10 (f) Collection of Contributions. –

11 ...

12 (2) The collection of employers' contributions shall be made as follows:

13 ...

14 f1. A public school unit is not required to pay an additional contribution  
15 calculated under G.S. 135-4(jj) for the retirement of a public school  
16 employee if, within 12 months of the assessment, the public school  
17 unit certifies, on a form approved by the Board of Trustees, to all of  
18 the following:

19 1. The retiree's service, during the period used to compute the

21 positions where State law or regulation mandates the specific  
22 dollar amount that must be paid from State funds to an  
23 employee in that position or positions or the retiree served a
