- 13 (3) Cost of replacement of eyeglasses and dental prosthetic devices if those
14 eyeglasses or devices are broken while the prisoner is incarcerated, provided
15 the prisoner was using the eyeglasses or devices at the time of his
16 commitment and then only if prior written consent of the county is obtained
17 by the Division.

18 If the prisoner is transferred to a jail in some other county, the county from which the prisoner
19 is transferred shall pay to the county receiving the prisoner in its jail the actual cost of
20 maintaining the prisoner for the time designated by the court. Counties are hereby authorized to
21 enter into contractual agreements with other counties to provide jail facilities to which
22 prisoners may be transferred as deemed necessary under this section.

23 Whenever prisoners are arrested in such numbers that county jail facilities are insufficient
24 and inadequate for the safekeeping of such prisoners, the resident judge of the superior court or
25 any superior or district court judge holding court in the district may order the prisoners
26 transferred to a unit of the ~~State~~ Division of Adult Correction of the Department of Public
27 Safety designated by the Secretary of Public Safety or his authorized representative, where the
28 prisoners may be held for such length of time as the judge may direct, such detention to be in
29 cell separate from that used for imprisonment of persons already convicted of crimes, except
30 when admission to an inpatient prison medical or mental health unit is required to provide
31 services deemed necessary by a prison health care clinician. The sheriff of the county from
32 which the prisoners are removed shall be responsible for conveying the prisoners to the prison
33 unit or units where they are to be held, and for returning them to the common jail of the county
34 from which they were transferred. However, if due to the number of prisoners to be conveyed
35 the sheriff is unable to provide adequate transportation, he may request the assistance of the
36 Division of Adult Correction of the Department of Public Safety, and the Division of Adult
37 Correction of the Department of Public Safety is hereby authorized and directed to cooperate
38 with the sheriff and provide whatever assistance is available, both in vehicles and manpower, to
39 accomplish the conveying of the prisoners to and from the county to the designated prison unit
40 or units. The officer in charge of the prison unit designated by the Secretary of Public Safety or
41 his authorized representative shall receive and release the custody of the prisoners in
42 accordance with the terms of the court order. The county from which the prisoners are
43 transferred shall pay to the Division of Adult Correction of the Department of Public Safety the
44 actual cost of transporting the prisoners and the cost of maintaining the prisoners at the per day,
45 per inmate rate at which the Division of Adult Correction of the Department of Public Safety
46 pays a local jail for maintaining a prisoner, provided, however, that a county is not required to
47 reimburse the State for transporting or maintaining a prisoner who was a resident of another
48 state or county at the time he was arrested. However, if the county commissioners shall certify
49 to the Governor that the county is unable to pay the bill submitted by the ~~State~~ Division of
50 Adult Correction of the Department of Public Safety to the county for the services rendered,
51 either in whole or in part, the Governor may recommend to the Council of State that the State

1 of North Carolina assume and pay, in whole or in part, the obligation of the county to the
2 Division of Adult Correction of the Department of Public Safety, and upon approval of the
3 Council of State the amount so approved shall be paid from Contingency and Emergency Fund
4 to the Division of Adult Correction of the Department of Public Safety.

5 When, due to an emergency, it is not feasible to obtain from a judge of the superior or
6 district court a prior order of transfer, the sheriff of the county and the Division of Adult
7 Correction of the Department of Public Safety may exercise the authority hereinafter conferred;
8 provided, however, that the sheriff shall, as soon as possible after the emergency, obtain an
9 order from the judge authorizing the prisoners to be held in the designated place of confinement
10 for such period as the judge may direct. All provisions of this subsection shall be applicable to
11 municipalities whenever prisoners are arrested in such numbers that the municipal jail facilities
12 and the county jail facilities are insufficient and inadequate for the safekeeping of the prisoners.
13 The chief of police is hereby authorized to exercise the authority herein conferred upon the
14 sheriff, and the municipality shall be liable for the cost of transporting and maintaining the
15 prisoners to the same extent as a county would be unless action is taken by the Governor and
16 Council of State as herein provided for counties which are unable to pay such costs."

17 **SECTION 63.** The Revisor of Statutes shall delete throughout Chapter 148 of the
18 General Statutes the words "State" or "North Carolina" if the words appear directly before the
19 phrase "Division of Adult Correction."

20 **SECTION 64.** This act is effective when it becomes law.
