9 modern battleships, serving from 1940 to 1947, earning 12 battle stars for service during
10 World War II, and currently serving as a memorial in Wilmington for all North
11 Carolinians killed in World War II; and

12 Whereas, the new USS North Carolina (SSN 777) is a 377-foot, 7,800-ton
13 attack submarine able to carry a crew of 134; and

14 Whereas, the USS North Carolina cost \$2.4 billion and is part of the highly
15 advanced Virginia-class submarines; and

16 Whereas, the USS North Carolina was christened in a ceremony at the
