REQUIREMENTS GOVERNING PUBLIC CONTRACTING WITH RESPECT
TO THE CONSTRUCTION OF CERTAIN INFRASTRUCTURE PROJECTS.

The General Assembly of North Carolina enacts:

SECTION 1. The City of Concord may contract for construction of the
Speedway Area Infrastructure Projects without being subject to the requirements of
G.S. 143-128, 143-129, 143-131, and 143-132 provided that:

- (1) The City Council adopts a resolution approving the exemption of the
Speedway Area Infrastructure Projects from the competitive bidding
requirements of Article 8 of Chapter 143 of the General Statutes.
- (2) The City Council complies with the minority business participation
requirements set forth in Article 8 of Chapter 143 of the General
Statutes.
- (3) The City Council conducts an annual independent audit of all contracts
for construction work that would otherwise be subject to the
competitive bidding requirements of Article 8 of Chapter 143 of the
General Statutes.
- (4) The City Council makes public any contracts awarded pursuant to this
act.
- (5) The City Council, after awarding a contract pursuant to this act,
prepares, places in the public files, and makes available to the public a
document setting forth the reasons for using the authority granted by
this act to award the contract.
- (6) The Speedway Area Infrastructure Projects comply with all applicable
zoning and land use regulations.

1 **SECTION 2.** The City of Concord may contract with public and/or private
2 entities that may design and construct portions of the Speedway Area Infrastructure
3 Projects, provided the City Council finds that:

4 (1) The exemption is intended to promote the general welfare rather than
5 the benefit of the individual.

6 (2) There is a reasonable basis for the City Council to conclude the
7 granting of the exemption serves the public interest.

8 **SECTION 3.** This act is effective when it becomes law, and expires
9 December 31, 2013. The expiration does not impair any contracts entered into on or
10 before December 31, 2013.
