#### NET STATE IMPACT

### FISCAL IMPACT SUMMARY

The Board of Cosmetic Art Examiners' operating budget is a special fund that is fully supported by fees imposed on its licensees.

While no fiscal impact estimate is available for the special fund, the bill would have no impact on the State's General Fund.

### FISCAL ANALYSIS

The bill would modify Chapter 88B of the General Statutes to expand the authority of the Board of Cosmetic Art Examiners (Board) to include regulation of mobile salons. The bill also:

1. Defines mobile salon as a "self-contained, enclosed mobile unit licensed for the practice of cosmetic art".
2. Subjects mobile salons to the same legal requirements as cosmetic art shops and schools.
3. Sets out fees the Board may charge.
4. Makes conforming statutory changes.
5. Authorizes the use of a motor home as a mobile salon.
6. Creates new requirements for mobile salons.
7. Requires the Board adopt rules for the operation, licensure, and inspection of mobile salons.

## Licensure Fees

Section 1.(a) sets out fees the Board may charge to cover the administrative costs of regulating mobile salons and establishes a fee schedule for mobile salon licensure and inspection as follows:

<b>Licensure and Inspection</b>	<b>Maximum Fee Authorized</b>
License Application and Annual Renewal	\$25
License Late Renewal	\$10
License Reinstatement	\$25
Mobile Salon Inspection	\$25

## Impact on State Budget

Mobile salons are not currently authorized to operate in the State and there is no data to predict how many would be regulated under the Board, thus the fiscal impact on the State budget is unknown. The Board is receipt-supported through licensure and inspection fees, so there would be no General Fund impact to the State.
