SENATE DRS85244-TFz-4A\* (04/02)

Short Title: ENR Reports Consolidation.

(Public)

Sponsors: Senators Rouzer, East, and Jackson (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO AMEND OR REPEAL VARIOUS ENVIRONMENTAL AND NATURAL  
3 RESOURCES REPORTING REQUIREMENTS, AS RECOMMENDED BY THE  
4 ENVIRONMENTAL REVIEW COMMISSION.

5 The General Assembly of North Carolina enacts:

6 **SECTION 1.1.** G.S. 130A-294 reads as rewritten:

7 "**§ 130A-294. Solid waste management program.**

8 ...

9 (i) ~~The Department shall develop a comprehensive hazardous waste management plan~~  
10 ~~for the State and shall revise the plan on or before 1 July of even-numbered years.~~ The  
11 Department shall report to the General Assembly, the Fiscal Research Division, the Senate  
12 Appropriations Subcommittee on Natural and Economic Resources, the House Appropriations  
13 Subcommittee on Natural and Economic Resources, and the Environmental Review  
14 Commission on or before 1 October/January 1 of each year on the implementation and cost of  
15 the comprehensive hazardous waste management plan/program. The report shall include an  
16 evaluation of how well the State and private parties are managing and cleaning up hazardous  
17 waste. The report shall also include recommendations to the Governor, State agencies, and the  
18 General Assembly on ways to: improve waste management; reduce the amount of waste  
19 generated; maximize resource recovery, reuse, and conservation; and minimize the amount of  
20 hazardous waste which must be disposed of. The report shall include beginning fund balance,  
21 fees collected under G.S. 130A-294.1, anticipated revenue from all sources, total expenditures  
22 by activities and categories for the hazardous waste management program, ending fund  
23 balance, any recommended adjustments in annual and tonnage fees which may be necessary to  
24 assure the continued availability of funds sufficient to pay the State's share of the cost of the  
25 hazardous waste management program, and any other information requested by the General  
26 Assembly. In recommending adjustments in annual and tonnage fees, the Department may  
27 propose fees for hazardous waste generators, and for hazardous waste treatment facilities that  
28 treat waste generated on site, which are designed to encourage reductions in the volume or  
29 quantity and toxicity of hazardous waste. The report shall include a description of activities  
30 undertaken to implement the resident inspectors program established under G.S. 130A-295.02.  
31 In addition, the report shall include an annual update on the mercury switch removal program.

32 The report required by subsection (i) of this section shall include, at a minimum, all of the  
33 following:

- 34 (1) A detailed description of the mercury recovery performance ratio achieved  
35 by the mercury switch removal program.

\* D R S 8 5 2 4 4 - T F Z - 4 A \*

- 1           (2)    A detailed description of the mercury switch collection system developed  
2                   and implemented by vehicle manufacturers in accordance with the  
3                   NVMSRP.
- 4           (3)    In the event that a mercury recovery performance ratio of at least 0.90 of the  
5                   national mercury recovery performance ratio as reported by the NVMSRP is  
6                   not achieved, a description of additional or alternative actions that may be  
7                   implemented to improve the mercury switch removal program.
- 8           (4)    The number of mercury switches collected and a description of how the  
9                   mercury switches were managed.
- 10          (5)    A statement that details the costs required to implement the mercury switch  
11                   removal program, including a summary of receipts and disbursements from  
12                   the Mercury Switch Removal Account."

13           **SECTION 1.2.** G.S. 130A-294 reads as rewritten:

14    "**§ 130A-294. Solid waste management program.**

15           ...

16           (i)    The Department shall report to the General Assembly, the Fiscal Research Division,  
17           the Senate Appropriations Subcommittee on Natural and Economic Resources, the House  
18           Appropriations Subcommittee on Natural and Economic Resources, and the Environmental  
19           Review Commission on or before January 1 of each year on the implementation and cost of the  
20           hazardous waste management program. The report shall include an evaluation of how well the  
21           State and private parties are managing and cleaning up hazardous waste. The report shall also  
22           include recommendations to the Governor, State agencies, and the General Assembly on ways  
23           to: improve waste management; reduce the amount of waste generated; maximize resource  
24           recovery, reuse, and conservation; and minimize the amount of hazardous waste which must be

26           G.S. 130A-294-1, anticipated revenue from all sources, total expenditures by activities and  
27           categories for the hazardous waste management program, ending fund balance, any  
28           recommended adjustments in annual and tonnage fees which may be necessary to assure the  
29           continued availability of funds sufficient to pay the State's share of the cost of the hazardous  
30           waste management program, and any other information requested by the General Assembly. In  
31           recommending adjustments in annual and tonnage fees, the Department may propose fees for  
32           hazardous waste generators, and for hazardous waste treatment facilities that treat waste  
33           generated on-site, which are designed to encourage reductions in the volume or quantity and  
34           toxicity of hazardous waste. The report shall include a description of activities undertaken to  
35           implement the resident inspectors program established under G.S. 130A-295.02. In addition,  
36           the report shall include an annual update on the mercury switch removal program.

