellation or nonrenewal takes effect.
- 3. Notification provided in G.S. 20-305(6)c1II of 90 days prior to the effective date of such termination, cancellation or renewal may run concurrent with the 180 days designated in G.S. 20-305(6)a2II provided the notification is clearly designated by a separate written document mailed by certified mail or personally delivered to the new motor vehicle dealer.
- d. Payments.
  - 1. Upon the termination, nonrenewal or cancellation of any franchise by the manufacturer or distributor, pursuant to this section, the new motor vehicle dealer shall be allowed fair and reasonable compensation by the manufacturer for the:
    - I. New motor vehicle inventory that has been acquired from the manufacturer within 18 months, at a price not to exceed the original manufacturer's price to the dealer, and which has not been altered or damaged, and which has not been driven more than 200 miles, and for which no certificate of title has been issued;
    - II. Unused, undamaged and unsold supplies and parts purchased from the manufacturer, at a price not to exceed the original manufacturer's price to the dealer, provided such supplies and parts are currently offered for sale by the manufacturer or distributor in its current parts catalogs and are in salable condition;
    - III. Equipment, signs, and furnishings that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from

the manufacturer or distributor, or their approved sources; and

- IV. Special tools that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from the manufacturer or distributor, or their approved sources within five years immediately preceding the termination, nonrenewal or cancellation of the franchise.
- 2. Fair and reasonable compensation for the above shall be paid by the manufacturer within 90 days of the effective date of termination, cancellation or nonrenewal, provided the new motor vehicle dealer has clear title to the inventory and has conveyed title and possession of the same to the manufacturer. The manufacturer shall be obligated to pay or reimburse the dealer for any transportation charges associated with the manufacturer's repurchase obligations under this sub-subparagraph. The manufacturer may not charge the dealer any handling, restocking, or other similar costs or fees associated with items repurchased by the manufacturer under this sub-subparagraph.
- In addition to the other payments set forth in this section, <u>3.</u> if a termination, cancellation, or nonrenewal is premised upon any of the occurrences set forth in G.S. 20-305(6)c.1.IV., then the manufacturer shall be liable to the dealer for an amount not less than the fair market value of the franchise on (i) the day prior to which the franchisor announces the action which results in termination, cancellation, or nonrenewal; or (ii) the day prior to the action which results in termination, cancellation, or nonrenewal first became general knowledge; or (iii) the day three years prior to the date on which the notice of termination, cancellation, or nonrenewal is issued, whichever amount is higher. Payment is due within 90 days of the effective date of the termination, cancellation, or nonrenewal. If the termination, cancellation, or nonrenewal is due to a manufacturer's change in distributors, the manufacturer may avoid paying fair market value to the dealer if the new distributor or the manufacturer offers the dealer a franchise agreement with terms acceptable to the dealer.

In the event of the termination, cancellation or nonrenewal by the manufacturer or distributor under this section, except termination, cancellation or nonrenewal for insolvency, license revocation, conviction of a crime involving moral turpitude, or fraud by a dealer-owner:

- 1. Subject to paragraph 3, if the new motor vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the rent for the unexpired term of the lease or three year's rent, whichever is less, or such longer term as is provided in the franchise agreement between the dealer and manufacturer; except that, in the case of motorcycle dealerships, the manufacturer shall pay the new motor vehicle dealer the sum equivalent to the rent for the unexpired term of the lease or one year's rent, whichever is less, or such longer term as provided in the franchise agreement between the dealer and manufacturer; or
- 2. Subject to paragraph 3, if the new motor vehicle dealer owns the dealership facilities, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the reasonable rental value of the dealership facilities for three years, or for one year in the case of motorcycle dealerships.
- 3. In order to be entitled to facilities assistance from the manufacturer, as provided in this paragraph e., the dealer, owner, or lessee, as the case may be, shall have the obligation to mitigate damages by listing the demised premises for lease or sublease with a licensed real estate agent within 30 days after the effective date of the termination of the franchise and thereafter by reasonably cooperating with said real estate agent in the performance of the agent's duties and responsibilities. In the event that the dealer, owner, or lessee is able to lease or sublease the demised premises, the dealer shall be obligated to pay the manufacturer the net revenue received from such mitigation up to the total amount of facilities assistance which the dealer has received from the manufacturer pursuant to sub-subdivisions 1. and 2. To the extent and for such uses and purposes as may be consistent with the terms of the lease, a manufacturer who pays facilities assistance to a dealer under this paragraph e. shall be entitled to occupy and use the dealership facilities during the years for which the

 manufacturer shall have paid rent under sub-subdivisions 1. and 2.

- 4. In the event the termination relates to fewer than all of the franchises operated by the dealer at a single location, amount of facilities assistance which manufacturer is required to pay the dealer under this sub-subdivision shall be based on the proportion of gross revenue received from the sale and lease of new vehicles by the dealer and from the dealer's parts and service operations during the three years immediately preceding the effective date of the termination (or any shorter period that the dealer may have held these franchises) of the line-makes being terminated, in relation to the gross revenue received from the sale and lease of all line-makes of new vehicles by the dealer and from the total of the dealer's and parts and service operations from this location during the same three-year period.
- 5. The compensation required for facilities assistance under this paragraph e. shall be paid by the manufacturer within 90 days of the effective date of termination, cancellation, or nonrenewal.
- f. The provisions of sub-subdivisions d. and e. above shall not be applicable when the termination, nonrenewal or cancellation of the franchise agreement is the result of the voluntary act of the dealer.

Notwithstanding the terms of any contract or agreement, any dealer's termination or resignation shall not be deemed to be voluntary if that termination or resignation occurred under the manufacturer's threat of nonrenewal, cancellation, or termination of the franchise.

g. Duty to continue franchise. – Every manufacturer, factory branch, distributor, or distributor branch that maintains a network of franchised dealers in this State, and that, by any means, acquires the right to seller market vehicles in this State under the same line-make as dealers who either currently hold a franchise for that same line-make or whose franchise was terminated, cancelled, discontinued, or nonrenewed as the result of any of the occurrences set forth in G.S. 20-305(6)c.1.IV. above, shall be required to either: (i) continue such dealers' franchises in effect under the same terms and conditions as provided in the former franchise; (ii) offer each such dealer a replacement franchise on such reasonable terms as may be acceptable to such dealer; or (iii) compensate such dealers as required in sub-subdivision d. of this subdivision to the extent
