Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO ESTABLISH LICENSURE AND EDUCATION STANDARDS FOR THE  
3 PRACTICE OF NATUROPATHIC MEDICINE.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Chapter 90 of the General Statutes is amended by adding a new  
6 Article to read:

7 "Article 43.

8 "Naturopathic Doctors.

9 "**§ 90-730. Short title.**

10 This Article may be cited as the "North Carolina Naturopathic Doctors Licensure Act."

11 "**§ 90-731. Intent; purpose.**

12 (a) Intent. – The General Assembly finds that a significant number of residents of the  
13 State of North Carolina choose complementary and alternative health care and declares that  
14 naturopathic treatment is a distinct health care profession that affects the public health, safety,  
15 and welfare and provides for choices in health care. The General Assembly concludes that  
16 licensure is in the current interest of North Carolina citizens to aid in protecting citizens from  
17 deception, fraud, and damage to their health status. Licensure can provide a process in which  
18 citizens may more confidently rely on the level of skill, education, and competency possessed  
19 by licensed persons.

20 (b) Purpose. – The purpose of this Article is to provide standards for the licensure of  
21 naturopathic doctors desiring to practice naturopathic medicine in this State and to ensure the

33          the General Statutes.

34          (d)   Confidential Information. – The Board may release confidential or nonpublic  
35          information about a licensee to any health care licensure board in this State or another state  
36          relating to the issuance, denial, suspension, revocation, or voluntary surrender of the license,  
37          including the reasons for the action or any investigative report prepared by the Board. The  
38          Board shall notify the naturopathic doctor within 60 days after the information is released. The  
39          Board shall furnish to the naturopathic doctor a summary of the information being released.  
40          However, if the naturopathic doctor requests, in writing, within 30 days from the date of notice,  
41          a copy of the information being released, the Board shall give to the naturopathic doctor a copy  
42          of all the information being released. Notice or copies shall not be provided by the Board if the  
43          information relates to an ongoing criminal investigation by a law enforcement agency or any  
44          Department of Health and Human Services personnel with enforcement or investigative

49          Article. The Board is responsible for providing to the North Carolina Department of Justice the  
50          fingerprints of the person to be checked, a form signed by the person consenting to the criminal  
51          record check and the use of fingerprints and other identifying information required by the State

1 or national repositories, and any additional information required by the Department of Justice.  
2 The Board shall keep all information obtained pursuant to this section confidential.

3 (b) Conviction. – If a criminal history record check reveals one or more convictions, the  
4 conviction does not automatically bar licensure. The Board shall consider all of the following  
5 factors regarding the conviction:

6 (1) The level of seriousness of the crime.

7 (2) The date of the crime.

8 (3) The age of the person at the time of the conviction.

9 (4) The circumstances surrounding the commission of the crime, if known.

10 (5) The nexus between the criminal conduct of the person and the job duties of  
11 the position to be filled.

12 (6) The person's prison, jail, probation, parole, rehabilitation, and employment  
13 records since the date the crime was committed.

14 (7) The subsequent commission of a crime by the person.

15 (c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on  
16 information obtained in a criminal history record check, the Board shall disclose to the person  
17 the information contained in the criminal history record check that is relevant to the Board's  
18 actions. The Board may not provide a copy of the criminal history record check to the person.  
19 A person has the right to appear before the Board to appeal the Board's decision. An  
20 appearance before the Board shall constitute an exhaustion of administrative remedies in  
21 accordance with Chapter 150B of the General Statutes.

22 **"§ 90-742. Reports; immunity from suit.**

23 (a) Report. – A person who has reasonable cause to suspect misconduct or incapacity of  
24 a licensee, or who has reasonable cause to suspect that a person is in violation of this Article,  
25 may report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative,