37           The report required by subsection (i) of this section shall include, at a minimum, all of the  
38           following:

- 39           ~~(1)    A detailed description of the mercury recovery performance ratio achieved~~  
40           ~~by the mercury switch removal program.~~
- 41           ~~(2)    A detailed description of the mercury switch collection system developed~~  
42           ~~and implemented by vehicle manufacturers in accordance with the~~

- 48           ~~(4)    The number of mercury switches collected and a description of how the~~  
49           ~~mercury switches were managed.~~

1           (5)    ~~A statement that details the costs required to implement the mercury switch~~  
2           ~~removal program including a summary of receipts and disbursements from~~  
3           ~~the Mercury Switch Removal Account.~~

4           (6)    A detailed description and documentation of the capture rate achieved.

5           (7)    In the event that a capture rate of at least ninety percent (90%) is not  
6           achieved, a description of additional or alternative actions that may be  
7           implemented to improve the mercury minimization plan and its  
8           implementation.

9           (8)    The number of mercury switches collected, the number of end-of-life  
10           vehicles containing mercury switches, the number of end-of-life vehicles  
11           processed for recycling, and a description of how the mercury switches were  
12           managed.

13           (9)    A statement that details the costs required to implement the mercury  
14           minimization plan.

20           **SECTION 6.** G.S. 130A-310.10 reads as rewritten:

21    "**§ 130A-310.10. Annual reports.**

22           (a)    The Secretary shall report on inactive hazardous sites to the Joint Legislative  
23           Commission on Governmental Operations, the Environmental Review Commission, and the  
24           Fiscal Research Division on or before ~~1 October~~ October 1 of each year. The report shall  
25           include at least the following:

26           (1)    The Inactive Hazardous Waste Sites Priority List.

27           (2)    A list of remedial action plans requiring State funding through the Inactive  
28           Hazardous Sites Cleanup Fund.

29           (3)    A comprehensive budget to implement these remedial action plans and the  
30           adequacy of the Inactive Hazardous Sites Cleanup Fund to fund the cost of  
31           said plans.

32           (4)    A prioritized list of sites that are eligible for remedial action under  
33           CERCLA/SARA together with recommended remedial action plans and a  
34           comprehensive budget to implement such plans. The budget for  
35           implementing a remedial action plan under CERCLA/SARA shall include a  
36           statement as to any appropriation that may be necessary to pay the State's  
37           share of such plan.

38           (5)    A list of sites and remedial action plans undergoing voluntary cleanup with  
39           Departmental approval.

40           (6)    A list of sites and remedial action plans that may require State funding, a  
41           comprehensive budget if implementation of these possible remedial action  
42           plans is required, and the adequacy of the Inactive Hazardous Sites Cleanup  
43           Fund to fund the possible costs of said plans.

44           (7)    A list of sites that pose an imminent hazard.

45           (8)    A comprehensive budget to develop and implement remedial action plans for  
46           sites that pose imminent hazards and that may require State funding, and the  
47           adequacy of the Inactive Hazardous Sites Cleanup Fund.

48           (8a)   The amounts and sources of funds collected by year received under  
49           G.S. 130A-310.76, the amounts and sources of those funds paid into the  
50           Inactive Hazardous Sites Cleanup Fund established pursuant to  
51           G.S. 130A-310.11, the number of acres of contamination for which funds

1 have been received pursuant to G.S. 130A-310.76, and a detailed annual  
2 accounting of how the funds collected pursuant to G.S. 130A-310.76 have  
3 been utilized by the Department to advance the purposes of Part 8 of Article  
4 9 of Chapter 130A of the General Statutes.

5 (9) Any other information requested by the General Assembly or the  
6 Environmental Review Commission.

7 (a1) On or before October 1 of each year, the Department shall report to each member of  
8 the General Assembly who has an inactive hazardous substance or waste disposal site in the  
9 member's district. This report shall include the location of each inactive hazardous substance or  
10 waste disposal site in the member's district, the type and amount of hazardous substances or  
11 waste known or believed to be located on each of these sites, the last action taken at each of  
12 these sites, and the date of that last action.

13 (b) Repealed by Session Laws 2001-452, s. 2.3, effective October 28, 2001."
