## **General Assembly of North Carolina**

"Section 6.1. Collection of Delinquent Bills. If a fee charged by the Town for a public
enterprise service remains unpaid for a period of at least 90 days, the Town may collect it in
any manner by which delinquent personal or real property taxes can be collected.

4 "Section 6.2. Liens. If the delinquent fees are collected in the same manner as delinquent 5 real property taxes, the delinquent fees are a lien on the real property owned by the person 6 contracting with the Town for the service. If a lien is placed on real property, the lien shall be 7 valid from the time of filing in the office of the clerk of superior court of the county in which 8 the service was provided and shall include a statement containing the name and address of the 9 person against whom the lien is claimed, the name of the Town, the specific service that was 10 provided, the amount of the unpaid charge for that service, and the date and place of furnishing 11 that service. A lien on real property is not effective against an interest in real property conveyed after the fees become delinquent if the interest is recorded in the office of the register of deeds 12 prior to the filing of the lien for delinquent fees. No lien under this Article shall be valid unless 13 14 filed in accordance with this section after 90 days of the date of the failure to pay for the 15 service or availability fees and within 180 days of the date of the failure to pay for the service 16 or fees. The lien may be discharged as provided in G.S. 44-48. The Town shall adopt an 17 appeals process providing notice and an opportunity to be heard in protest of the imposition of 18 such liens. The county tax office, once notified of the Town's lien, shall include the lien amount 19 on any tax bills printed subsequent to the notification. The county tax office shall add or 20 remove liens from the tax bill at the request of the Town, such as in the case of an appeal where 21 the Town decides to cancel the lien.

"Section 6.3. Remedies Not Exclusive. The remedies authorized in this Article are not
 exclusive, and the Town may use any and all other collection procedures authorized by general
 law, including, but not limited to, the debt setoff provisions of Chapter 105A of the General
 Statutes.

# "ARTICLE VII. STREET AND SIDEWALK IMPROVEMENTS

"Section 7.1. Assessments for Street Improvements. In addition to any authority granted by
general law, the Board may, without the necessity of a petition, order street improvements and
assess fifty percent (50%) of the costs thereof against abutting property, exclusive of the costs
incurred at street intersections, according to one or more of the assessment bases set forth in
Article 10 of Chapter 160A of the General Statutes.

32 (a) For the purposes of this Article, the term "street improvement" shall include 33 grading, regrading, surfacing, resurfacing, widening, paving, repaving, and the construction or 34 reconstruction of curbs, gutters, and street drainage facilities.

35 (b) The Board must find that the street improvement project does not exceed 1,20036 linear feet.

- 37
- 38 39

40

41

(c) The Board must make at least one of the following findings of fact:

- (1) The street or part thereof is unsafe for vehicular traffic or creates a safety or health hazard, and it is in the public interest to make such improvement;
- (2) It is in the public interest to connect two streets or portions of a street already improved;
- 42 (3) It is in the public interest to widen a street or part thereof, which is already
  43 improved; provided that assessments for widening any street or portion of a
  44 street without a petition shall be limited to fifty percent (50%) of the cost of
  45 widening and otherwise improving such street in accordance with street
  46 classification and improvement standards established by the Town's
  47 thoroughfare or major street plan for the particular street or part thereof.

48 "Section 7.2. Assessments for Sidewalk Improvements. In addition to any authority granted 49 by general law, the Board may levy special assessments for sidewalk improvements or repairs 50 without the necessity of a petition. Improvements or repairs may be ordered according to 51 standards and specifications of the Town, and fifty percent (50%) of the total costs assessed

1 against abutting property, not including the cost of improvements made at intersections, 2 according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the 3 General Statutes. 4 "Section 7.3. Procedure; Effect of Assessment. In ordering street or sidewalk improvements 5 without a petition and assessing the costs thereof under authority of this Article, the Board shall 6 comply with the procedures provided by Article 10 of Chapter 160A of the General Statutes, 7 except those provisions relating to petitions of property owners and the sufficiency thereof. The 8 effect of the act of levying assessments under authority of this Article shall be the same as if the 9 assessments were levied under authority of Article 10 of Chapter 160A of the General 10 Statutes." 11 **SECTION 2.** The purpose of this act is to revise the Charter of the Town of Mount 12 Gilead and to consolidate certain acts concerning the property, affairs, and government of the 13 Town. It is intended to continue without interruption those provisions of prior acts that are 14 expressly consolidated into this act, so that all rights and liabilities which have accrued are 15 preserved and may be enforced. 16 **SECTION 3.** This act does not repeal or affect any acts concerning the property, 17 affairs, or government of public schools or any acts validating official actions, proceedings, 18 contracts, or obligations of any kind. 19 **SECTION 4.** The following acts, having served the purposes for which they were 20 enacted or having been consolidated into this act, are expressly repealed: 21 Chapter 90 of the 1899 Private Laws. 22 Chapter 133 of the 1913 Private Laws. 23 Chapter 228 of the 1951 Session Laws. 24 Chapter 152 of the 1953 Session Laws. 25 Chapter 163 of the 1957 Session Laws. 26 Chapter 623 of the 1957 Session Laws. 27 **SECTION 5.** The Mayor and Commissioners serving on the date of ratification of 28 this act shall serve until the expiration of their terms or until their successors are elected and 29 qualified. Thereafter, those offices shall be filled as provided in Articles II and III of the 30 Charter contained in Section 1 of this act. 31 **SECTION 6.** This act does not affect any rights or interests that arose under any 32 provisions repealed by this act. 33 **SECTION 7.** All existing ordinances, resolutions, and other provisions of the 34 Town of Mount Gilead not inconsistent with the provisions of this act shall continue in effect 35 until repealed or amended. 36 **SECTION 8.** No action or proceeding pending on the effective date of this act by 37 or against the Town or any of its departments or agencies shall be abated or otherwise affected 38 by this act. 39 **SECTION 9.** If any provision of this act or application thereof is held invalid, such 40 invalidity shall not affect other provisions or applications of this act that can be given effect 41 without the invalid provision or application and, to this end, the provisions of this act are 42 declared to be severable. 43 **SECTION 10.** Whenever a reference is made in this act to a particular provision of 44 the General Statutes, and such provision is later amended, superseded, or recodified, the 45 reference shall be deemed amended to refer to the amended General Statute, or to the General 46 Statute that most clearly corresponds to the statutory provision which is superseded or 47 recodified. 48 **SECTION 11.** This act is effective when it becomes law.
